Vibrant

Student Life, Wildcat Life

Battle Cry! The sophomore class was a tough competition to the senior class during the battle cries, but in the end only one could prevail every time.

Juniors Kaiser McGlothen and Julia Lowry represent their class during one of the many loud battle cries.

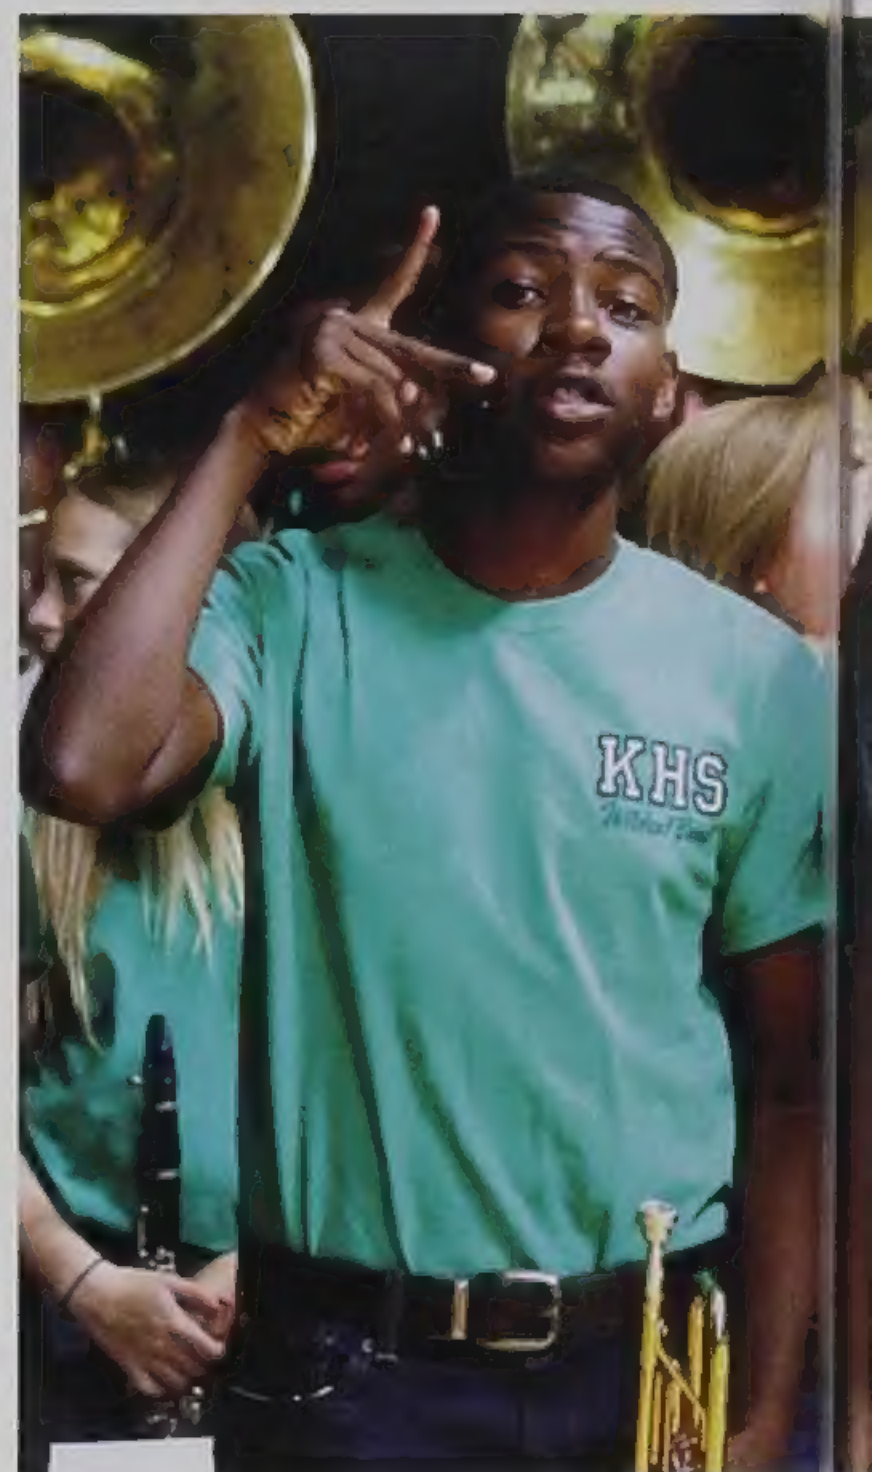

Bring on the Noise

Showing School Spirit Here In The 'Dale

School spirit is extremely important here at Kennedale. Although we are a small district, our spirit for our school is not. The entire student body from freshmen to seniors come together for every pep rally and game to display their school spirit. During football season, whether home or away, KHS students never fails to make their way to the stands and yell our football players towards a victory. The students are a major part of the games. Their help and support is greatly appreciated by all of our athletes.

It's important to know that you have a wonderful support system behind you, that will support you throughout every game. At every pep rally, each class must individually express their spirit during the battle cry. All classes compete for the spirit stick, in order to win, they must show the most school spirit. Kennedale is full of school spirit big or small, everyone makes their voices heard. We may fight, we may disagree but at the end of the day a wildcat is the best thing to be. Go Wildcats!!

V-I-C-T-O-R-Y THAT'S OUR... The Sophomores definitely have loads of school spirit, giving their all at every pep rally. **2015!** Martin Marquez is showing his school spirit by wearing all black and is ready for battle. **Wildcats!** The varsity wildcats rallying the student body for their big game against Springtown. **Juniors** Cody Bossaller & Stephen Linares showing outstanding school spirit. These guys came to the Ladykat's Volleyball game to help support their favorite players. **20-15! 20-15!** Seniors celebrating their win of another battle cry. This is their last year, so it makes sense to go all out. **Let's go band!** Junior, Darius Hurd, John Mitchell, and Vicky Huggins enjoy playing in the band as lead by one of the drum majors, Senior Deja Caldwell. Pep rallies would not be the same without the extreme beats of our award winning band. Not only that, but they also keep the varsity football player's spirits high as they bring on the noise during Friday Night Lights.

LET'S GO WILDCATS!!

Junior Nia Brown, Freshmen Emily Zepeda and Emily Marr enjoying their first year of cheering and supporting the junior varsity and freshman football team. Emily Marr says, "Watching our boys play is never disappointing and the stunts we do are a step above what we did in Jr High."

Spirit Week

The school spirit of the student body starts at an early age in Kennedale. Here at Kennedale High School, we continue the spirit week and we do it bigger and better. Spirit week is the week of homecoming where the student body's anticipation is high for the big Friday night game that we dress in crazy themes to show our school spirit. This year, the five themes of the week were 'Merica Monday, Character Tuesday, Holiday Wednesday, Throwback Thursday, and, of course, Color Friday. The participation and the excitement of chaos far exceeded the previous years. Students from all grade levels came to school dressed as Uncle Sam, favorite Disney characters, memorable decades, to even a Christmas Tree. But spirit week is not just about dressing up, but also about the Thursday night hallway decoration contest. Each class came up with a special theme this year and got together to bring their idea to life. All the hallways were amazing, but there could only be one winner: the seniors!

Ninjas! Our favorite faculty this year dressed up as Teenage Mutant Turtles, just in time for the new adaption of the movie to hit the silver screen. **Characters Day!** Students' creativity really showed as Kennedale had every character on campus from crazy TV shows to classic superheroes. **Merica!** 'Merica Monday showed us how proud of an American everyone can be with showcasing the red, white and blue colors to even bringing the American flag to school. **Merry Christmas!** Santa along with his presents and his Eli's came to town this year, as well as other special holidays. **Black!** The seniors posed with their hallway decorations in their class color of black on Friday.

Crowning Moments

Coming Home, All Together, One Family

On the night of September 26th, memories were made that will never be forgotten. A king and queen was crowned, a game was won, and the stadium was full of Kennedale spirit. But, homecoming isn't only an event for current Kennedale students, it is also a time when alumni return to support their school. Their presence was greatly appreciated and added to the energy on that Friday night. The homecoming game was an amazing way to end a very enjoyable week. The school's participation was overwhelming and

proved how each student on this campus values school spirit. The smiles displayed in these pictures show how the energy is at an all time high this year. These moments are irreplaceable and will last a lifetime. Student involvement is being reflected throughout each class at Kennedale High School. This participation is broadly shown not only on this page, but throughout the entire yearbook. From the proud smiles of our king and queen to the joyful seniors as they yell for victory during the battle cry, one thing is evident - We Are Kennedale!

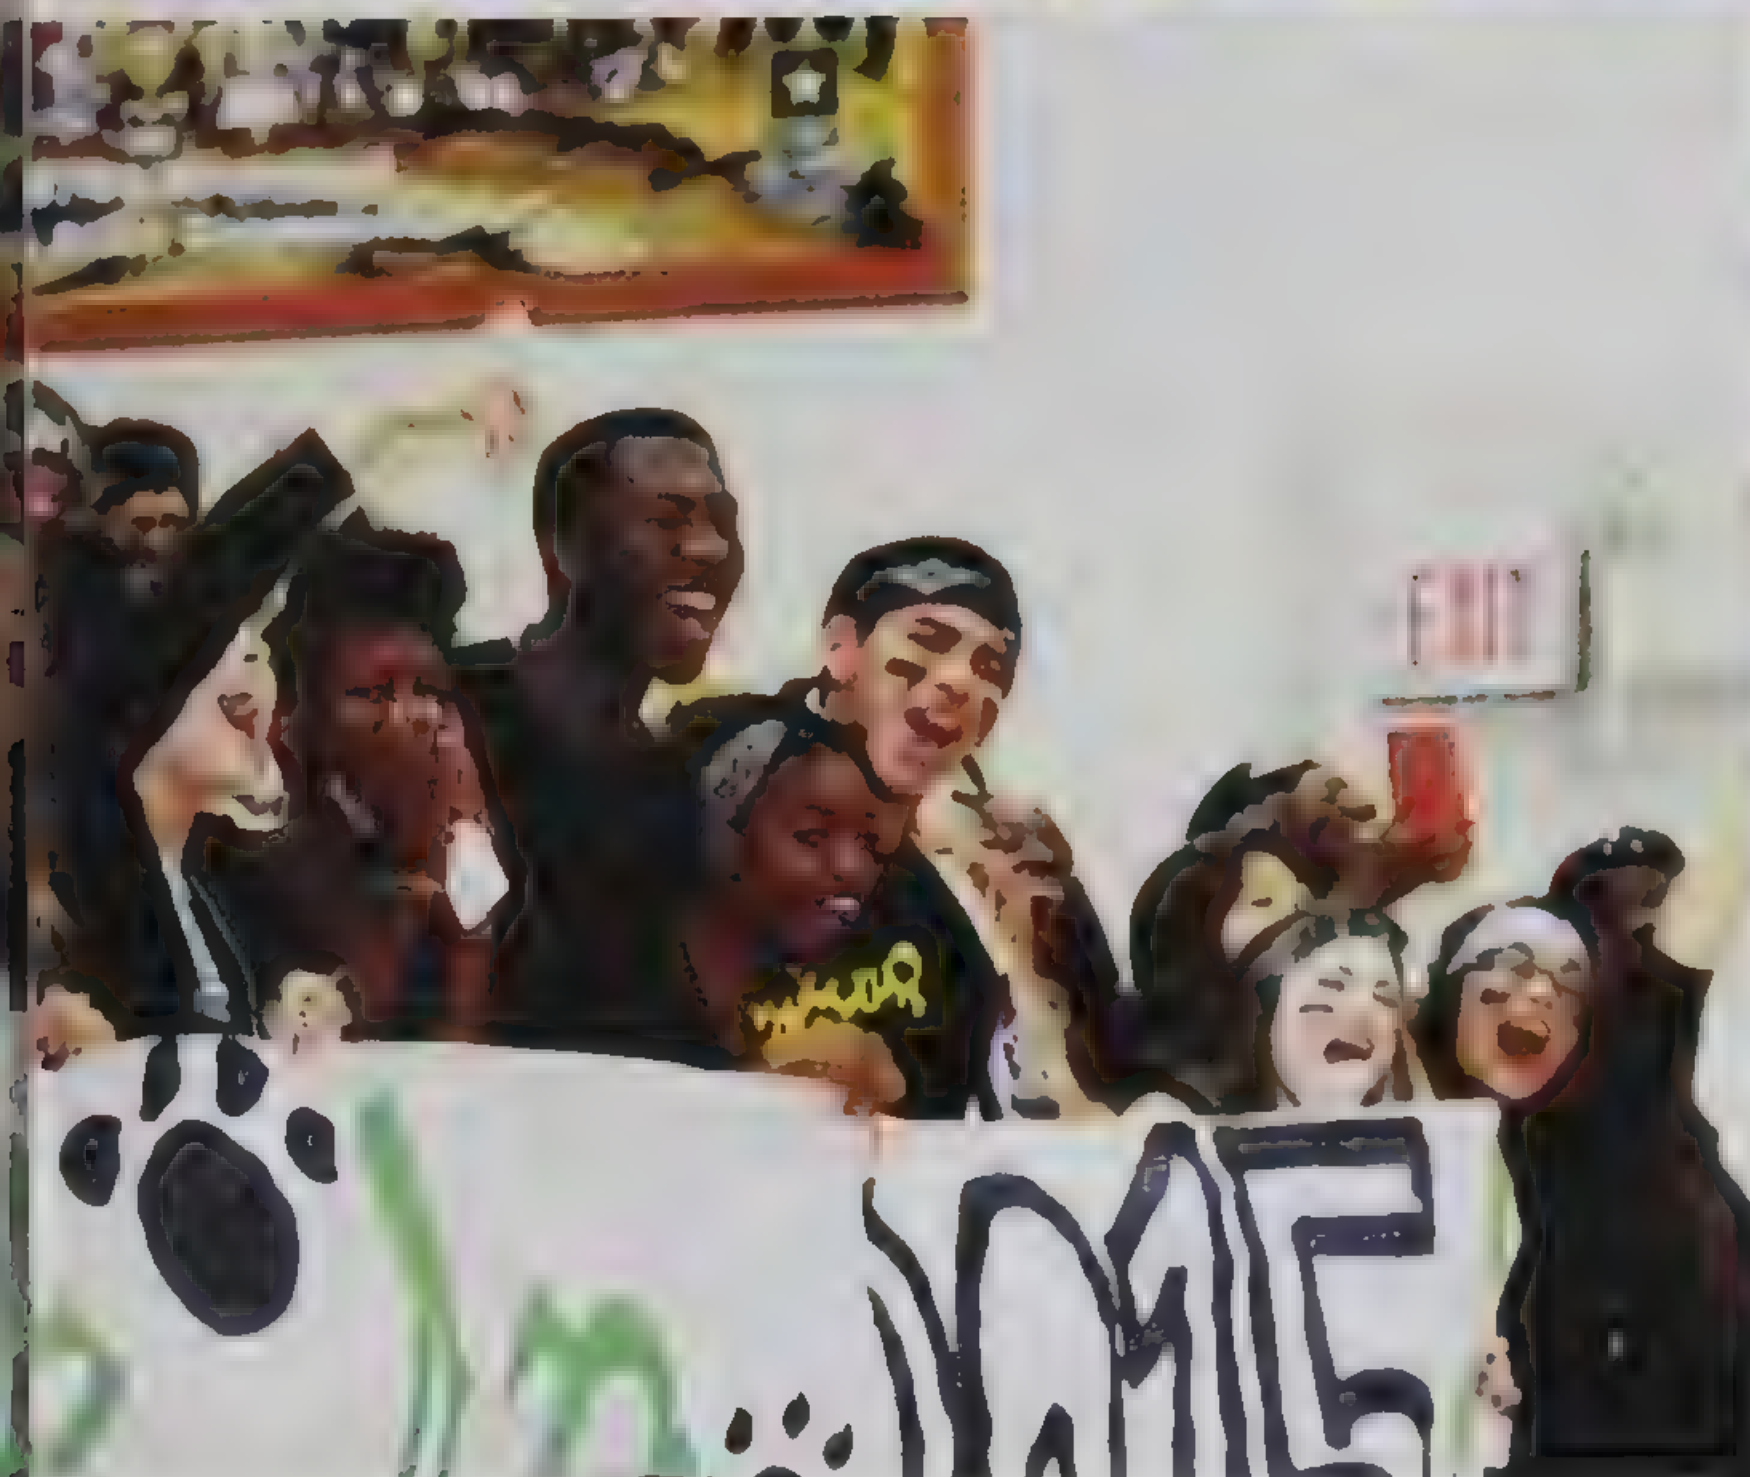

Senior King Davis Walsh and Queen Emily Beck were proud as they accepted their titles. Davis Walsh is a three-year varsity baseball player and Emily Beck is the senior class president. **Junior** Prince and Princess were Juan Ramirez and Noel Avila who are both members of our incredible band program.

Sophomore Duke and Duchess were Darren Hull and Alondra Olmos. Duke Darren is a KHS football player and Alondra Olmos is a two-year Lady Kat varsity soccer player. **Freshman**

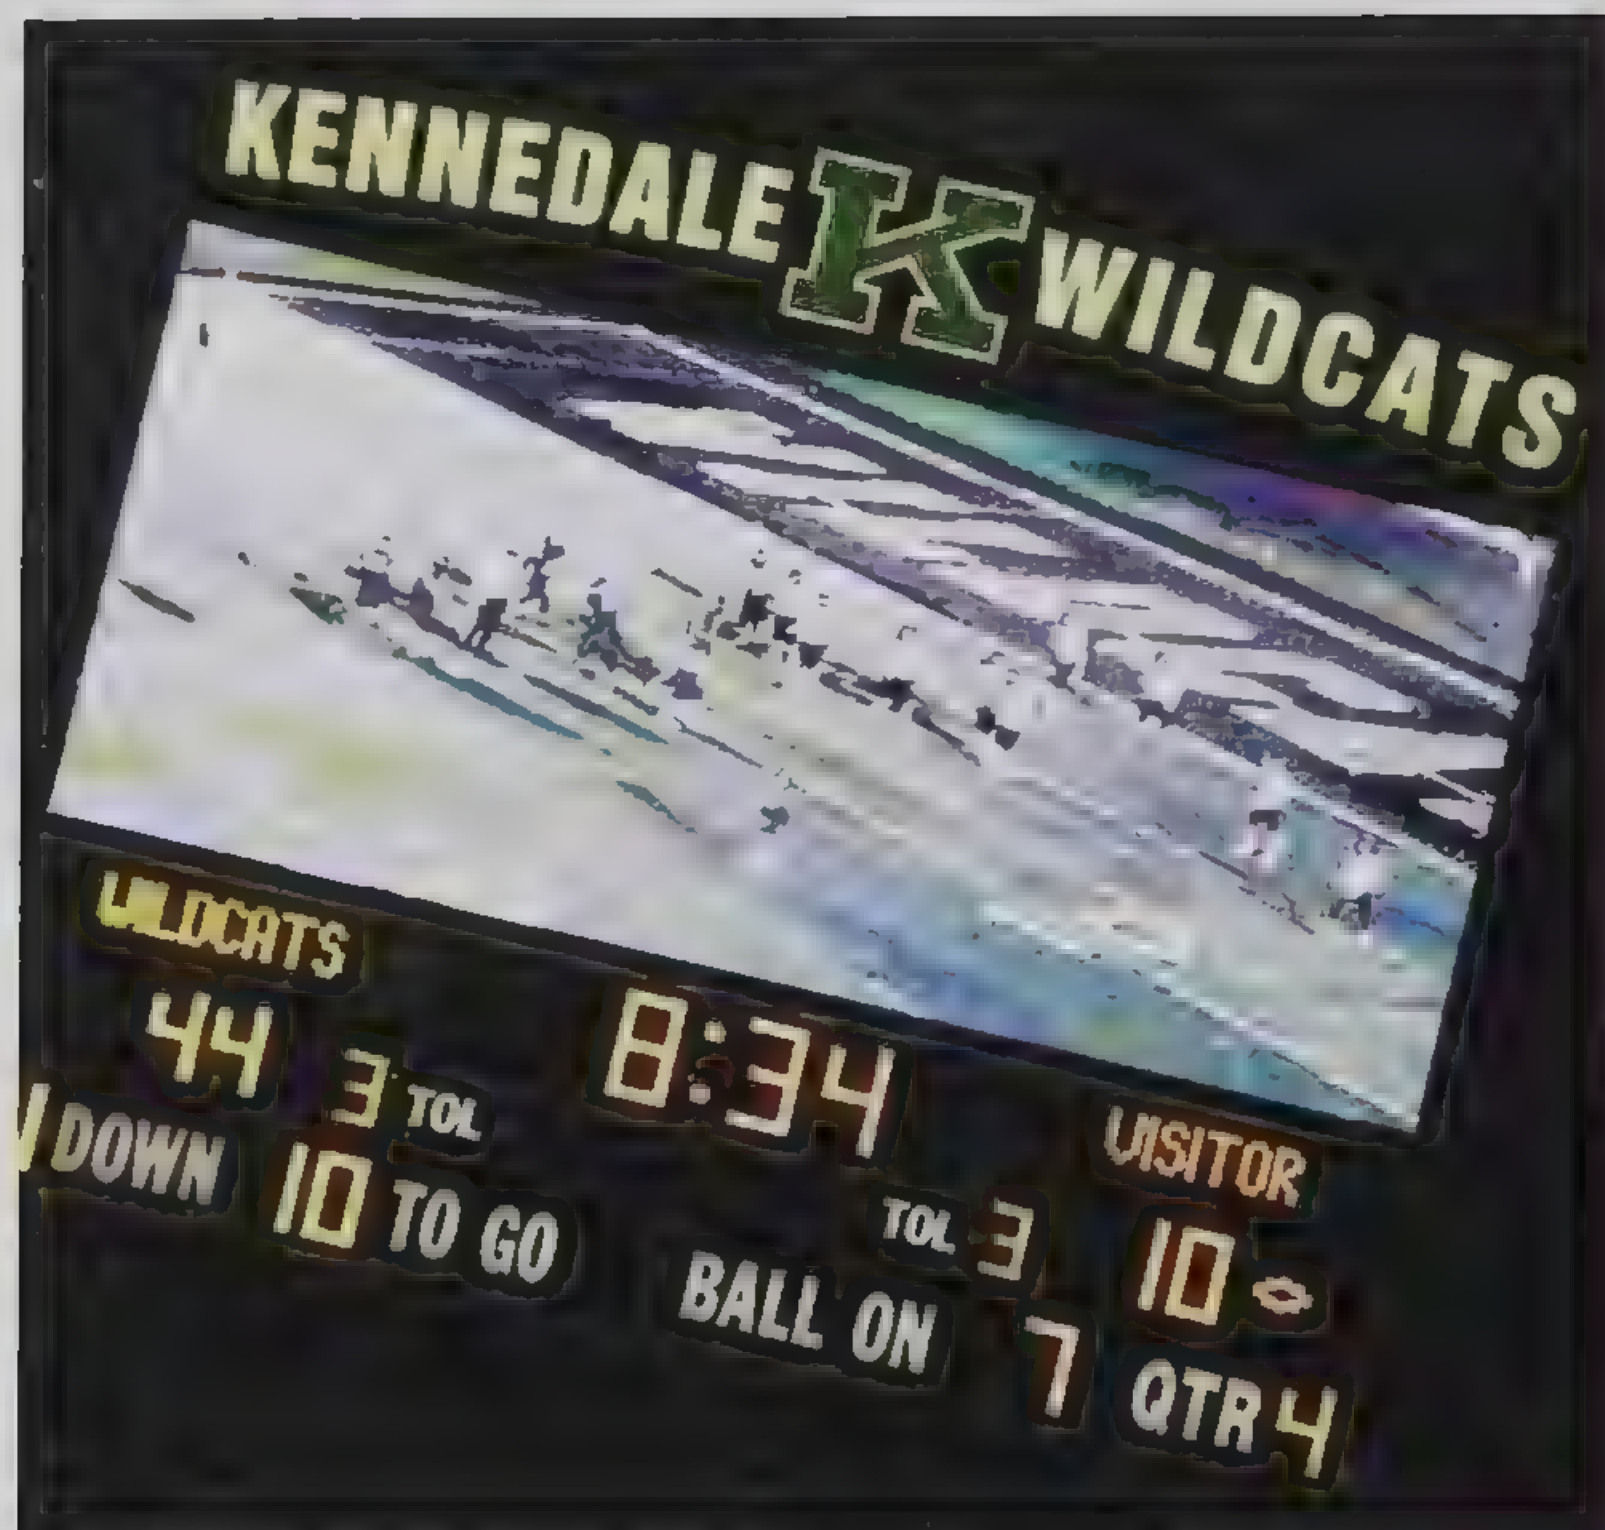

Lord and Lady were Luke Michener and Claudia Vilchez. Luke plays football and Claudia is a member of the KHS Cross Country team. **The** Student Council officers worked diligently to make homecoming the outstanding week it was. **The** seniors

discovering they had won the homecoming hall contest. They are now back-to-back champions and are the first class to do so in Kennedale history. This is a major accomplishment and pushes them to reach new heights as a class. Incredible things are in store not only for the class of 2015, but the entire student body at Kennedale High School.

Game Time!

The anticipation is high as the Kennedale Wildcats charge onto the field to dominate the Carter Cowboys. We can see their determination as they take the field. The score for this years homecoming was 70-21. Great job wildcats!

New to School

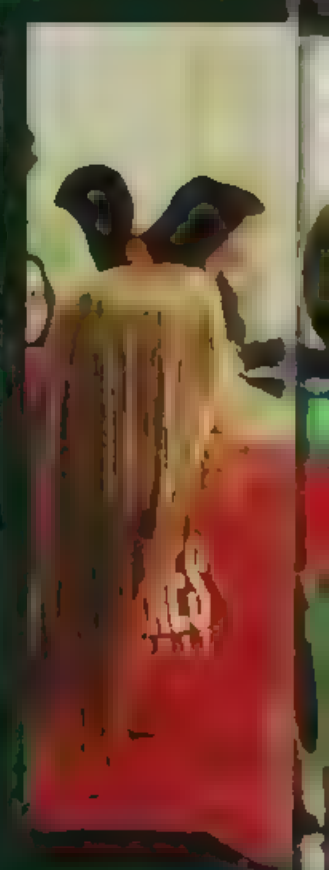

New Faces, New Things

Kennedale has gained lots of new faces and equipment this school year. We sat down with the outstanding, new principal Mr. Marchel to see how he feels about Kennedale and what he plans to see in the future. Mr. Marchel said Kennedale makes him feel as if he has teleported back twenty years. Everyone at Kennedale is so polite, and has so much school spirit. Mr. Marchel describes our school as a diamond in the rough. He wants Kennedale to "be the best we can be at everything." There have been several changes this school year and more to come! Mr. Marchel gave us some insight into what is in the future for Kennedale. We will soon have great new programs starting up, such as computer, electrical, and security repairing.

Students will be able to build computers, re-route electrical wires, and even install the schools security cameras. Other programs coming soon will be culinary arts, nursing assisting, and maybe even car repairing. Mr. Marchel wants Kennedale to grow in every department, making us simply the best.

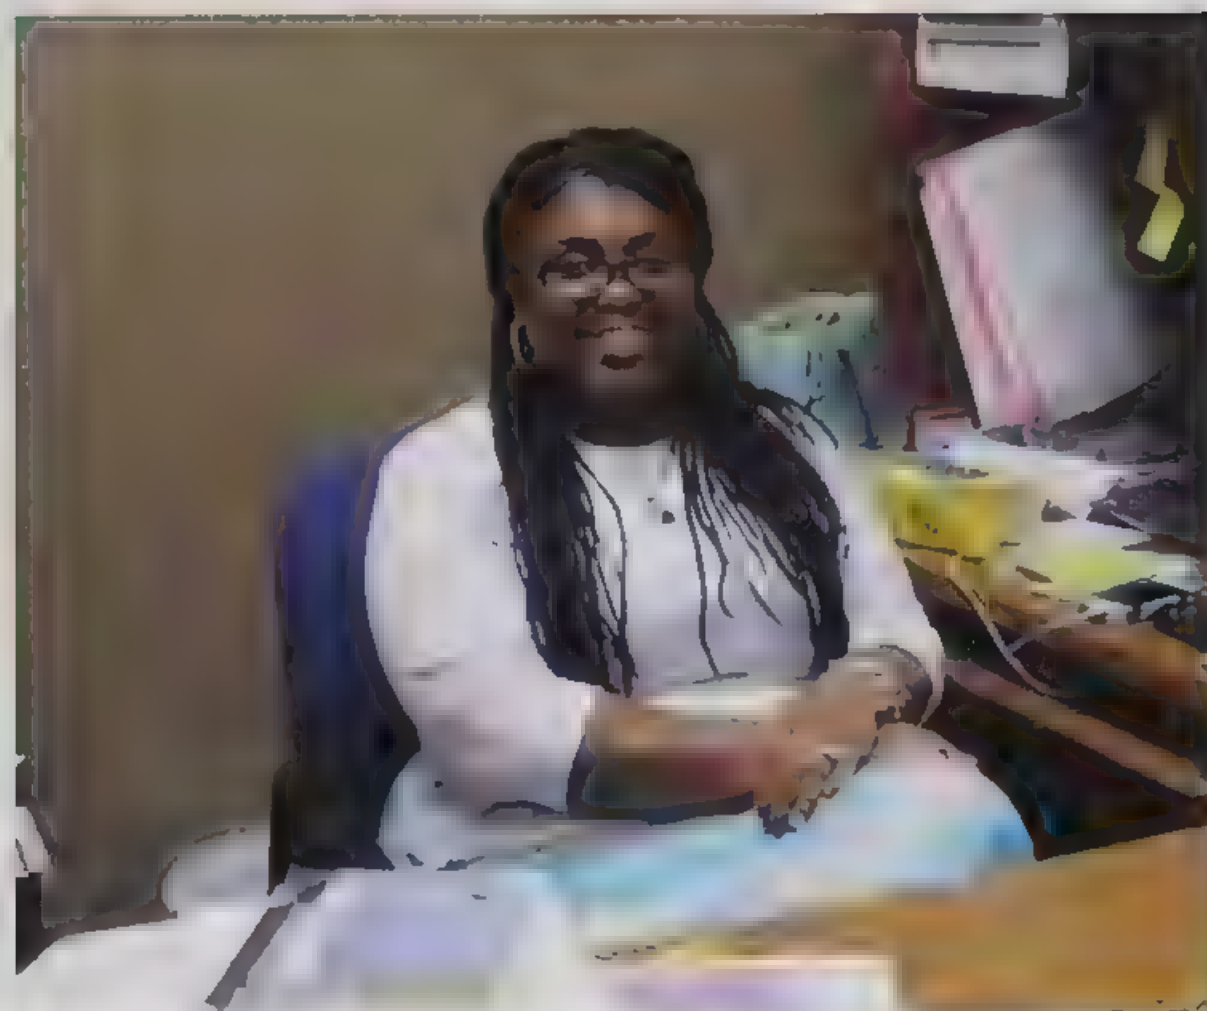

Costing 150k dollars, the athletic department gained a 32x15 foot video scoreboard for Wildcat Stadium. The audio/video production department added their very own KHS studio, with high tech cameras and green screen. With this added bonus, our daily announcements this year became visual announcements. Besides a new principal, we all also welcomed two new assistant principals, Mr. Shepherd and Mrs. Bryson. They are great addition to our administration staff. That's not all, we greeted new teachers and staff including a new underclassmen counselor Mrs. King. With the new school year, students were able to select a new elective as part of their schedule. Outdoor Education. Mr. Wilcox has taught the students the basics of fishing, archery, hunting, and many more.

“When asked what one message he had for the senior class, Mr. Marchel responded with “Education is money, education is power!” Marchel highly encourages every senior to get a degree and make something out of themselves.”

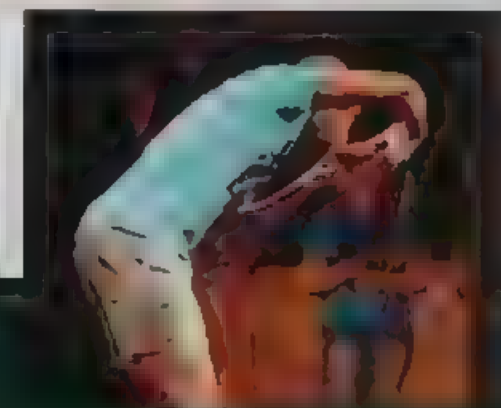

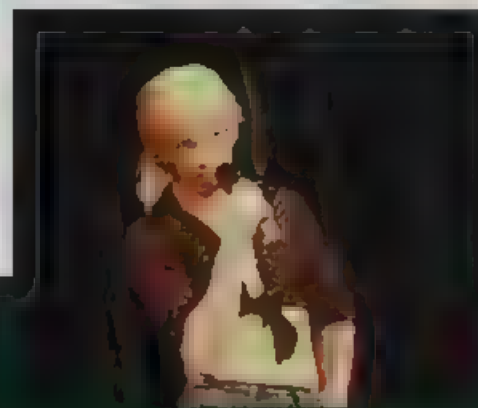

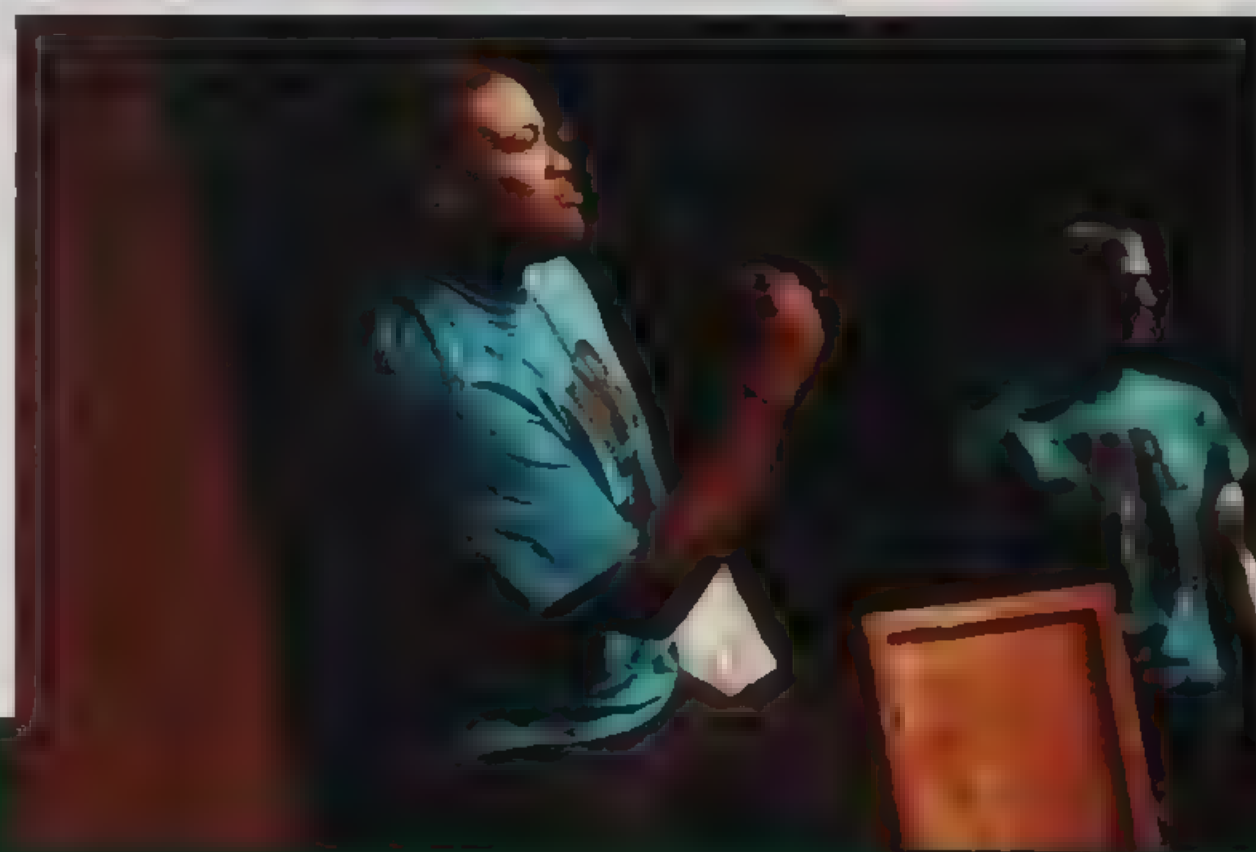

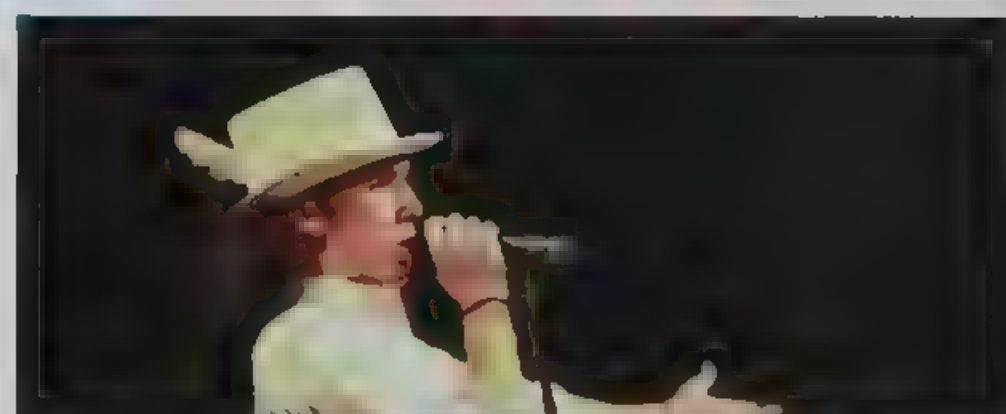

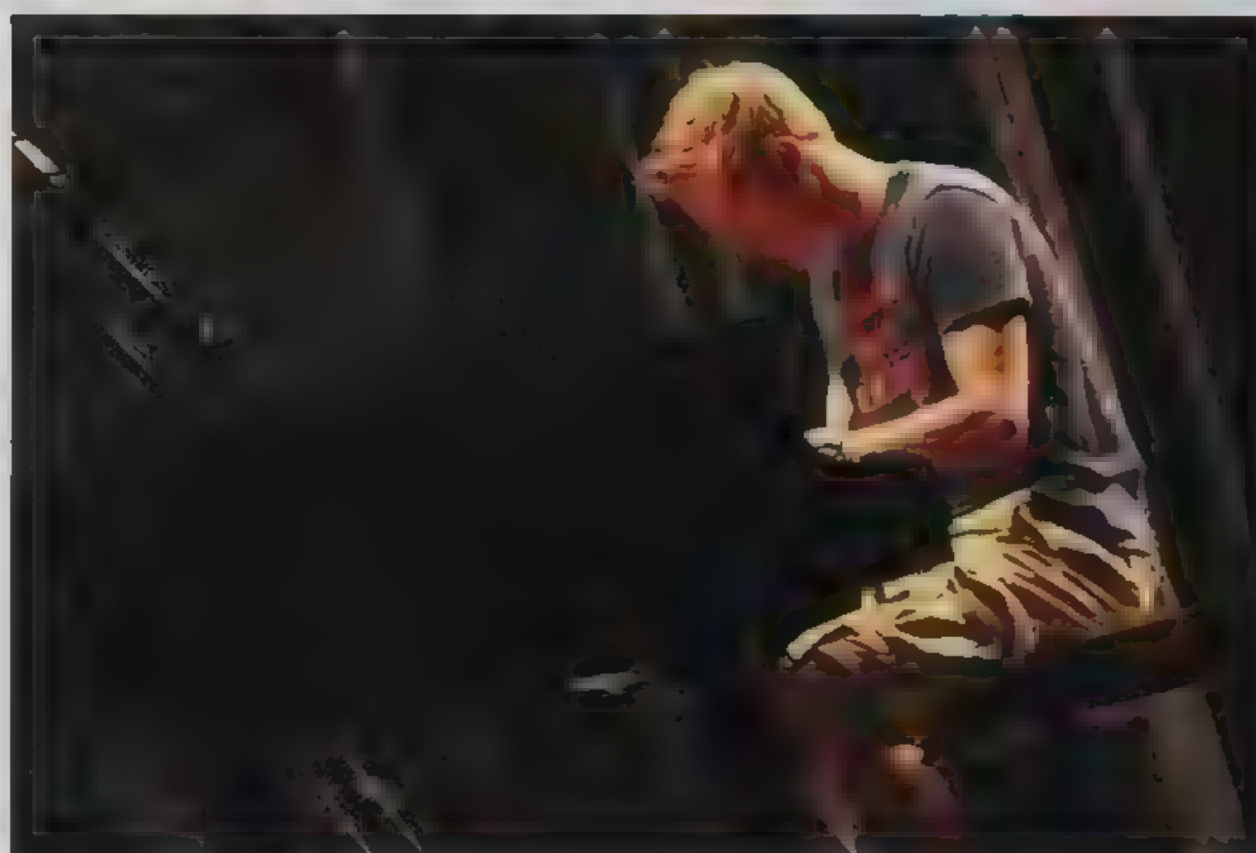

Mr. KHS

The Ultimate Pageant

Mr. KHS is a tradition that started many years ago. It is an all-male pageant where all profits go towards the senior class. This year the participants bought an enthusiastic and creative twist to the fund raiser. Zane Kotwittz was crowned Mr. KHS and Bradley Woodard was enthroned as Mr. Congeniality. The entire audience was impressed by Zane Kotwittz's incredible piano skills and also Bradley Woodard's impressive opera singing performance. Cody Kovar, Brent Reed, Davis Walsh, and Landon Cook also successfully entertained the crowd. The Mr. KHS fund raiser was an unforgettable

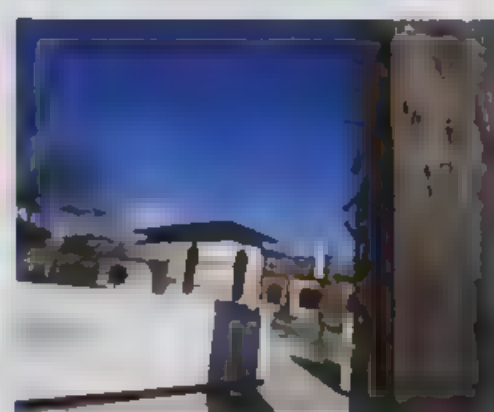

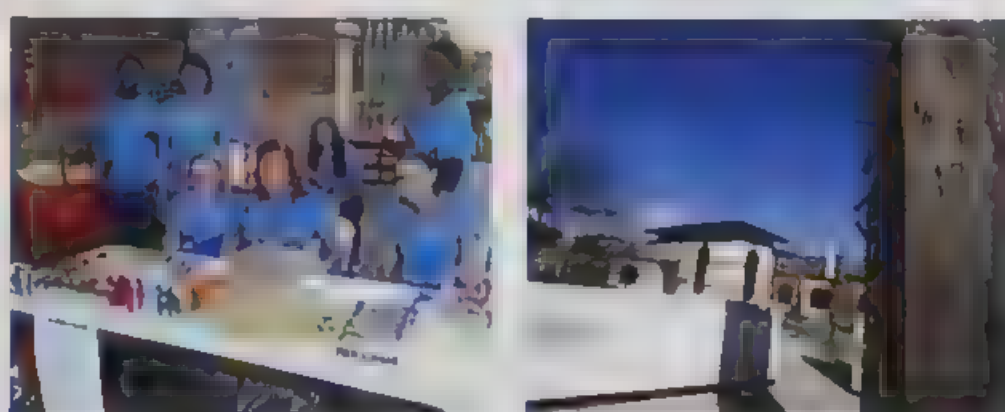

Outside the Walls

Helping out the community, one student at a time

There is more to Kennedale than inside the walls of KHS. Youth Advisory Council is an elected and diverse group of student that are part of the City of Kennedale. This year they hosted a food truck night to get families of the community to come together and enjoy street style tacos and snow cones. In November, they went to Austin for the National League of Cities to get an insight to grow the community and the YAC program. In addition, they also hosted their first annual movie night screening "The Incredibles" on the grassland of the towncenter, where the city council meets, local

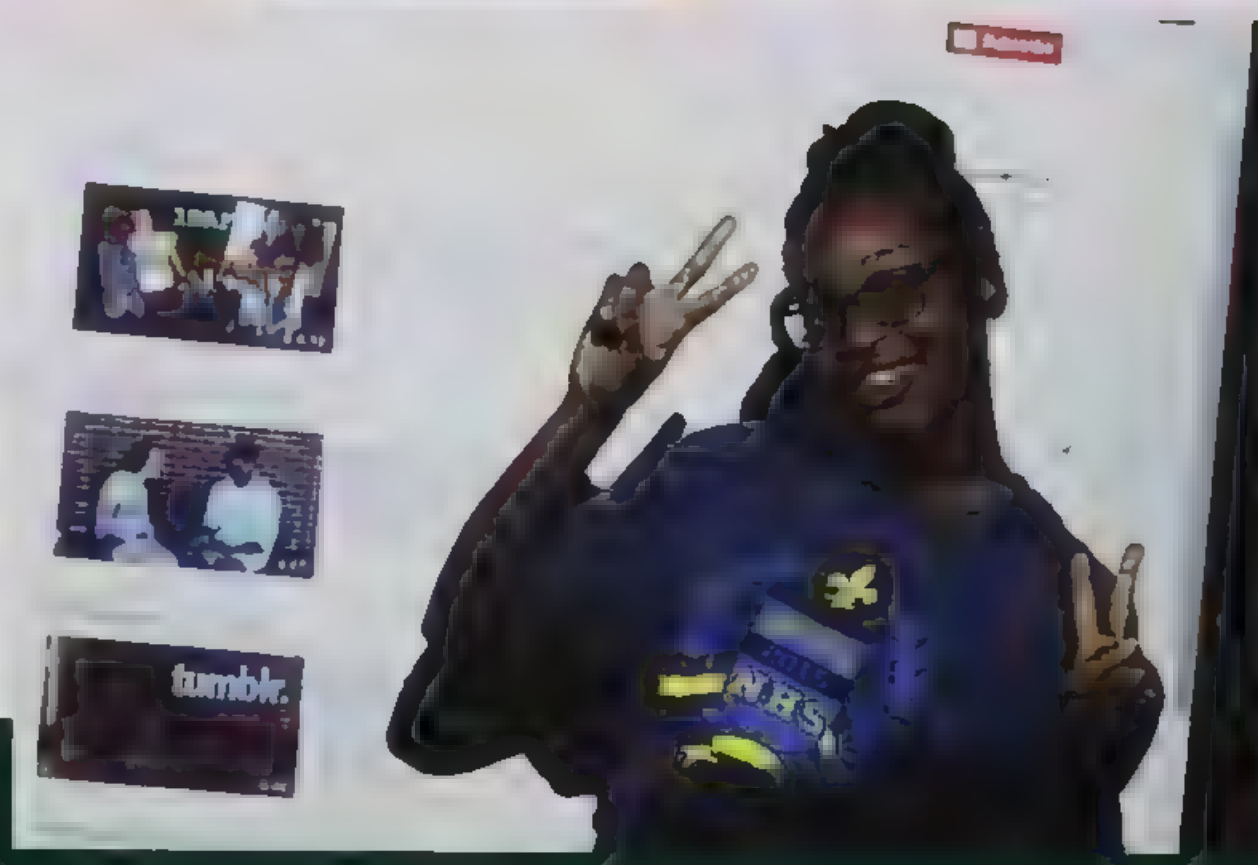

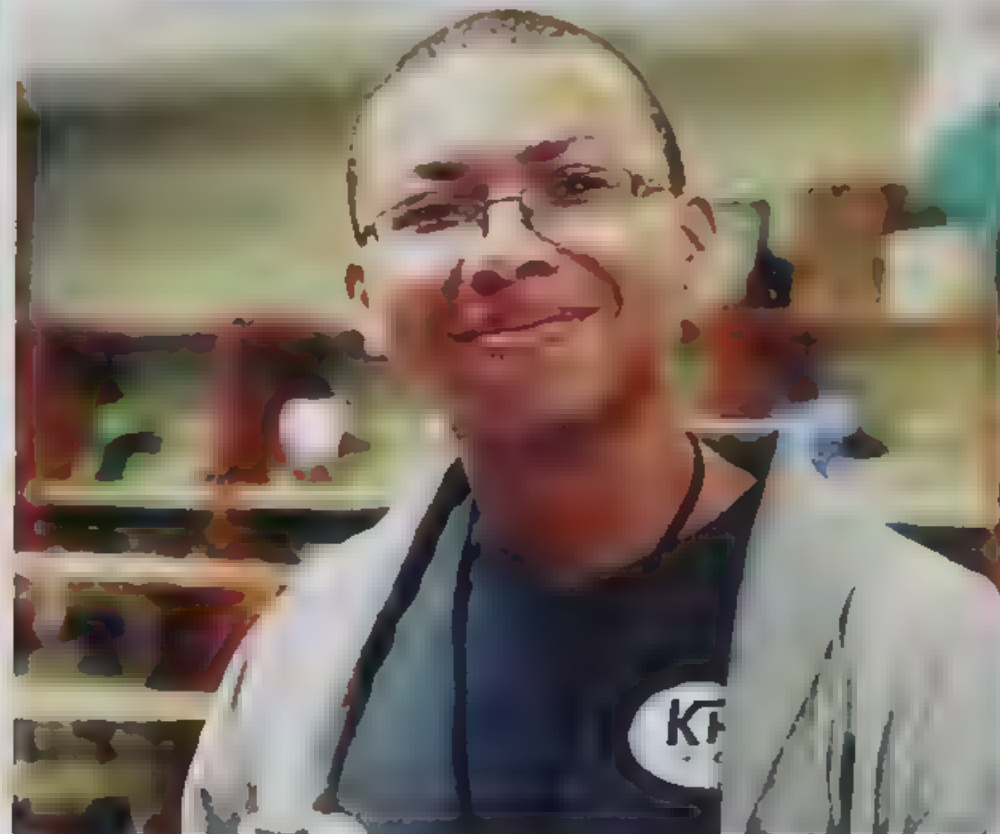

Artists in Action

Student Art Coming To Life From Their Eyes To Ours

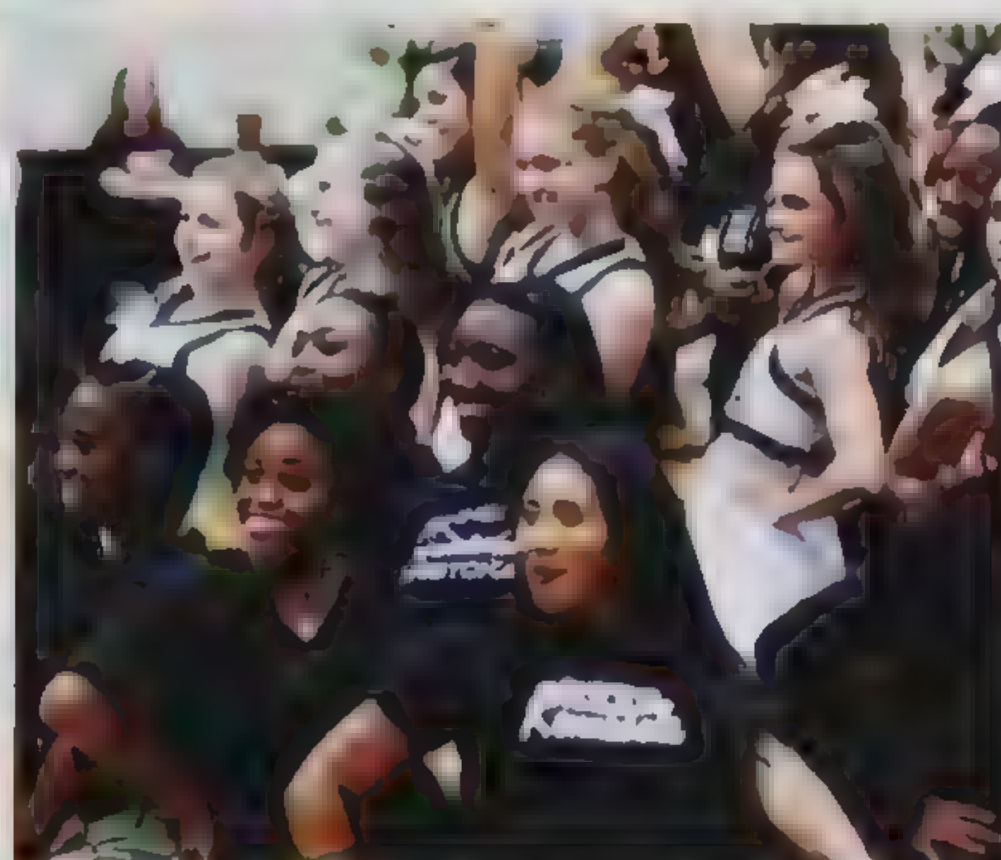

Art is more than just drawing a silly cartoon character. Art is expressing the way you feel, whether through drawing, writing, blogging, dancing, music, or etc. Jennifer Pham, known for her amazing photography and art, was asked to do the main mural on our history hallway. Danielle Quaye shows her creativeness and thoughts through her YouTube channel at "www.youtube.com/c/DaniQuaye". Zachary Avery amazed us all this year and wrote his very own book called "Hooded Destiny, Fate from Amongst the Stars" and can be found on Amazon. The official publication date is February 20th, 2015. Skylar Lynn creates wonderful

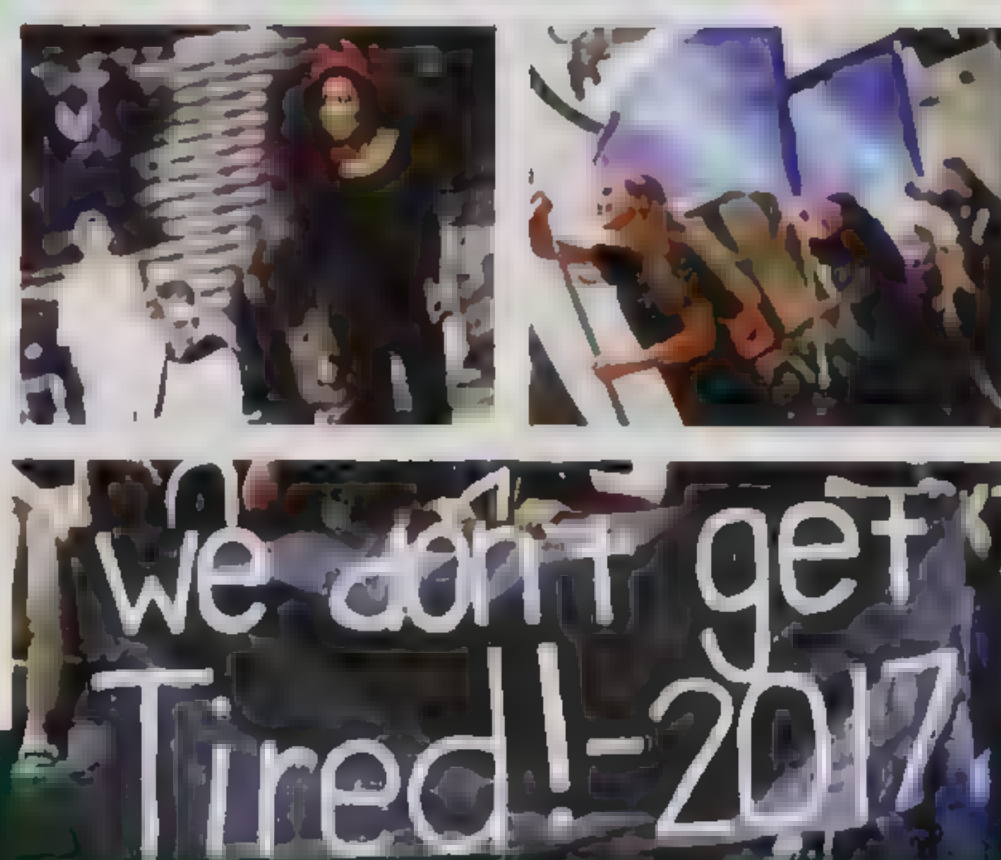

Halloween Special

Bevy Special Bay, R0X 00000000 Edition

For the first time, Kennedale hosted a very special Halloween. During this distinct holiday, we had a Halloween themed pep rally with loads of games, dancing, creative banners, and school spirit. In addition, a small group of track girls performed an unforgettable step routine that sent the student body to their feet. We even had "95.9 The Ranch" come to our school! Since Halloween fell on a Friday, this was the Wildcat's last home game and their senior night. The Wildcats went against Alvarado, our biggest rivals. Although they gave us a good challenge, we came out on top, once again—Kennedale 30-27.

We don't get Tired!-2017

Creative Talent

KHS Talent Show

Talk about talent! Kennedale hosted their 2015 talent show on February 19th. There were 16 phenomenal performances that left the crowd wanting some more. The first place, N'namdi Jones, played the drums. Second place, '97 Gurls, danced an energetic routine. Third place winner, Tristen Langley, played and sang beautifully to an Ed Sheeran song. Other acts included a fast paced, piano piece played by Alison Villaire, lip sync by Brent Reed, Juwan Washington, and Garland Washington, and many more fantastic talents took the stage that Thursday night. This year, the audience had a chance to vote for their favorite performance by donating money for the senior class. The crowd voted Nick Autrey as the crowd favorite who sang a song by Cage the Elephant. Each and every performance left the crowd wanting more. The crowd roared when Our wildcats have talent!

Winner Nnamdi Jones showing the audience his amazing talent on the drums as he plays to a mix of drum music. Nnamdi recieved a cash prize. **Second** place went to the '97 Gurls who stomped and tumbled the stage sending the crowd on an uproar. The '97 Gurls included 5 seniors: Madison Moss, Taleah Hertford, Treazür Hertford, Maiya Burgess, and Hailey Patterson. **Third** place went to Tristen Langley singing the song "Thinking Out Loud". **Awarded** crowd favorite, Nicholas Autrey sang and played the guitar to "Cigarette Daydreams". **Alison** Villaire played graceful to the song Maple Leaf Rag on the piano. The band Fraudlent Illness performed an original piece. The members include singer Dylan Laricchia, drummer Mario Llamas, and guitarist Jacob Marshall.

“

KHS students have many hidden talents and the annual talent show is our favorite way to showcase the many different skills our wildcats practice outside of school.

Playing for the Cure

Breast Cancer Awareness Month

During October, KHS supports breast care awareness by "playing for the cure" every year. Volleyball and Football both play games in the month of October, decked out in pink from head to toe. The LadyKats Volleyball team help raise money by selling pink out shirts to all students, donating two dollars from each shirt to a nonprofit organization. There were also pink balloons sold this year at the football game and the money raised was donated to the same organization. The balloons were released into the air representing those who have passed away due to breast cancer.

An estimate of \$600 was raised. Before the games, the student body and faculty help put together a very special pep rally. The cheerleaders performed their traditional pink out routine that everyone loves, showing the breast cancer symbol at the end of their routine. The LadyKats had a great pink out game winning by 3 against Venus. The wildcat football team also had a successful game winning 58-10 against Springtown. Well done, great ways to represent Kennedale!

Senior students and cheerleaders come together to prove to Kennedale that they're the loudest of all the classes.

Lets Play! At the pink out pep rally, students from every class were chosen to participate in a game to represent unity. The game consisted of everyone holding hands in a circle and getting through a hoola-hoop. The class who got the students through the hoola-hoop the fastest won. Everyone did a great job but, the sophomores were the fastest!

2015 - The senior class helped make a banner representing not only their class year but the Breast Cancer awareness symbol as well.

Band! Our wonderful Wildcat Band wore pink bandannas during the pink out football game.

KHS cheerleaders annually prepare a dance routine in honor of breast cancer awareness. They show their support by wearing pink out shirts with their uniforms and at the end of their performance form a pink bow.

Senior, Chance Bishop running and diving for a touchdown in the pink out game against Springtown. The wildcats, with as much spirit as there was at the game, came out on top 58-10!

13 behind the Years

96 seniors! Class of 2015 had 96 dedicated seniors who have stuck together from the moment they met each in Kindergarten. This number far exceeds the number of committed and enthusiastic seniors from any other graduating class in the history of Kennedale High School. We took the seniors back to their origins here in the Kennedale ISD—the elementary playgrounds. The playgrounds represent the location where many of their memories were created from lasting friendships to first kiss at the swings to telling secrets at the slides. While the seniors are 16-18 years old, they couldn't resist the urge to play hopscotch, four square, or tetherball. From the first moment of bonding over being able to spell their name, these 13 year seniors built the foundation of this graduating class. James A. Arthur was an exciting moment for them all as they finally got to see James F. Delaney and R. F. Patterson Elementary unite. That was one of the first steps of this class not only uniting as individuals, but also as a whole class.

James F. Delaney Elementary seniors near the monkey bars hanging upside down and just being 7 year olds again. **Jennifer** Pham, Lilly Montes, and Emily Beck recreating their favorite moment while sliding down their childhood slide. **Gage** Tijerina flying off the swings, a metaphor of him jumping from childhood to adulthood. **Ashley** Jones, Emma Reed, and Sabrina Allen playing a classic game of hopscotch. The large group of seniors from Patterson hanging out at the slides. **Davis** Walsh and Ashley Jones, childhood friends, climbed to the top of the playground sets for a stunning picture capturing a lasting moment.

Growing up with this kid was more than an experience, it was an adventure/pain in my butt.

Diverse

FROM EVERYWHERE

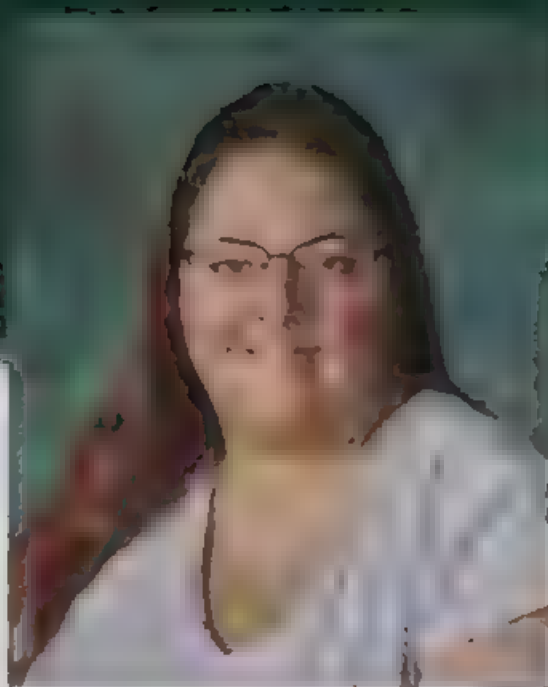

Sophomore, Sapna Noorzad came to America 9 years ago from Afghanistan when she was only 7 years old. She plans to pursue a career in the medical field.

Junior, Aschea Hassen is full out Ethiopian who visits her family many times back in Ethiopia. She strives to become an emergency physician. Both Sapna and Aschea showcase KHS diverse campus.

Senior Superlatives

Making An Indelible Impression

In 20 years, Class of 2015 will flip through this page and relive the four years of high school through the senior superlatives. We will remember our most athletic athletes, our chatter boxes, and our king and queen procrastinators. The favorites of the Class of 2015 were voted upon by their classmates. Each senior superlative exemplifies characteristics that were

obvious to the senior class. Although there were only nine categories and eighteen superlatives, the senior class had two hundred thirty three graduates with superb attitudes and talents. As individuals, they positively represented Kennedale High School on a daily basis. These superlatives are just of few seniors who left their lifelong marks here at the high school.

Team Bowens

We Are Family

Team Bowens was formed by the students and staff here at KHS as a driving force of positivity for Ms. Bowens, one of the most loving and selfless teachers here at the high school. Ms. Bowens was diagnosed with a rare form of cancer near the end of the first semester and as support, Team Bowens was formed to help her in any way we all can and to show that we all care and are here for her. She doesn't need to go through this alone and isn't, as shown by the support and enthusiasm of the students and staff. It is a hardship, but with the backing of others anything and everything is achievable. Here at KHS we are family. To help Ms. Bowens in her time of need we have accomplished and are undergoing many events such as the Team Bowens T-shirt sales, a handprint in the 800 hall by the mural and many other events. With the T-shirts, all proceeds went to Ms. Bowens as well as the same with the handprints both were done in order to help Ms. Bowens. Developing cancer can change a person's life immensely from financial state to every little aspect of life but at KHS we are here to help, we are here to be positive and enthusiastic. Ms. Bowens is supported, Ms. Bowens is loved, and Ms. Bowens is admired. We are Family and We are Team Bowens!

How has Ms. Bowens impacted you?

"Her lovely spirit is beautiful and I like how everyone feeds off of her energy."

-Maestra Stephani

"Ms. Bowens is a true inspiration for all of her students. I can always count on her to brighten my day."

-Carson Ham

Ms. Bowens...

"...inspires me to be a better teacher, person, and mother because she is always such a positive person."

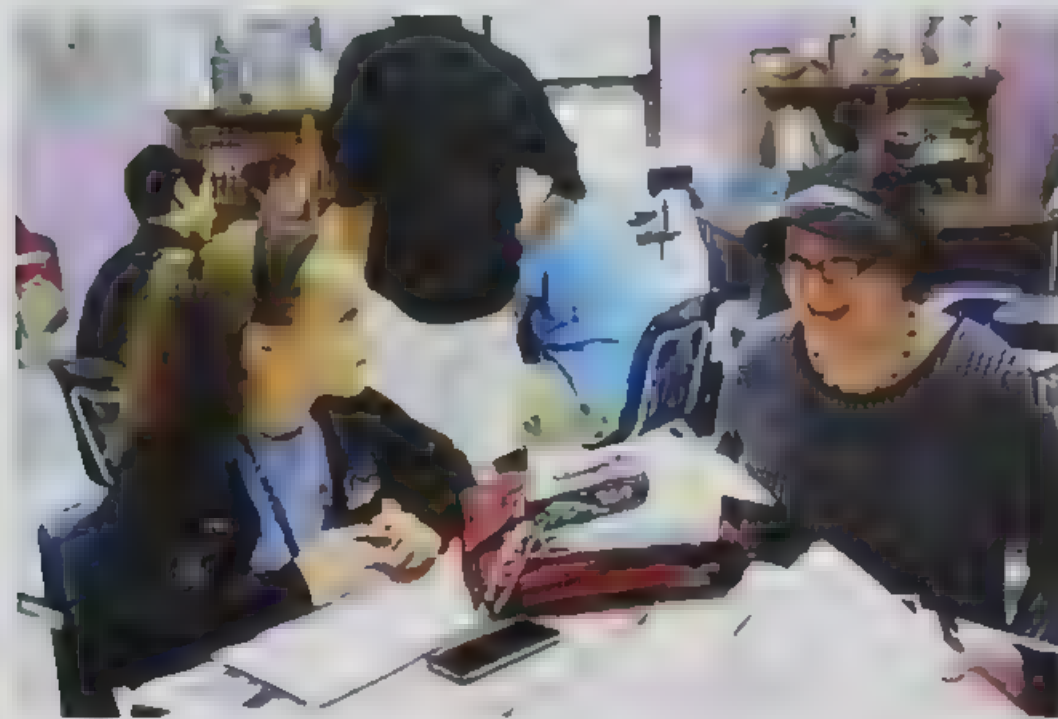

-Mrs. Cook

"... loves her students more than anyone else I've seen and she has a beautiful smile."

-Mrs. Hadaway

WE
are
FAMILY

Ms. Bowens engaging with one of her students about biology and her favorite topic of all DNA. Her heart-warming smile brightens everyone's day leaving a lasting impression and making her class more enjoyable and fun for everyone.

"She welcomed me as my first class of high school and has been there to guide me ever since. She's a strong, kind woman and I'm very grateful that she's here."

-Vicky Huggins

"She's one of the sweetest [teacher] I've ever met and probably will ever meet."

Fearless

ELITE ATHLETES OF KHS

Saying that the football players were fearless this season would be an understatement. They were wildcathearted!

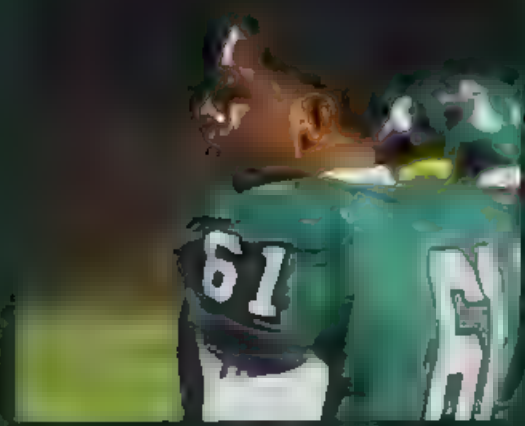

Jaz Poe is one of the daring and bold athletes that the Wildcat nation witnessed this year.

#ALLGASNOBRAKES

Senior, #61, Chris Rhinehardt said what he's going to miss the most is the Friday Night Lights. "There's nothing like going out there with your team to get the win, that you know you deserve because all the hard work you have put in every day at practice."

Sophomore, #52, Colton Hall says for some people, football is a pastime. For him, it's a way of life. This season was one of his greatest experiences, and he grew very close to his teammates. He's always proud to be a Wildcat!

Sophomore, #62, Nic Stroud states that he had a great time getting close to his teammates, and he is honored to have had the opportunity to be a part of the 2014 Varsity Football team.

Freshman, #51 Andrew Flanagan says despite his nerves of being with a new team, he was soon reassured by how quickly his teammates accepted him as the only freshman on varsity.

Taking down the runner, #8, Dominique Doss, helps out the team, preventing a possible opposing touchdown.

The Wildcats stand in line, showing their American pride as they listen to our National Anthem.

Ready to get started, the boys stay focused to claim their next win.

Sprint to the ENDZONE

We Not Me

For Kennedale High School, football is the virtue that defines and sets the tone for the fall season. And this year did not disappoint.

The Wildcats had an undefeated regular season and head to the third round of Class 4A state playoffs, for the first time in 13 years. They finished their season with an unforgettable 12-1 record.

The Kennedale Wildcats are not just a football team; they are a family. They work together. They practice together. They play together. They win together. Throughout lengthy practices and strenuous games, the boys consistently prove their loyalty to each other by persevering to the end. Just like wildcats scratch trees to mark their territory, our wildcats mark their territory with their cleats in the end zone! Although there are many different species of wildcats in nature, there is only one wildcat in sports. We are the Wildcats.

Getting ready for the game, #93 Isaiah Franklin, #60 Cody Kovar, #20 Juwan Washington, and #5 Jake Michener stand as they wait for the coin toss results.

Lined up for the play, the Wildcats are ready to take the field and dominate.

Avoiding the opposing team, #20, Juwan Washington is gaining yards on his way to a touchdown.

Lead by Austin Zimmet, the flagrunners show Kennedale football pride.

Running the ball, #26 Ronald Hayes is in the endzone improving our score.

“I am very proud to be a part of team Wildcats! This season was the best I have ever been a part of because the players believed in each other and played hard. Snap to whistle!

-Coach Littleton

Attitude

"Our JV and Freshman football teams worked harder and harder each week getting better to prepare them for the future."

-Coach Casey

Going through pre-game drills, #4, Mayfield Hayes is going to help his team get the win. **Standing** in a huddle, the freshman football team get pumped about their game.

Being told the play, Junior, #26 Austin Buhrkuhl gets ready to take the field.

Under the lights, #7, Zack Seismore stands and waits for the clock to start. In their stance, the boys intimidate the other team and get ready to make their play.

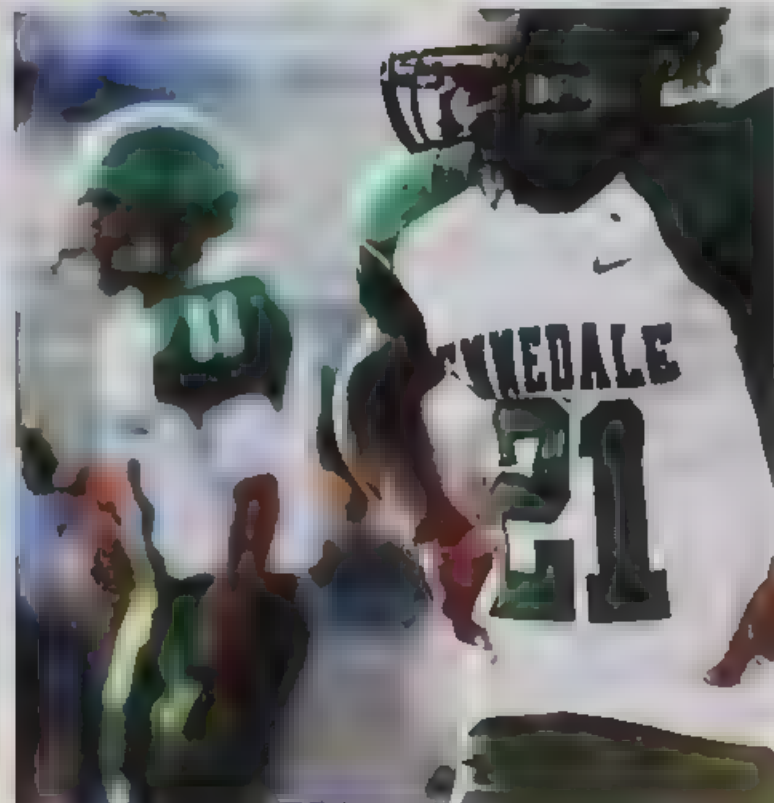

JV & Freshman

GOING ALL THE WAY

Kennedale's JV Football team finished the year with a 7-3. They vigorously worked and excelled tremendously throughout the season.

Kennedale Freshman Football had an amazing year. They were undefeated in their season making our fans and school proud.

As a school and community we are very much honored to have such a hardworking group of boys to represent Kennedale.

Carrying the ball down the field, #40 Devan Mason is heading in for a touchdown. #21, Jakahri Stafford stands and looks at the field where their team is about to win on.

FANS OF OUR TEAM

The Roper family says they love coming to the games to see their sons excel. They also love watching them play the game they love.

Richard and Penny, the parents of Christian Warren, have been proud supporters of their son and the team by attending every game since first grade.

Up and Over

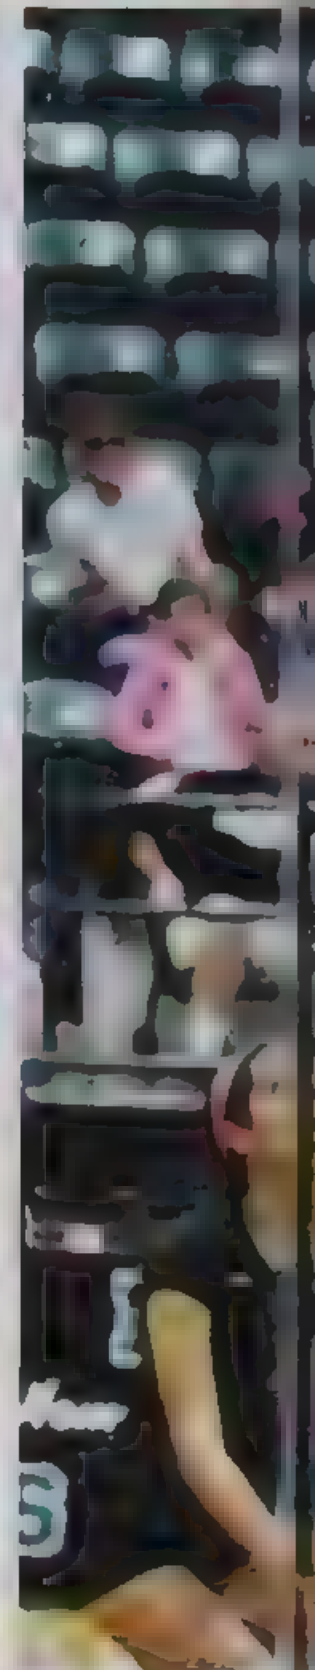

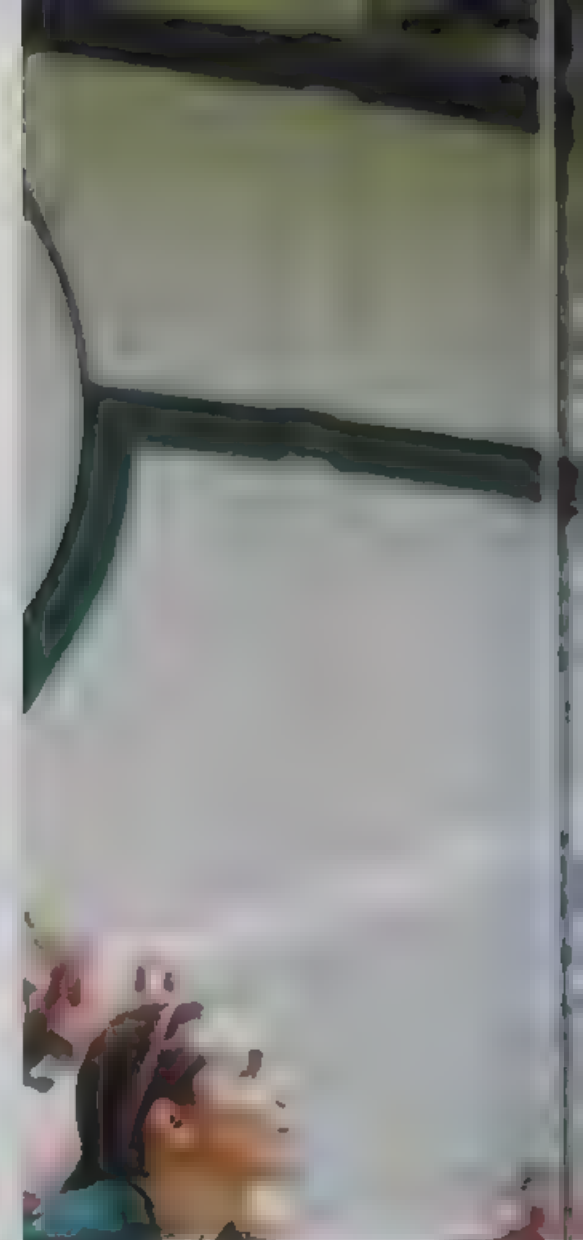

NEW BEGINNINGS

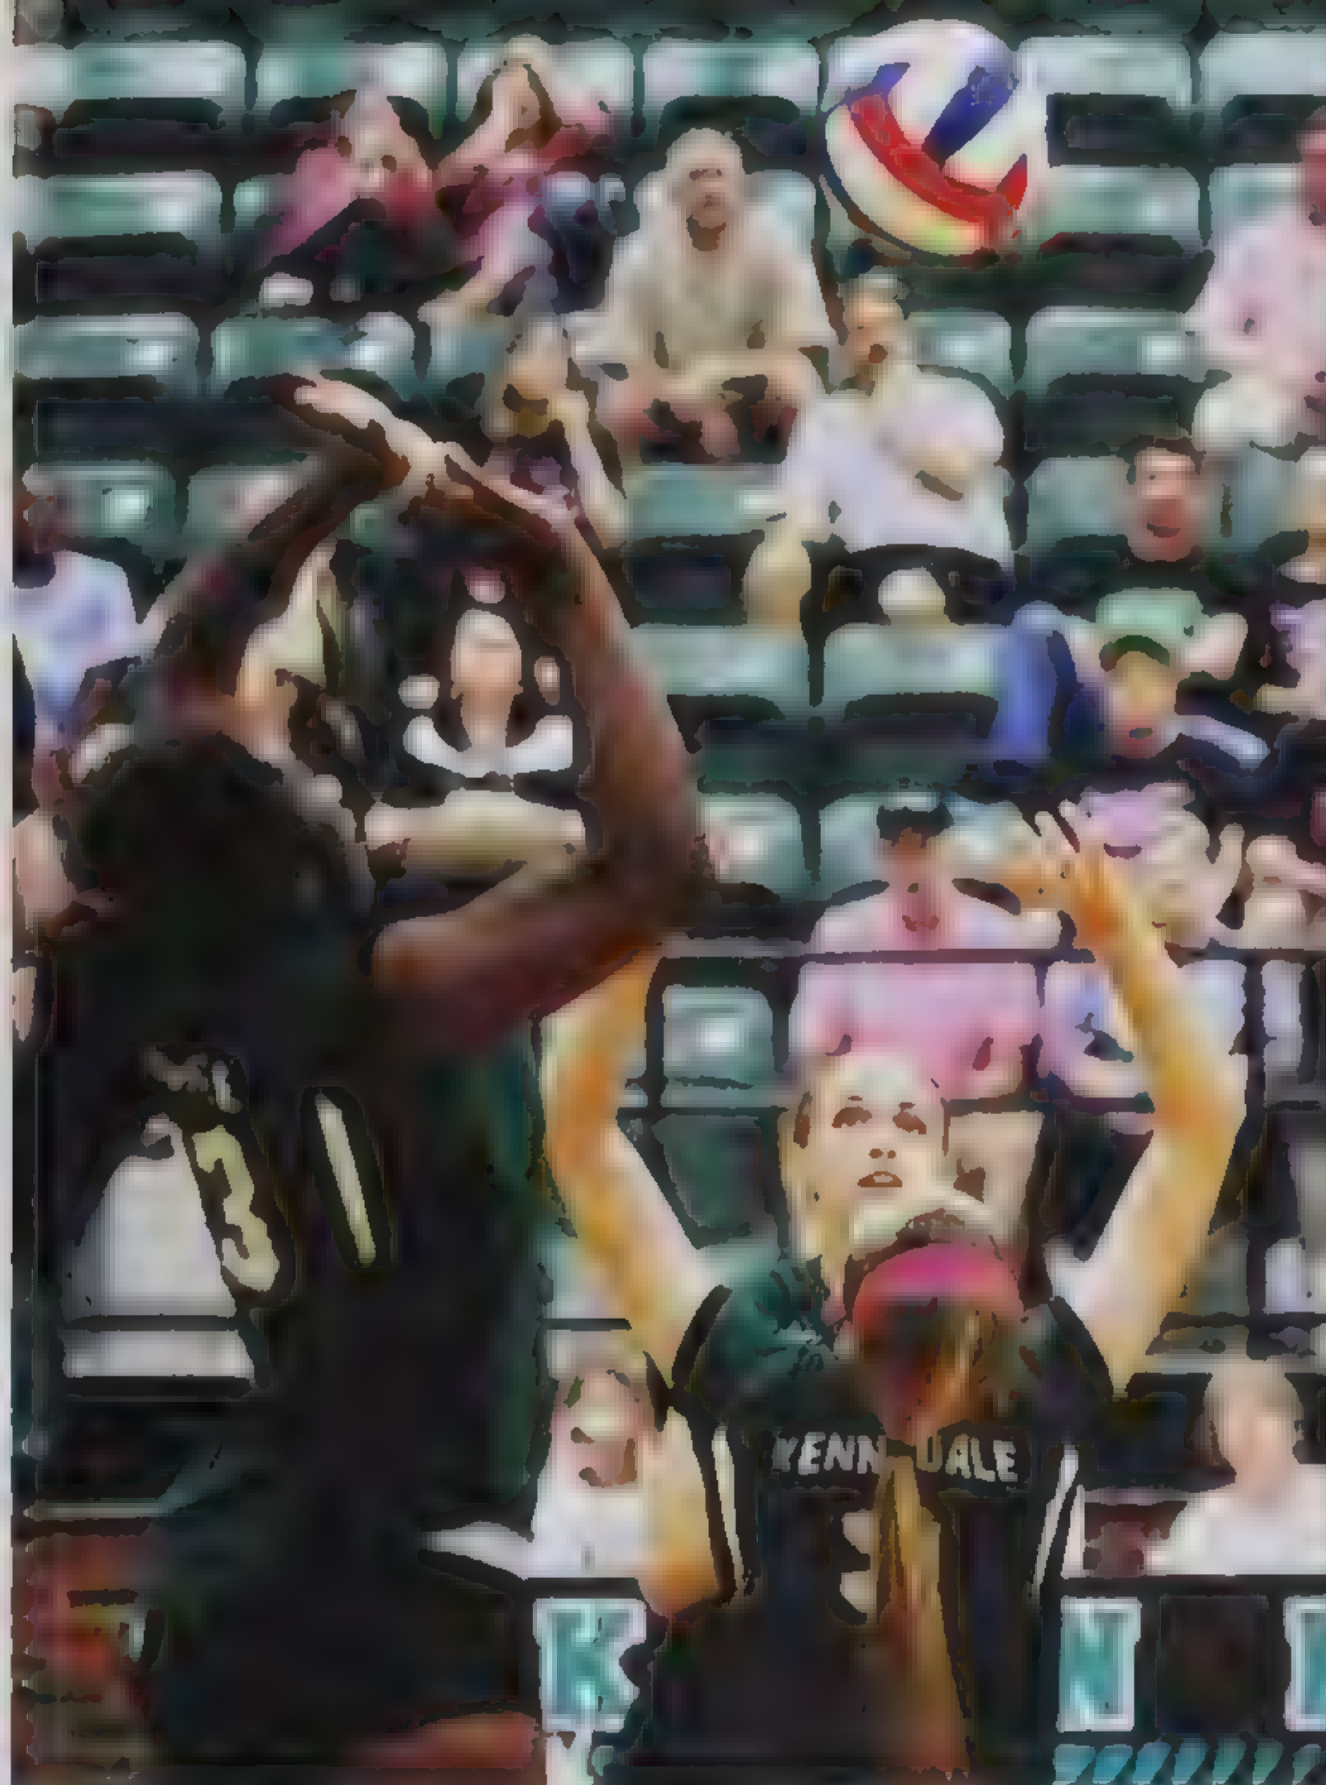

The Lady Kats welcomed a new head coach this year. Coach Patterson revamped the KHS Volleyball program. Her coaching style lead the Lady Kats to a 9-1 record. Their record was proof of a successful and victorious season. The Lady Kats played well and worked hard enough to make it to the UIL Playoffs. Their first game was against Lake Worth and they pulled it off to sweep the bullfrogs. In the next round, the Lady Kats played against Abilene Wiley. Although the girls fought hard

and pushed their limits, they came up short. Even though the Lady Kats didn't advance to the next round they made the entire Kennedale community extremely proud.

The Lady Kats had a fantastic season filled with laughter, joyful tears, and tournament victories. The team had six seniors that will graduate this year. The KHS Volleyball program will greatly miss each and every one of these young ladies. The 2014 season was definitely one to remember.

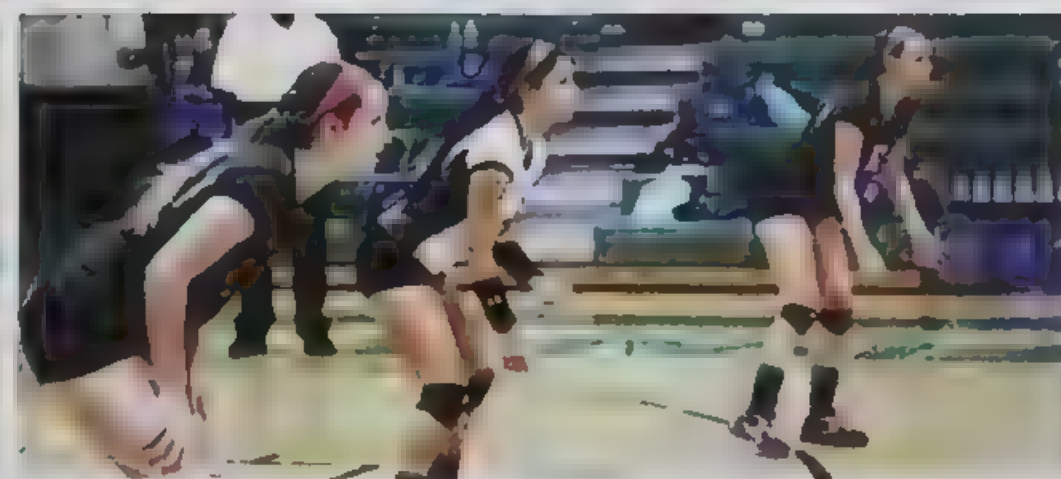

Jumping to stop the ball from going down on our side, #2 Darby Smith is ready to prevent the opposing team from scoring. **The** LadyKats celebrate on the court as they excute their play. **Ready** to hit the ball that #9, Kendall Vondra set up, #13 Jasmine Ali is determined to score. **The** team is standing together before the game and puts all of their focus into winning.

ACE!

Junior Kendall Vondra sets up Junior Jasmine Alli for a spike. The 2014 volleyball season was full of powerful spikes and graceful sets. This team worked together to successfully execute difficult plays. Their hard work paid off as they defeated their rivalry, Godley. They won two out of three games which declared them Bi-district Champions.

#12 Ashley Jones, #5 Danielle Hedglin, and #10 Emma Riffe are all prepared for the ball to be served.

Running in to spike the ball that #8, Kylie Foster has set up for her, #3 Raeley Crosley is ready to score against the other team.

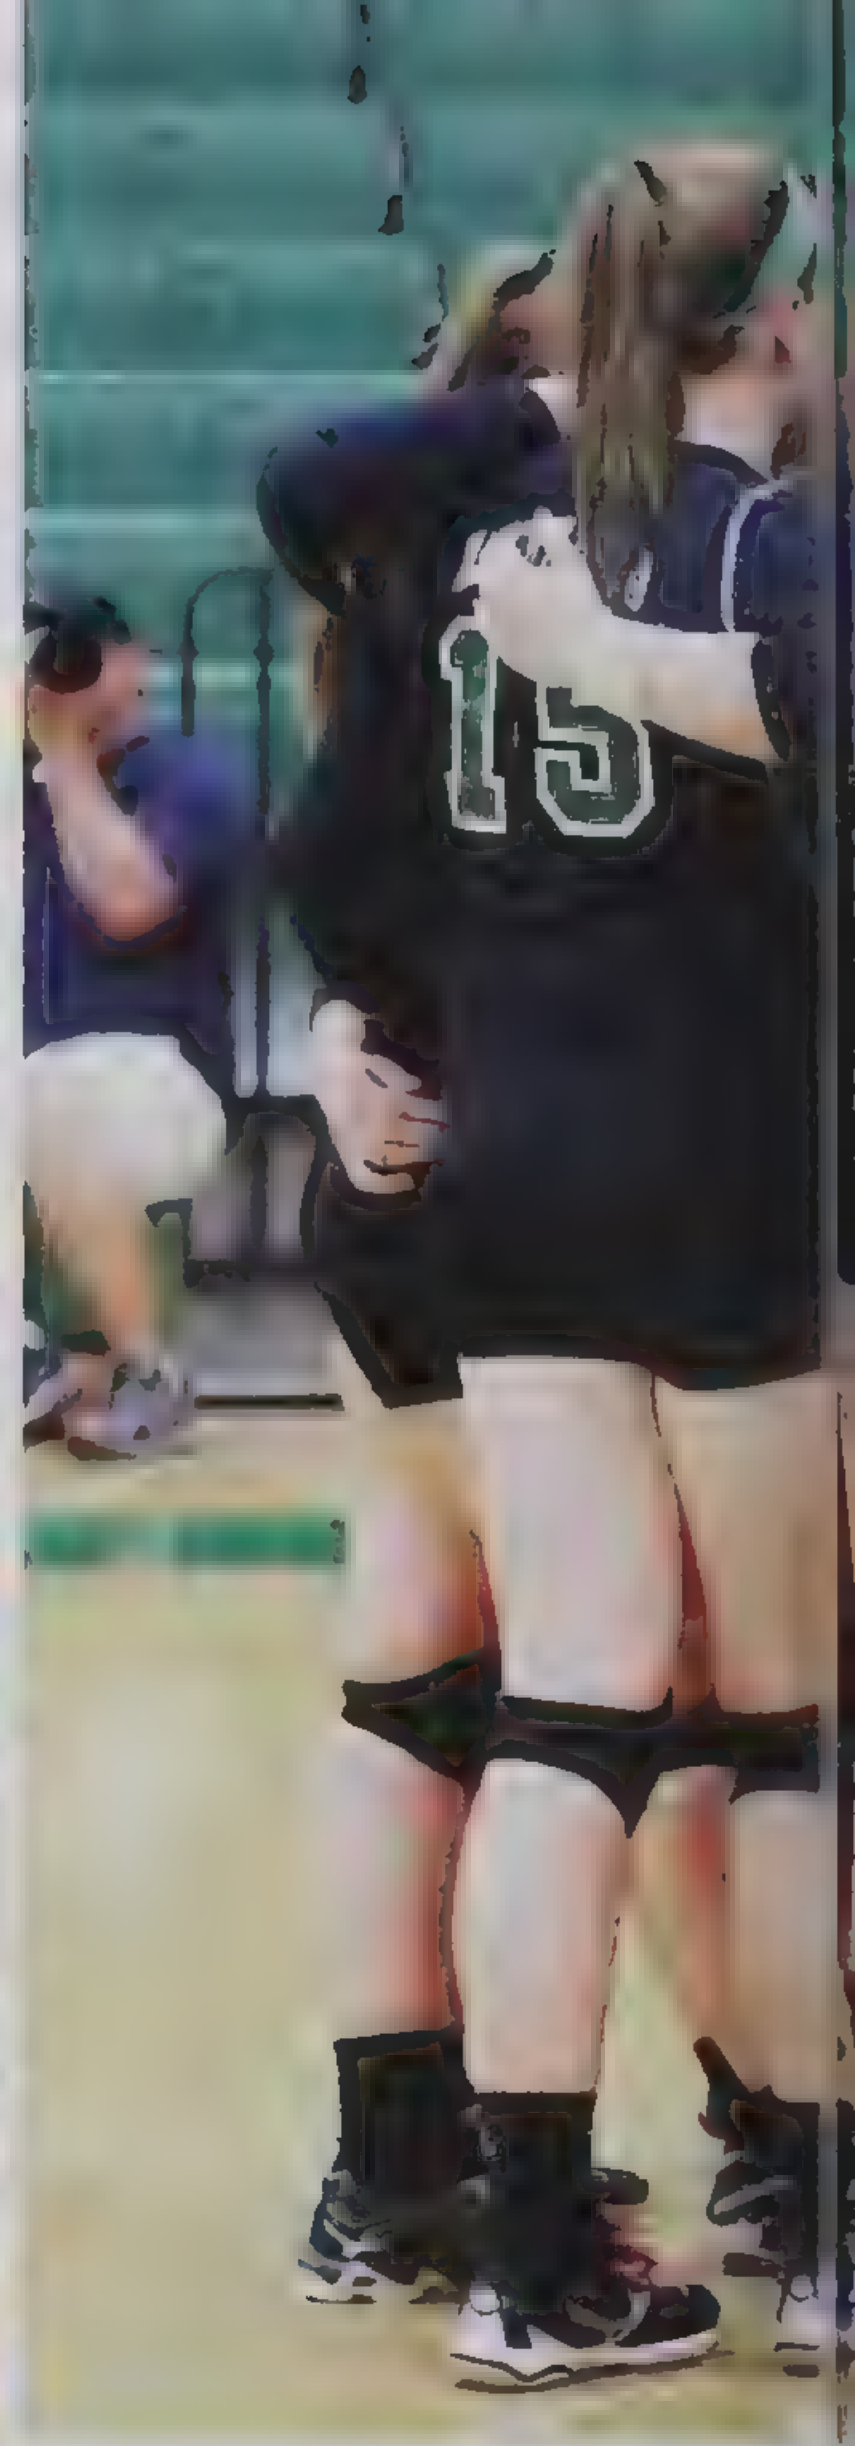

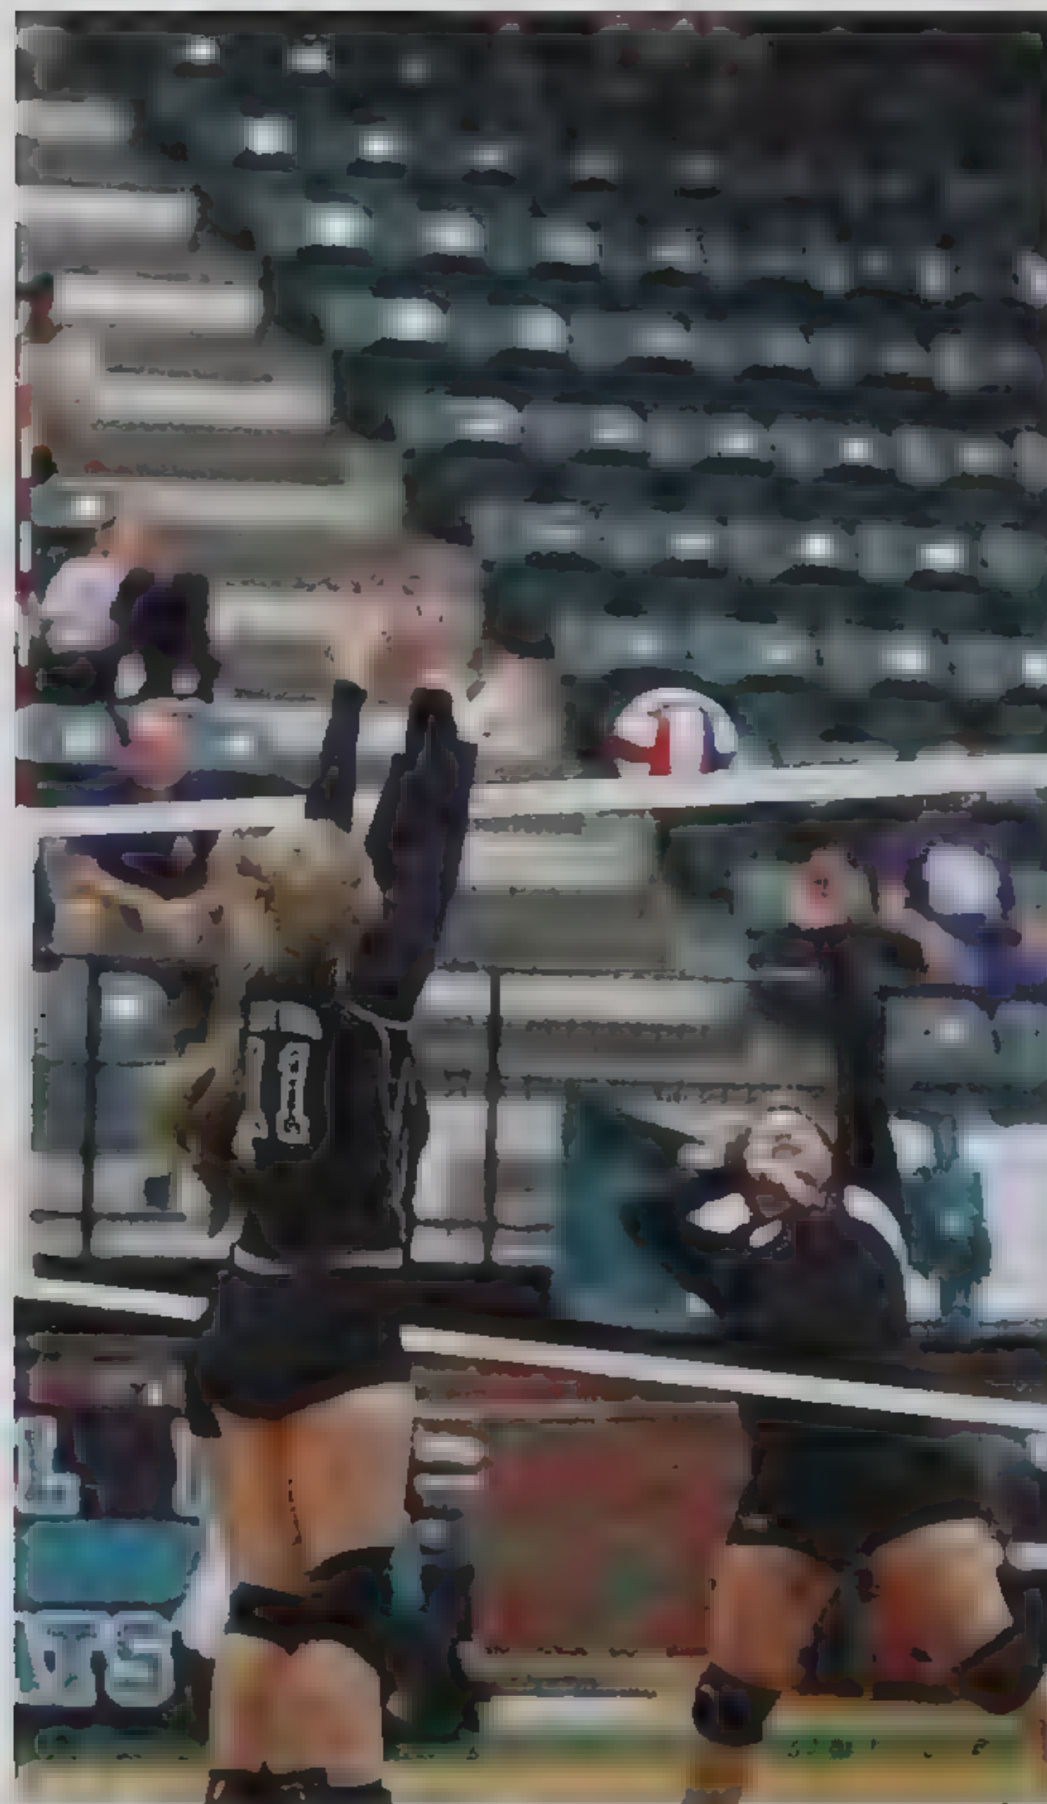

What is your favorite memory?

Senior, Sabrina Allen said one of her favorite memories of volleyball season was making up chants for each time they scored. She also enjoyed the inside jokes that were shared between each volleyball player. Sabrina will cherish all of the memories made during her senior volleyball season.

MOTIVATION

The most important skill an athlete can possess is motivation and the two teams do not lack it.

Sophomore #11, Alissa Boubel blocks the ball to fight for the win. Our Lady Kats played very hard this year each and every game and never gave up. This resulted in a magnificent season.

Freshman #2 Madison Mills spikes the ball over the net. This well played move helped the team earn points on that game.

Sophomore #16 Jodi Dixon is caught in action working hard to set a play. The picture shows our team's teamwork and efforts to earn the win.

JV & Freshman

SERVING IT UP!

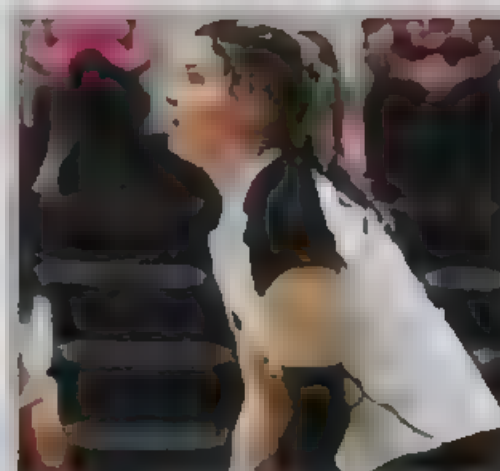

The volleyball girls had a phenomenal season. They stepped on to the court with absolute confidence every time. Our Lady Kats showed everyone what they were capable of and left their all on the court. The girls played their hearts out every game. Overall they had a stupendous season.

The volleyball program had a new Junior Varsity coach this year, Coach Muzzi. This is her 11th year coaching. She also coached swimming for two years. She has taught in Texas, Mississippi, and Florida.

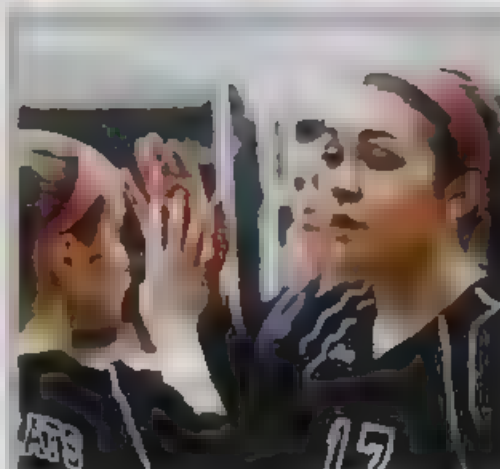

Two team players are caught in action in the pictures above. Sophomore #11, Alissa Boubel serves up the ball. Freshman #3 Kiarra Blaylock working hard to hit the ball over the net.

PUSHING THE LIMITS

"Our season was really great and I love how Coach Patterson pushed us harder and harder each practice so our team could be the best they could be."

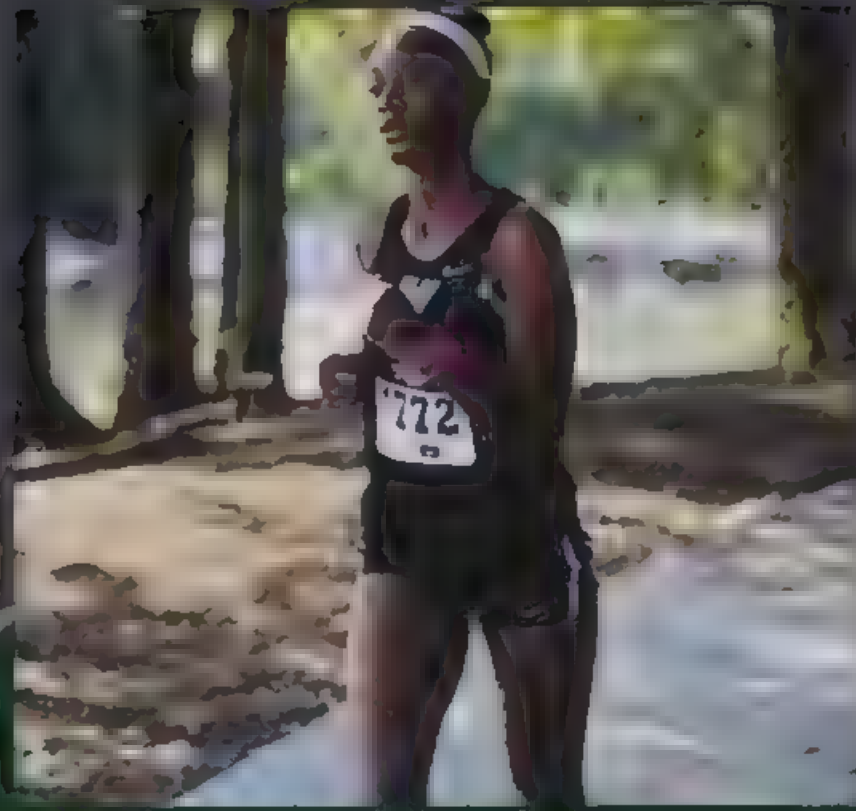

-Karlie Spell

"This season was awesome because our team did great and I got to play with all of my good friends. Each one of us learned a lot and grew stronger."

-Ashley McElvany

Our sport is
your sports punishment
-Coach Strange

Junior Nia Brown triumphantly completes the last mile in a meet. **Sophomore** Jordan Washington and **Junior** Tyler Charbono compete for first place in the district meet. **Senior** Cameron Christoforo concentrates on crossing the finish line. **Junior** Claire Hamilton passionately runs the race with the other competitors trailing behind.

The boys sit behind the girls as they anxiously wait for them to cross the line. The girls nerves hit them as they are at the starting line standing next to there rivals Alvarado Indians. With joy and excitement they finish the race in second place overall.

Crossing the Finish Line

RUNNING WITH HEART

Our Kennedale High School Wildcat Cross Country team is always determined to finish on top. With their strength and willingness to never give up, they were able to have a successful season.

The boys' team started off the season with their first meet at Carrollton and ended it with Tyler Charbono in 1st place for JV. For Varsity, Marc Johnson finished in 9th out of 82 runners. For the varsity girls team in the XC Flower Mound Meet Sophomore, Jamie Najar placed 15th and

Junior, Nia Brown placed 20th overall in 5A and under.

Later on all Cross Country teams went to District and Varsity Boys and Varsity Girls took District 4A-7 Runner up. JV boys got first overall with District Champion Sophomore, Jordan Washington and runner up Junior, Tyler Charbono. In October, both Varsity Boys and Girls went to regionals and had a phenomenal representation of Kennedale, and we are very proud of them.

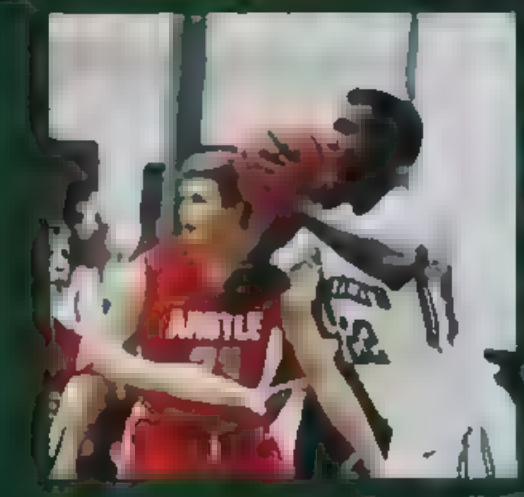

Dominique Doss Jr. plays and practices with the mentality of "The more you sweat in practice the less you bleed in battle."

Kole Hohenberger joked about being the last sibling coached by Groff. "The real victory this year is Coach Groff successfully making it through three Hohenbergers."

Nick Autry has devoted years to the game of basketball and his love for the game has grown tremendously. Autry simply stated, "Ball is life."

Vance Hughes reflected on his theme and also the Varsity's theme. "The team's motto is All Hands In, but mine is Hand Down Man Down!"

Aaron Chavez concentrating as he is shooting at the free throw line.

Dominique Doss Jr. dribbles around the competition to take the basketball to Wildcats side of the court. Colton Otts with his athleticism jumps higher to get the ball into the Wildcats hands to make some points.

NOTHING BUT NET

Wildcat Nation

The Wildcat Varsity Boys Basketball had an amazing season with 24-7 record. We are extremely proud of our boys this year.

The Kennedale High School varsity basketball players are the definition of hard work, determination, and unity. They practice diligently to achieve success on the court every Tuesday and Friday night. The Wildcat program is an exceptional organization to be apart of. We continue to see them excel every year and the 2014-2015 season isn't any different. At every game they impress the crowd with their ability to fight until the last buzzer. Varsity has six seniors that will graduate this year. The program will definitely miss each one of these gifted players.

Junior Brandon Conwright intensely defending his opponent. We saw a lot of his defensive skills throughout the season. **Senior** Vance Hughes following through for a jump shot. He has been one of the lead scorers since his freshman year. **Junior** Darius Hammond focused as he dribbles the ball. **Junior** Colton Otts scoring an easy two points. Each one of these players played a huge role in the Wildcats' successful season.

“The intensity of the game is why I always come out to support.”

-Joe Watson

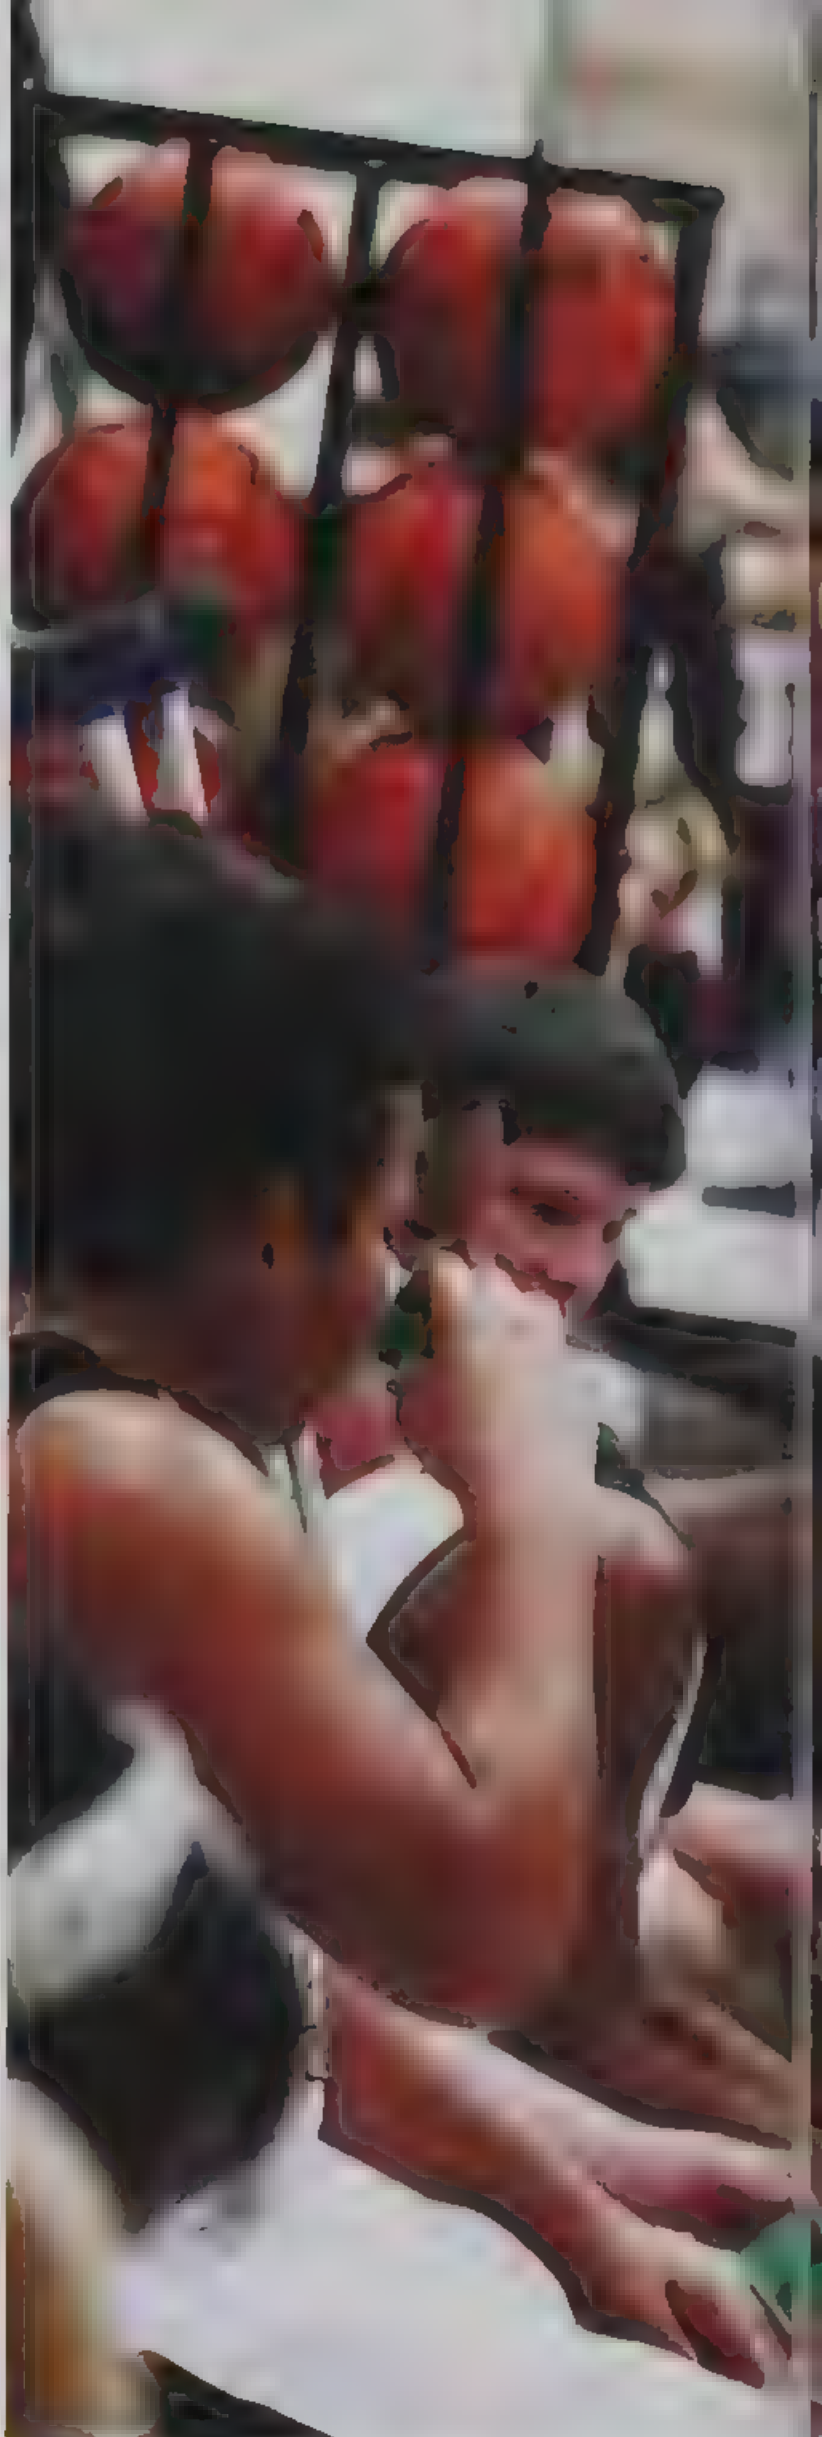

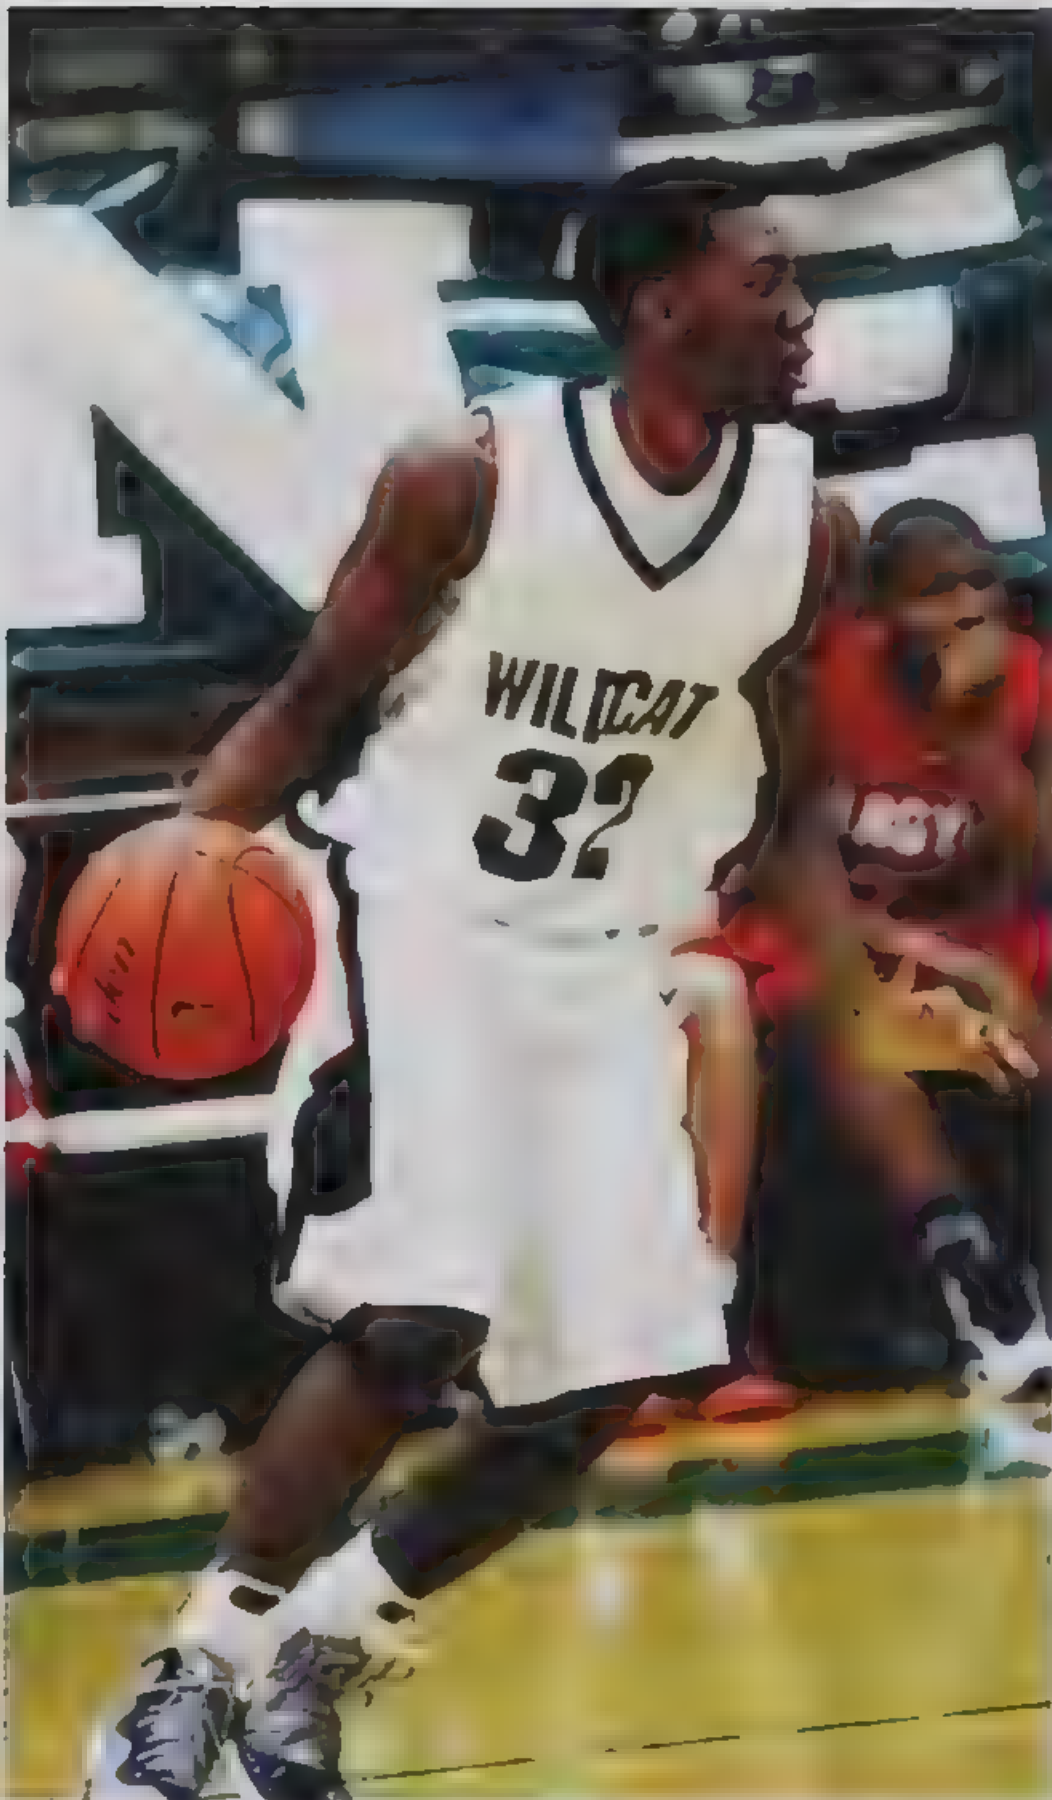

Commitment

"Failure to prepare is preparing to fail."
-Coach Munson

Junior, #32 Michael Aldridge dribbles the ball across the court as the crowd eagerly waits to see if he will pass the ball or take a shot at the basket..
The freshmen team taking a timeout, with their Coach Casey, to talk about their next play during an intense game against the Argyle Eagles.

Sophomore #22 Cole Carruthers looking for an open Kennedale player to pass the ball to.

Freshman #24 Devon Stapleton passing the the his fellow teammates.
The JV basketball team huddled around Coach Munson to hear his words of encouragement and advice before they start the game off against Alvarado.

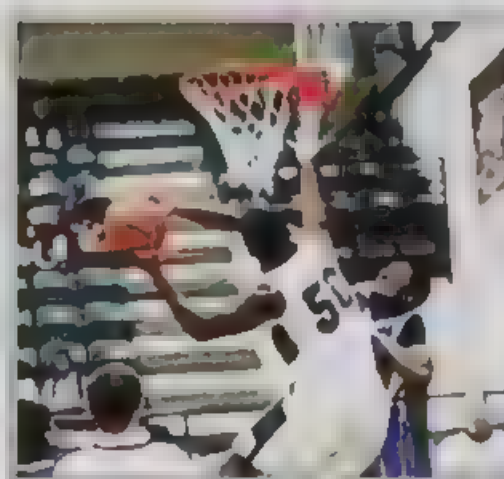

JV&Freshman

Future Varsity Players

With hard work, dedication, and thrive for success, the Kennedale High School JV and Freshmen team had an outstanding season. With a record of 23-8 for JV and a record of 27-4 for freshmen, their thirst for winning was above and beyond. Beside them all year were their coaches, Matthew Munson for JV and Matthew Casey for Freshmen, who never gave up and pushed them to a limit where the players never knew they could reach.

Sophomore #24 Jason Pacheco has played a huge roll this season. **Freshman Tai Davis** jumps above the opposing team and makes a basket for Kennedale.

Junior, #50 Angelo Guyton jumps up to make the basket. Angelo put in nothing but hard work and endurance this season making it the best yet.

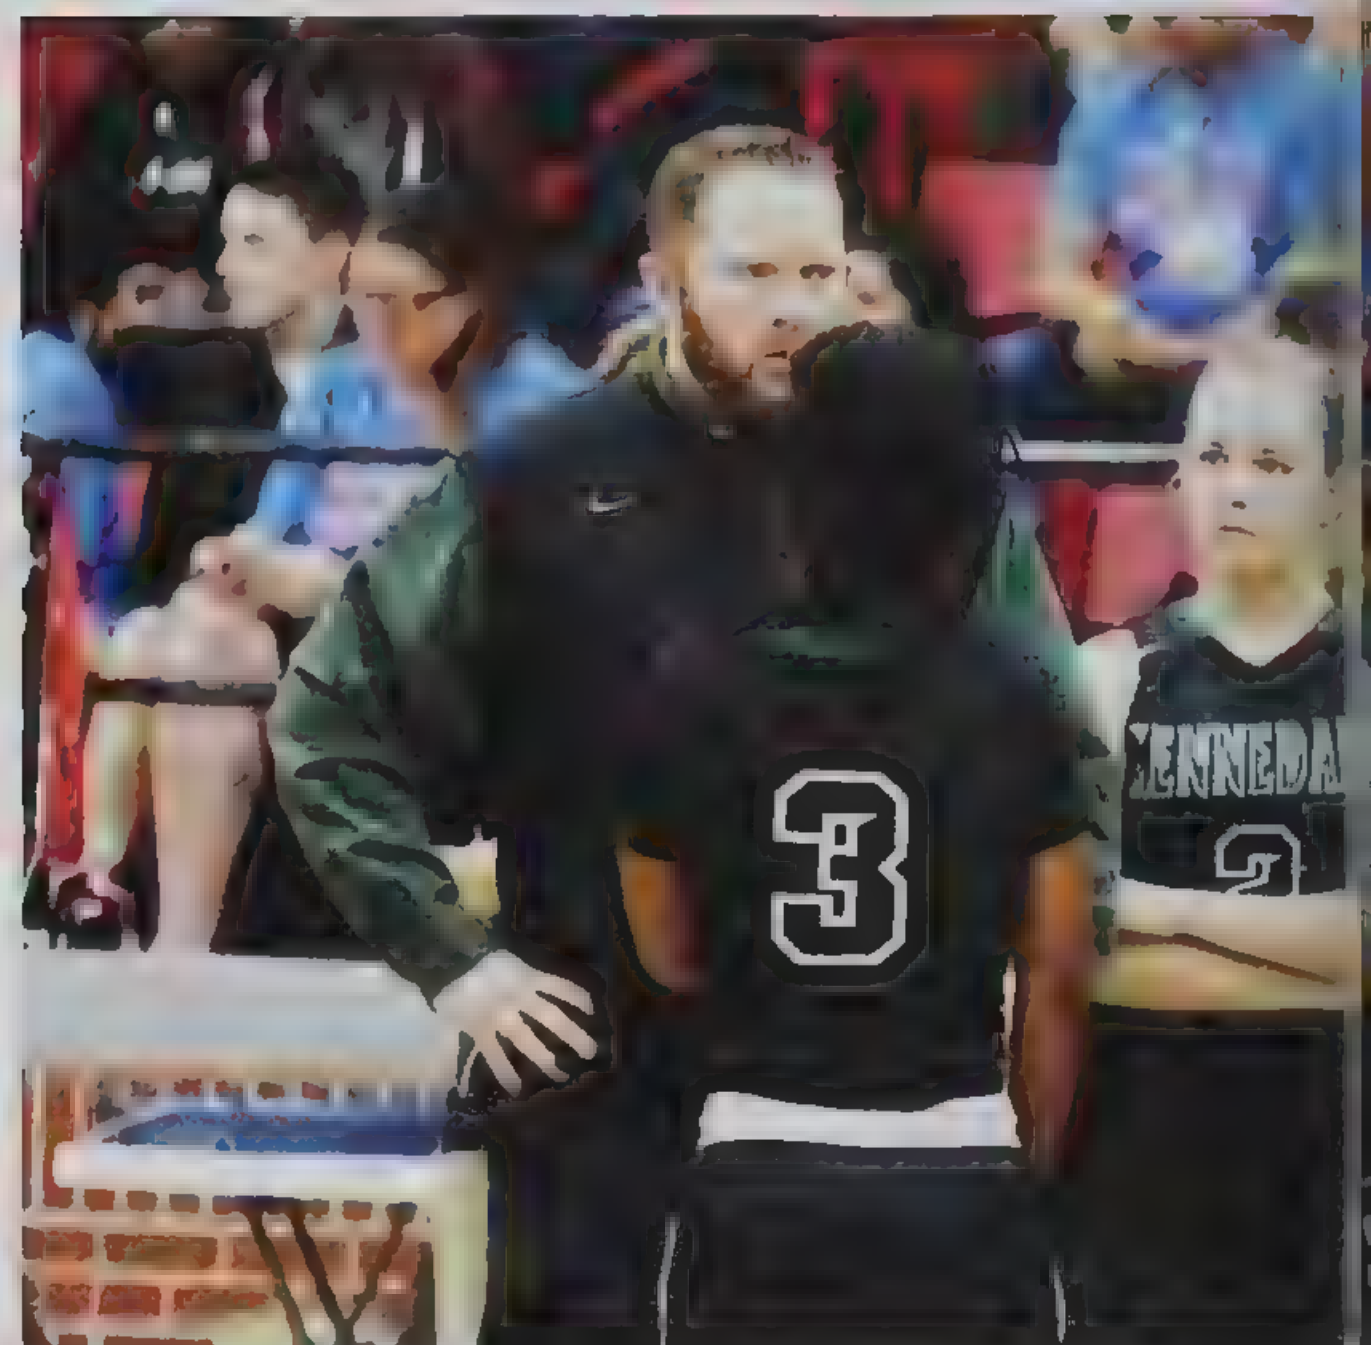

Freshman, #32 Bryce Hackett stands on the court uninitiated and ready to pass the ball to an open player. This team was swift and precise with every move they made.

MAKING BASKETS

Looking for an open player to pass to, #12 Brenee Ellis moves in closer to the basket. **The** varsity girls stand together as a team, listening to their upcoming play being given to them by their head coach, Coach Watson.

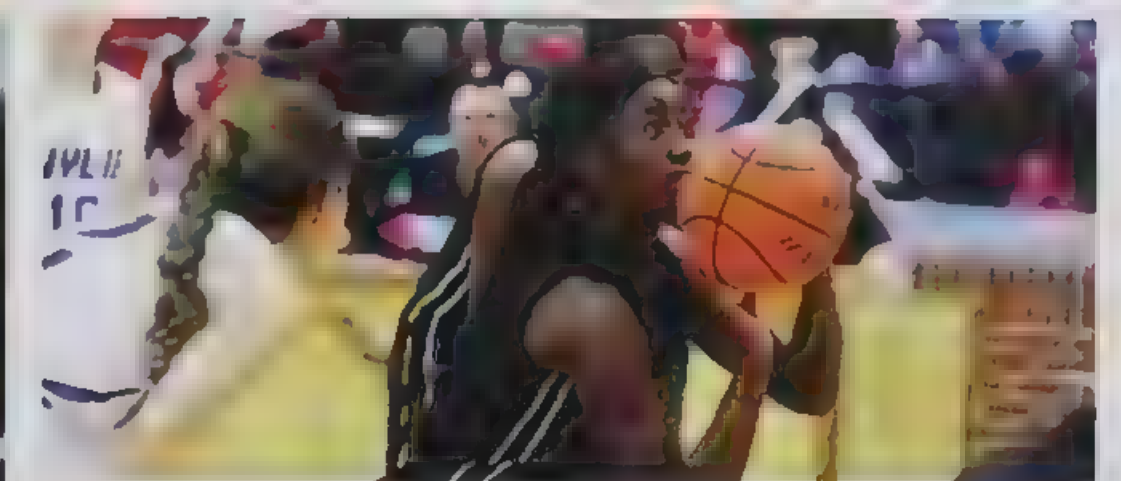

Holding the ball up, #24 Robbie Johnson is ready to pass to another player to make a great Kennedale play. **Huddled** together with their arms wrapped around each other in unity, the Kennedale LadyKats talk only positive talk as they are ready to dominate the court.

ALL NET

Standing at the free throw line, Senior, #3 Jasmyn Poe is gaining points and improving our score. All of the Varsity Basketball LadyKats worked together as a team to make our school and community proud to be a Wildcat. These hardworking girls were passionate about the sport they played and were committed to do whatever it took to be the best.

Pushing through the opposing team, #14 Lucy Benson perseveres and gets closer to the basket for a possible score and on the right Lucy is ready to make her free throw shot.

What will you miss most about basketball?

I'll miss game days, of course, but more than that, I'll miss seeing my team every day and making lasting memories.

-Jasmyn Poe

IMPROVEMENT

"Great season. The girls really improved from the year before."
-Coach Pope

JV&Freshmen

THE BEGINNING

Kennedale's JV and Freshmen Girls Basketball has been nothing but hardworking and committed to win. The players have proven that they are ready for whatever obstacles comes their way.

These two young teams see this season as a practice for their potential as future varsity players. Being a part of these teams means perfecting their skills on the court. That being said, we are proud of our JV and Freshmen teams with their great season.

#32 Taylor Austin passionately dribbles the ball down the court getting closer to the basket. **Coach Pope** is watching the game and preparing the girls that are about to go in and score for Kennedale.

thoughts about this year

"Being on the basketball team this year was a good experience and I had a lot of fun with my teammates."
-#1 Amanda Villanueva

"The best part about this season was winning championships together and how close we got as a team."
-#12 Bianca Braz

Senior #11 Andrew McLaughlin says that he "didn't start playing until freshmen. I liked it so much, I knew I had to play all 4 years." He is extremely dedicated to our team.

Senior #2 William McLean describes this year as "a fun year with some cool guys and the best season [they've] had." He added that he thinks he "did really good this year."

Senior #9 Cameron Christoforo will be heading to the United States Air Force and says that he "will miss the games and friends" more specifically his closest friend, Marc Johnson, the most.

Senior #7 Guillermo Aceituno Ayala says that one thing he will really miss here at KHS after graduating is "playing soccer." He will be missed.

Getting the ball rolling

Making History

Kennedale High School's soccer team went beyond their expectations and surprised the community and their opponents.

For the first time ever, the Kennedale High School's boy's soccer team advanced to playoffs after destroying rival team Alvarado in a 2-1 game.

The team's energy and enthusiasm this year took them to the next level. This year team was not about showcasing their individual talent and skills with the ball on the field, but about exhibiting the entire teams talent as a whole. The seniors have been playing since freshmen and their hard work and drive to improve themselves surprised the opponents. We are very proud of our soccer program and their achieve would not have been possible without the help of their dedicated coach, Michael Strange.

#3 Aleksei Gonzalez advancing to score. #13 Marc Johnson dodging his opponents so he can score a goal. #12 Jared Birr receiving the ball and getting ready to go down the field. #4 David Ream playing around before a game. #6 Martin Marquez jumping to kick the ball. #17 Jordan Washington running heavily down the field to pass the ball to another teammate.

“

You can't really enjoy the game until you're in it.

-#9 Cameron Christoforo

Kennedale “more laid back”

#20 Allie Thornton plays both select soccer for Solar Chelsea ECNL and as part of our Lady Kat Soccer team. She describes the atmosphere of our fields as “more laid back.” She added on saying “it’s cool getting to play in front of all my friends.”

#10 Alondra Olmos with the kick to the goal during their winter tournament. #0 Sara Vazquez taking her stance as she waits for the ball to come to her, if ever considering our defense.

How would you describe your four years of high school soccer?

“Over the years I have made many great memories and lots of new friends. I could not have ended these four years with a better group of girls.”

-#2 Abby Key

and rent is due every day.
-Senior, Brent Reed”

The KHS women's powerlifting team did an outstanding job advancing from district to regionals, to just short of state. The team mostly consists of sophomores and juniors, so they will reach new highs next year. **Reed** squatting 570 and bench pressing 320 pounds adding up to his total of 1465 at the state meet. **Lindsey** squatted 400 and bench pressed 200 adding to a total of 955 and leading him to be the Texas High School Powerlifting Associations weight class 114's state champion. **Maria Lopez** dead lifted an impressive 310, bring her grand total at 790 at the THSWPA's regional meet.

Justin Lindsey dead lifting 355 pounds at the THSPA state meet. Kylee Howards squatting a 275 at the regional powerlifting meet, pacing third place.

LIFTING TO STATE

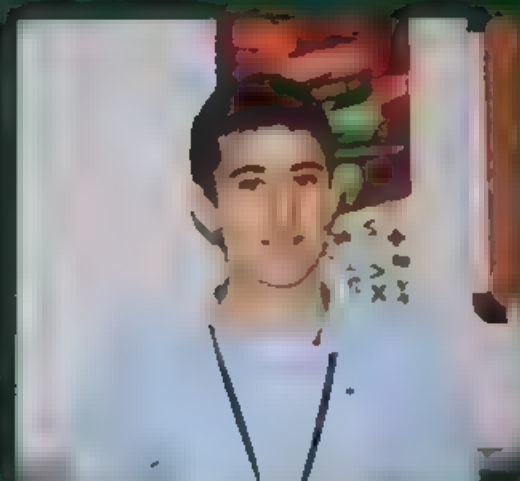

Kennedale's Powerlifters

Powerlifting is one of the many sports offered here at KHS. their regional and district meets.

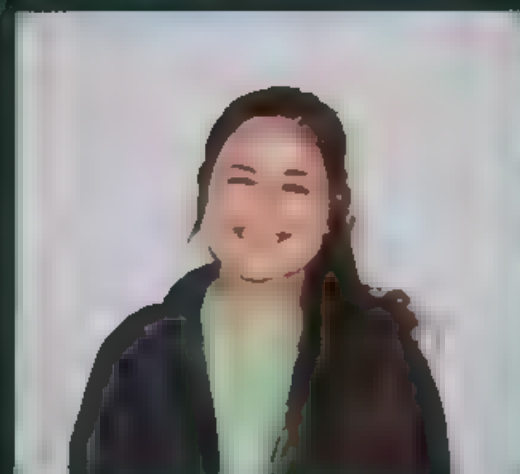

Our teams go to meets, not only to compete with other schools, but to also to compete with themselves.

Both boys and girls powerlifting teams advanced to State for the third year. Both boys and girls powerlifting teams pushed themselves harder than ever before, leading them to advance to State yet again. Although the coaching staff changed, the efforts of the teams were as high as ever- they won both

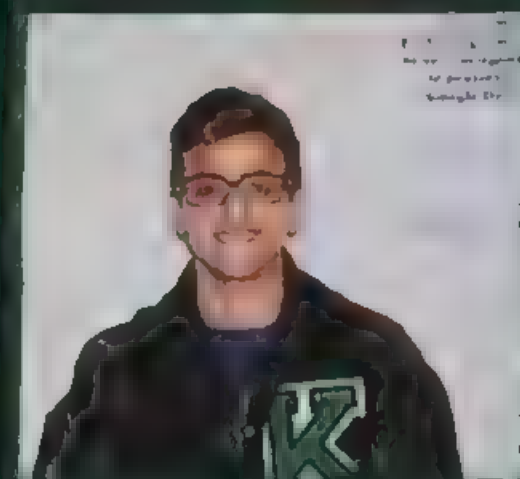

These teams consisted of extremely dedicated and devoted athletes, all of whom pushed each other to the breaking point in order to put a few W's under their belt. The new coaches couldn't have asked for a better group of athletes to lift them through the season, and the teams couldn't have had better coaches to train and challenge them.

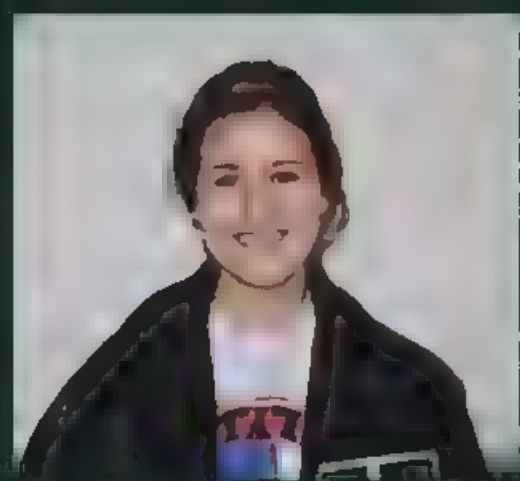

When asked about tennis, Pablo Cruz said "tennis is super duper cool!"

Senior Sabrina Allen said that she is "going to miss hanging out with everyone and having fun at all the tournaments."

Sammy Hamwi says that "some call me Rodger Federer, most don't." Maybe one day he will become the next Rodger Federe, until then we wait.

Chloe Roller said "playing tennis is great and it's even better when your best friend [Sabrina] is your double's partner." The two are partners in crime when it comes to tennis.

Sophomore, Jamie Najar swinging the racket with serious and intense emotion.

Sophomore, Dajia Simmons winding up to powerfully serve the ball. **Senior, Asim Ali** ending his most passionate pass over the net. **Senior, Eric Nguyen** jumping enthusiastically and with much effort to get his bold serve over to make a play in the game.

KHS TENNIS

The KHS Tennis program ventured into a new realm this school year as they had a Fall and Spring season. This was the first year and the team members proved to be successful during both seasons.

We are extremely proud of them as they continue to represent the Wildcat family in a positive light. Coach Padgett has taken the tennis program to new heights with the help of Coach Pope. The returning seniors finished their final season with an impressive record. Seniors Sabrina Allen and Chloe Roller have represented Kennedale well throughout high school as a double. The entire Class of 2015 tennis athletes have left their print on this program.

The underclassmen have brought a new, fresh energy to the tennis program. As the seniors leave and a new class comes next fall, they will continue the tradition that was in place before them. We are incredibly proud of KHS tennis and we can't wait to see what they have in store for the future.

DRIVE TO SUCCESS

Golf is a game of concentration and focus. Each of the Wildcats worked hard to perfect their swing. Although this is an individual sport, Wildcat Golf team support and encourage one another. They work as a team. Their goal, whether as a team or as individuals, is to aim, hit, and win.

Golf requires a clear mind as well as the ability to stay focused throughout duration of the game and our team does not fail to meet that requirement. Whether learning to drive, putt, or perfecting basic techniques, all the wildcats have enjoyed their time on the grass.

Making Waves

Just Keep Swimming, Blake

On February 20-21 in Austin, Texas, Blake Bunnell represented the one man Kennedale High School swimming program well and proudly, winning second place in the 500 freestyle with a time of 4:35.90 and third in the 200 freestyle with a of 1:42.53 at the State 5A UIL Swimming and Diving Meet. Blake began representing KHS since freshmen year and now he will graduate as the Valedictorian and a four year state qualifier at the UIL State Competitions.

Behind the Scenes Athletic Trainers

Through any circumstances, our Kennedale High School Football Trainers made it a constant priority to treat and prevent injuries. They learned many new skills and life lessons throughout the season. The trainers were always prepared for any situation and quick to respond when they were needed. Before each game they gathered around in a circle and prayed that the boys would stay safe and stay on top like they always do. In season and out of season, the trainers are a family and the trainers stay a family.

Toss and Turn

The Color Guard and Winter Guard members are proud to represent their school at the state level. They have been selected to compete in the 2015 National Winter Guard Championships in St. Louis, Missouri. The Color Guard is led by Alyssa Brannon and the Winter Guard is led by Emma Reed. Both guards are made up of students who have dedicated themselves to their craft and are looking forward to representing their school at the highest level.

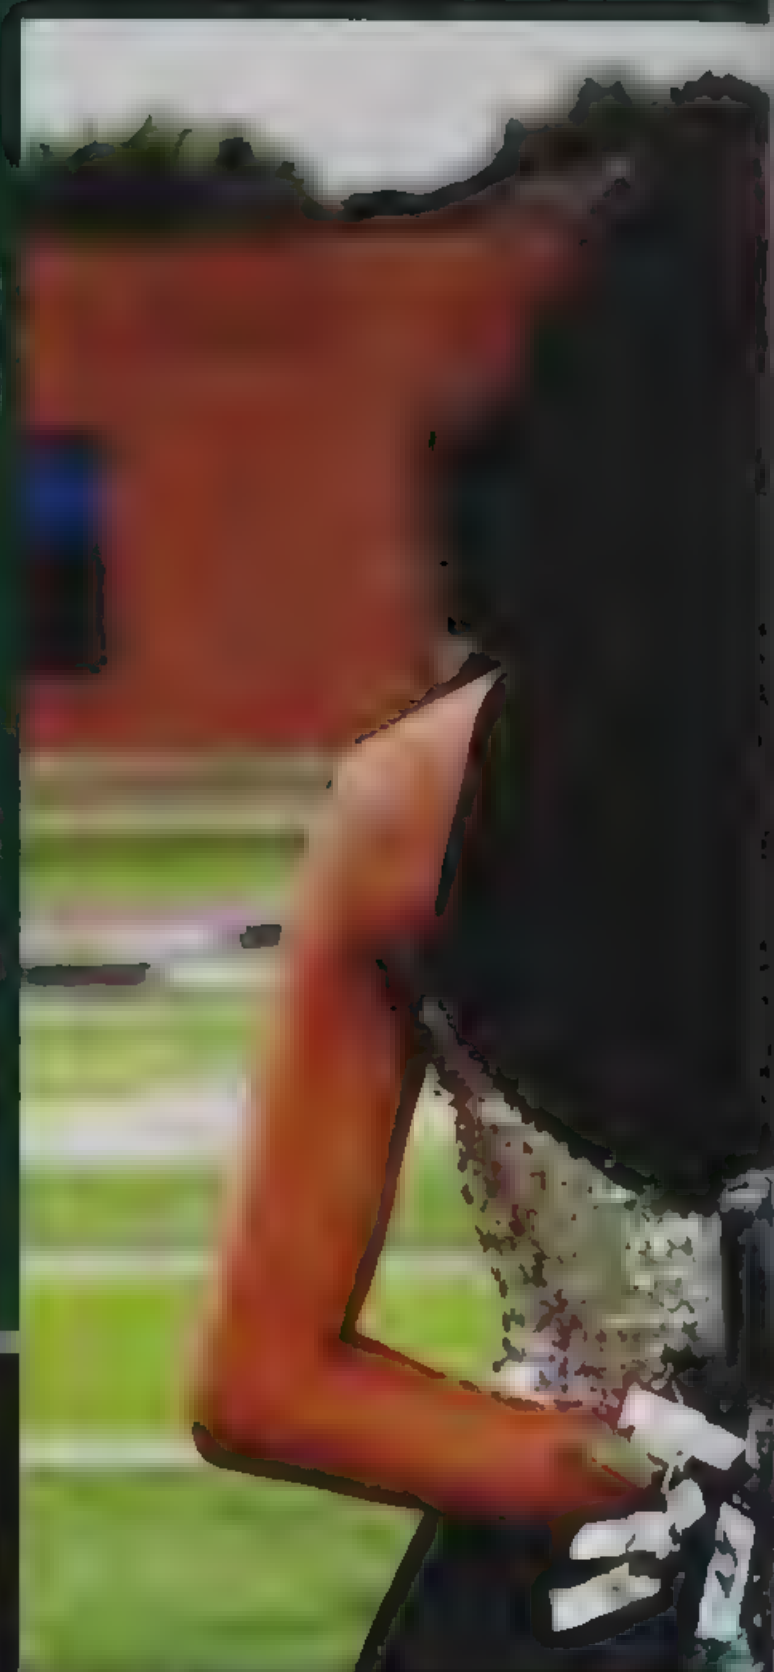

The Winterguard gracefully danced and spun their way to championships where they placed well among other guards in their classification. Their 2015 show entitled Inner Workings showcased the winterguard's talent through the captivating use of flags, sabres, and props. Seniors from both guards, Alyssa Brannon, Melissa Brannish, Victoria Edwards, and Emma Reed, will greatly miss the feeling of spinning their flags but they will always remember the joy they got from being out on the floor.

[Throughout my high school color and winter guard experience] I've learned the value of building relationships with the people I'm leading and that hard work really does pay off in the end.

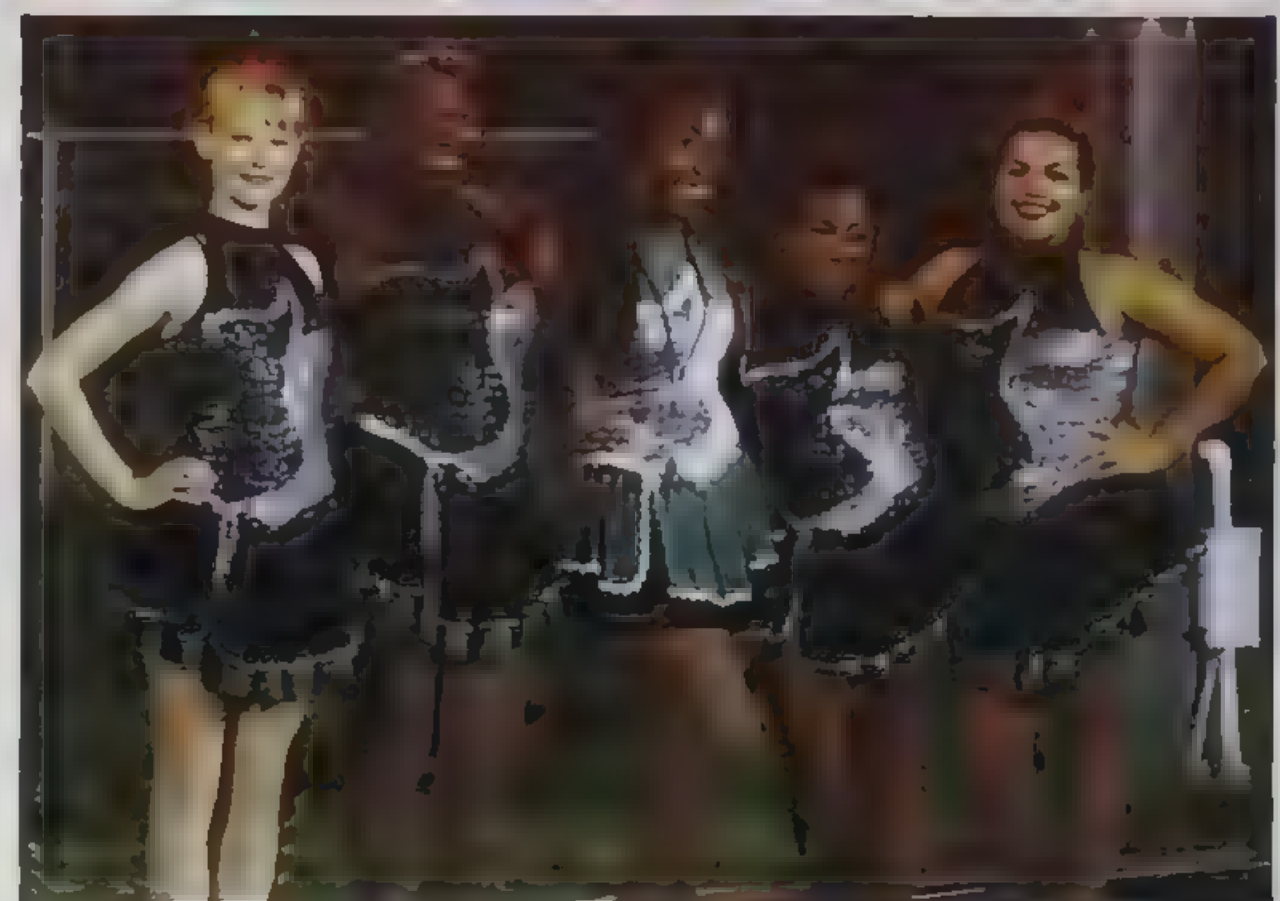

-Emma Reed

They practice frequently to give the fans the performance of a lifetime. They are great at keeping the fans engaged and entertained. The Kennedale AristoKats showcase vigorous routines each and every time they perform and get better and better each and every time. Their performances are energetic, fun, and amusing which make the fans always look forward to what they can do next. The AristoKats are all wonderful and talented people who always engage the crowd and leave them wanting more.

Troupe #5534 has had an awesome year filled with many wonderful shows. Leading Ladies was performed at the beginning of the year. This hilarious play featured some of our highly talented seniors like Alex Garcia, Terrence Benard, Hailey Green, and Kennedy Muzyka.

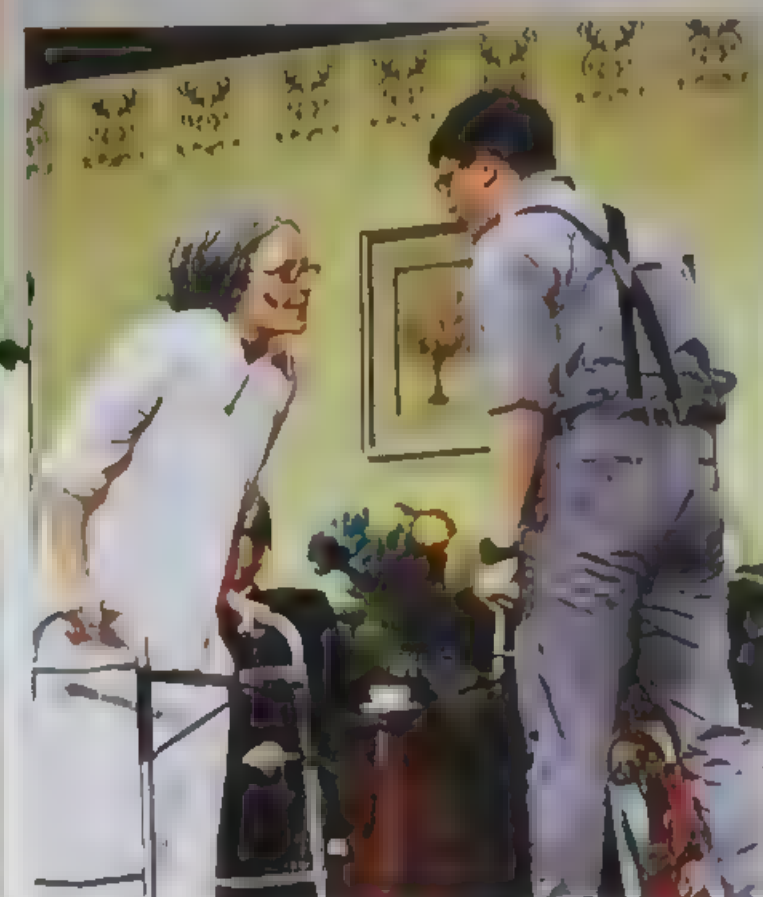

“This year's theatre troop is like one big family full of amazingly talented people under the leadership of Mrs. Alverson, who we all love to death.

Actor's Sphere

Performances of "You're A Good Man, Charlie Brown" were very fun! The musical brought out everyone to make this a huge success. Everyone from little kids to grandparents enjoyed the singing and dancing of this adorable show.

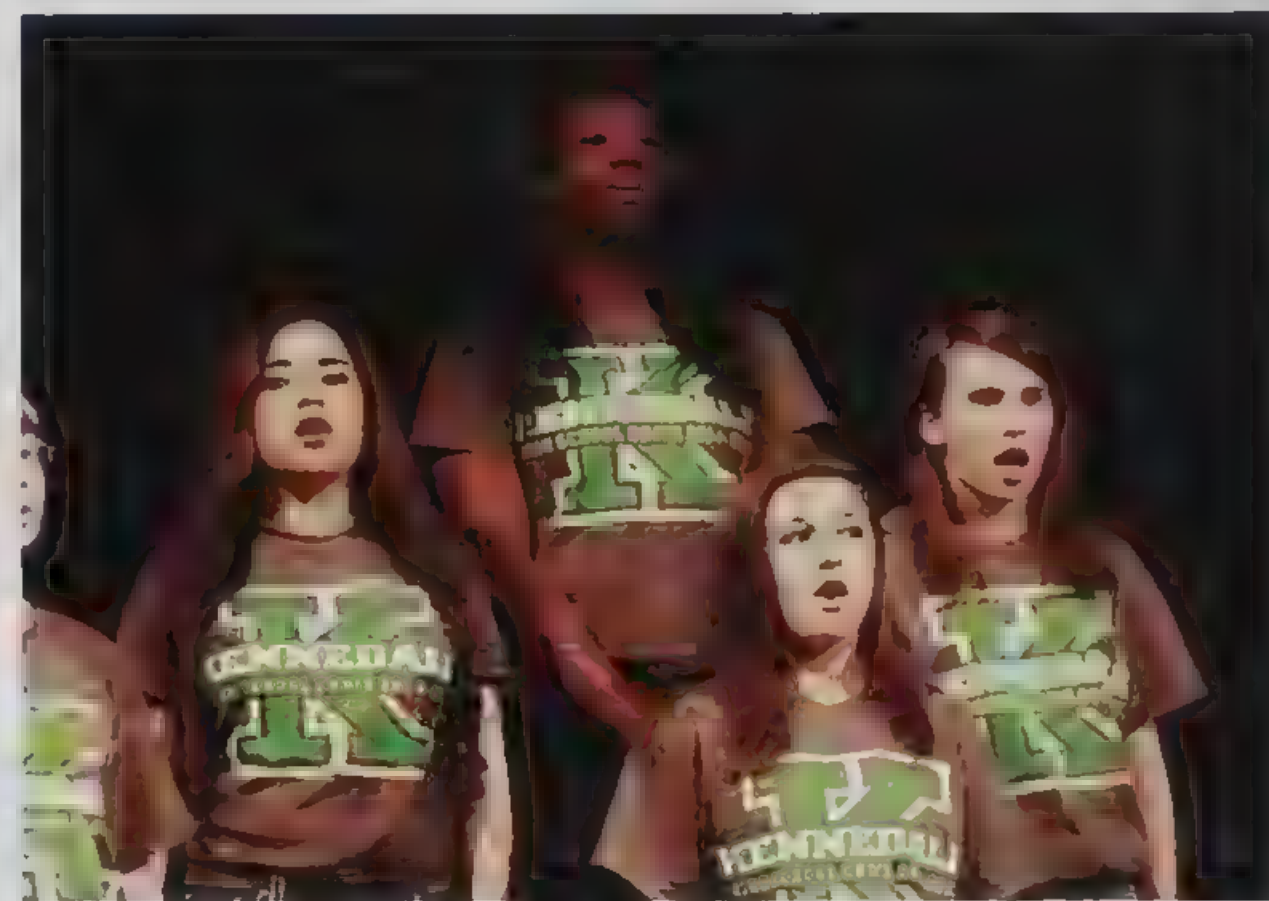

The 2014-2015 Troupe Officers included President, Shelby Flowers; Vice-President, Alison Villaire; Treasurer, Cody Kovar; Secretary, Hailey Green; Historian, Kennedy Muzyka; Membership Coordinator, Christopher La Porte who stepped up this year to represent the entire theatre department.

The stage is the only place I feel truly at home. I can put on a costume, be someone else for a while, and just get away from everything.

Singing is being able to be yourself and expressing how you feel. - Angelica C.

Here at Kennedale High School we sure know how to give you a good show. Our KHS Choir will give you an amazing performance that you will not forget. Their voices are unique, energetic, and dynamic. Our choir students are very hard workers and really put in a lot of effort making sure they give you an astonishing performance. By attending in one of their performance's, you will be amazed to hear our KHS students fantastic voices.

For the first time in forever, KHS had a Lincoln-Gouglas Debate team coached by Meastra Stephens and consisted of Juniors Dani Quaye, Aschea Hassen, Omari Jones, who crushed their opponents at the District level. This young and promising team will take the team to the next level next year.

“Our strength comes from each other: we practice as a team, we fight as a team, we win as a team because we are one.”

-Terrence Benard

Going for the Gold

This year's UIL Academic 4A District 7 Champions enjoyed the beautiful natural scenery of Lakeview Retreat Center in Waxahachie. The first ever UIL Film team won 3rd place at the State Film Festival and we congratulate them for thier excellent work on "Plasticity".

Kennedale swept the board with racking the highest total points at their district meet by having students place in every event. The students and the coaches are to be commended for their hard work and competitive mindset. 22 studetns advanced to the regional meet at Texas Tech University and eventually advance to the State meet in Austin.

UIL provides students with the opportunity to exhibit their academic skills while having fun.

Fits of Insanity

Managing Editor Vynleka Berioso, while supporting Elias through all this, redefined yearbook class to fits of insanity.

Through all the stressful deadlines and endless page assignments, this year's yearbook staff stuck together to create a book that we believe far exceeded the standards and quality of previous years.

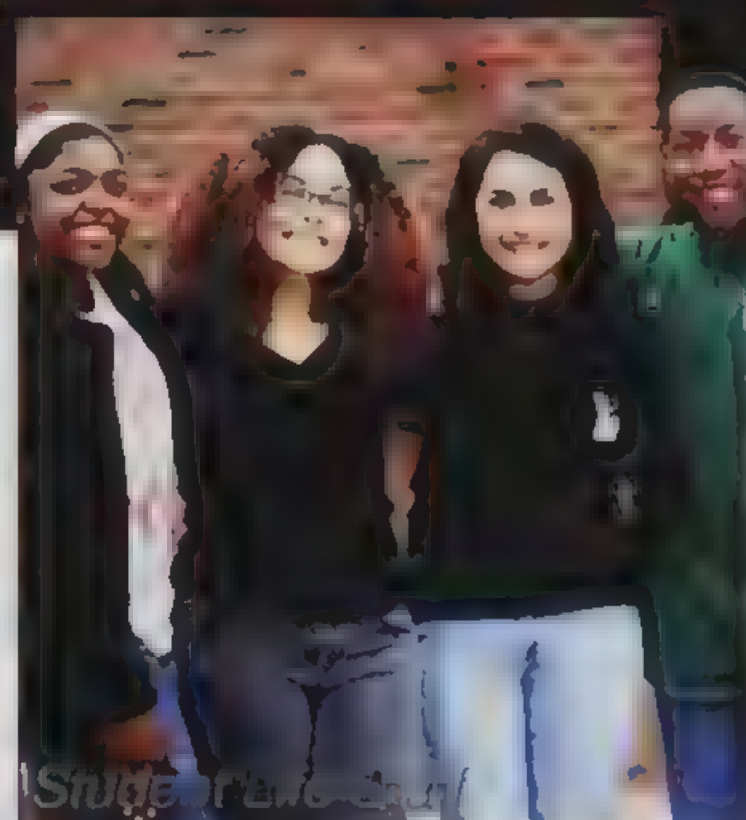

Since July, this whole process has been one of the most stressful things I have ever done, but I am proud of the final result.

Involved

STRIVING FOR THE BEST

Mrs. Naughton, Mrs. Boubel, Mrs. Brown, Mrs. Stephens all spend valuable time making our campuses better and safe place, whether it is with PAL, Friends of Rachel, or just saying hi to all the students that pass by their classroom.

Jennifer Cook is one of the most involved teachers who constantly dedicates her time for the students and faculty whenever possible.

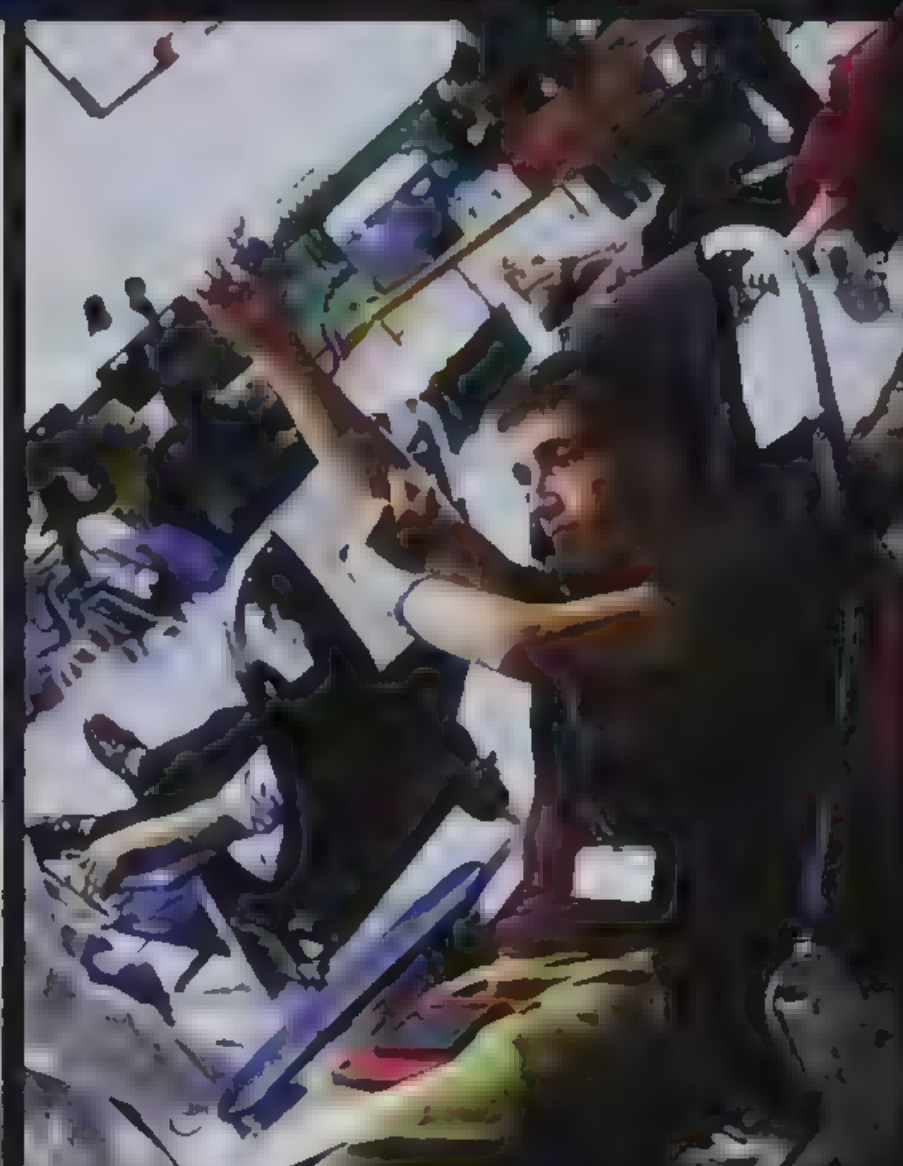

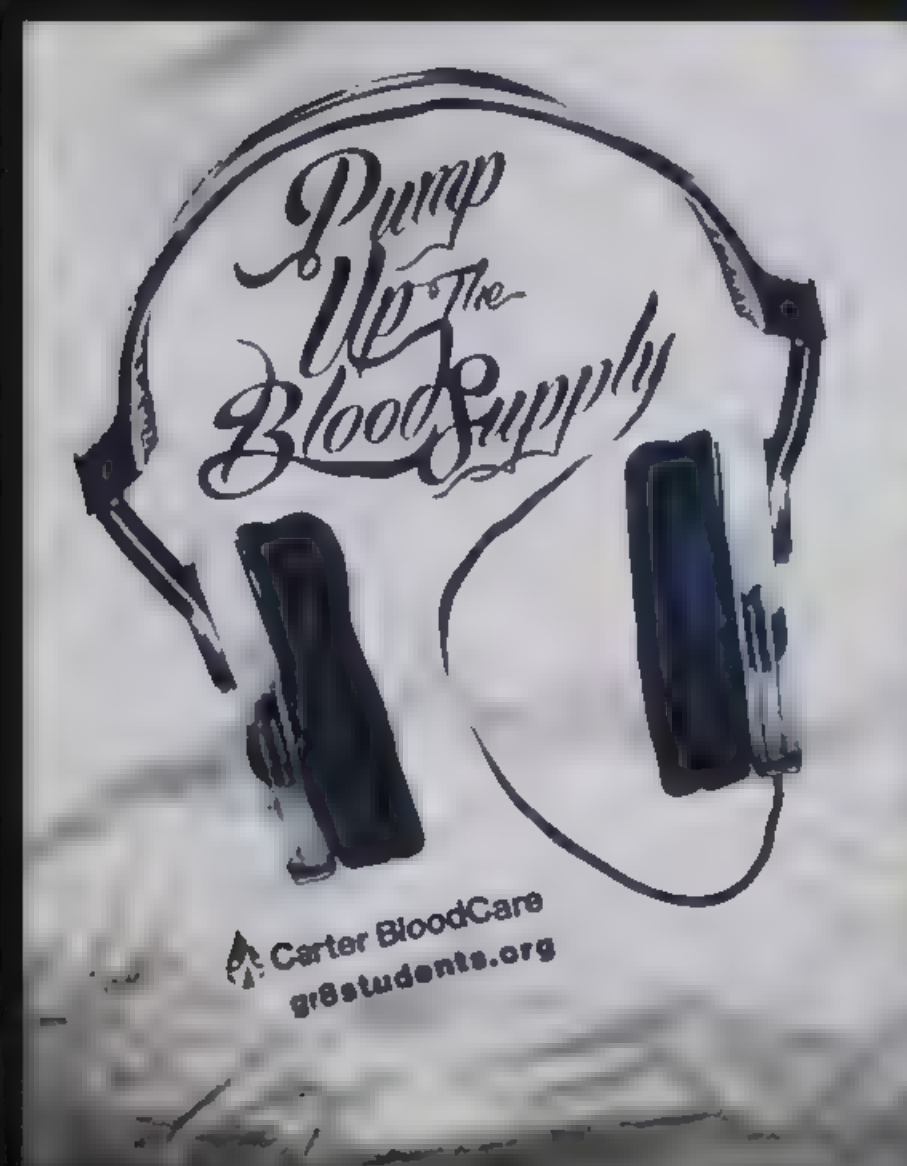

Not Just Leaders

NHS and Leadership

National Honor Society is a group of 53 students that do many amazing community services. One example of a fantastic thing they do here is a blood drive twice a year one each semester. They have to volunteer 5 hours each semester and 10 hours in the summer. They are an association of outstanding high school students who demonstrate excellence, scholarship, leadership, service and character. Only a special group of students have a capability and capacity of wanting and enjoying the things that these awesome students do.

Leadership is an organization that is composed of the class officers for each grade and club officers of some of the clubs here at KHS. Each of the clubs and classes have representation showcased in Leadership. This year's Leadership class has about 30 leaders in it. The Leadership class does many things all around the campus to make it better. They recycle on Fridays, organize homecoming week, as well as some of the other amazing events that the student body participates in throughout the school year.

Clubs and Organizations

Service is Key

Student Council and Key Club

Student Council is all about helping our community. From giving children gifts for the holidays to donating their time and canned foods to the local food drives, Student Council is always willing to help out. When thinking about the time help is most in need, you usually think about the holidays. That isn't necessarily true. Year around people are in need of service, and that's exactly what Student Council is for. Without a complaint and a smile on their face, Student Council is always volunteering.

Key Club is a worldwide organization that is very prominent throughout the KHS campus. Key Club is one of the largest student organizations and clubs here at KHS. Key Club is all about giving back to the community and helping out around the school. One of the many things Key Club does is raising money for UNICEF around Halloween time and all throughout the year. The motto is "Community Service is Key" because helping the community is what it's all about. That's what makes this club such a success.

Helping The Future

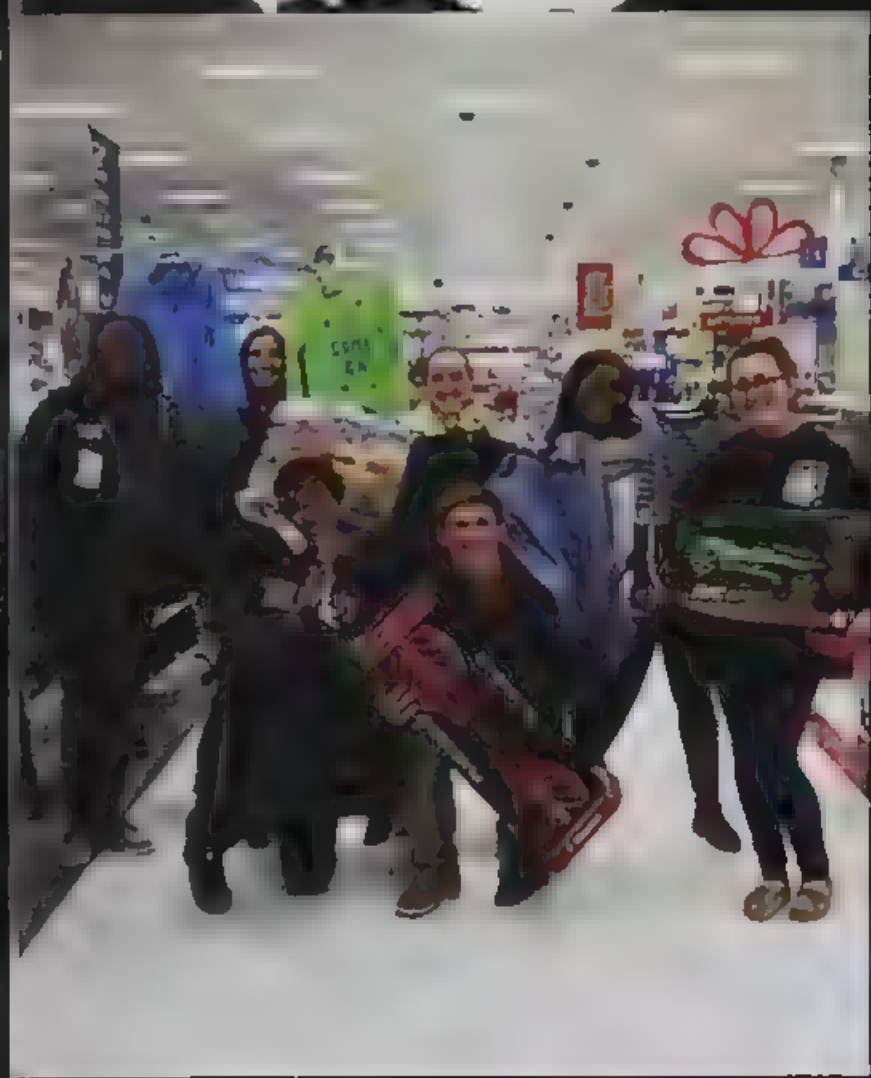

PAL and TAFE

PAL is Peer Assistance and Leadership. PAL consists of a group of selected students who act as mentors for students on other campuses throughout our district. These students travel to other campuses throughout their school day to go play games, and help the younger students with any issues they may have and just simply talk. These PALs act as leaders to the younger generation and help them to better themselves and their future.

TAFE is the Texas Association of Future Educators. It is an organization that is there to help prepare students whose career path is a future educator. The students involved enjoy being around children and teaching others. They learn of ways to better themselves and prepare for their future. Valuable lessons are taught to these students and they get the joy of educating others in different areas. TAFE is here to help the future.

Aim. Click, Bullseye

CSS and Outdoor Education

Outdoor Education is an organization here at KHS that has been going strong for about a year now and it continues to grow. Outdoor Education is a club where kids who can't get enough of the adventure of outdoors come together. Throughout Outdoor Education, students participate in archery and other events while learning how to fish and survive outdoors. From archery, fishing, and boat safety this club really hits the bullseye.

Computer Science Society, CSS, was started by Mr. Matuni as a way for students to learn about computer science and allow their technical and programming skills to flourish. These students study computers, program them, enhance them, and learn the ins and outs of them in general simply as a hobby. The programs range from programming to development but the society covers it all. The active members of this society share a common interest and love for computers, technology, programming, and the developing science.

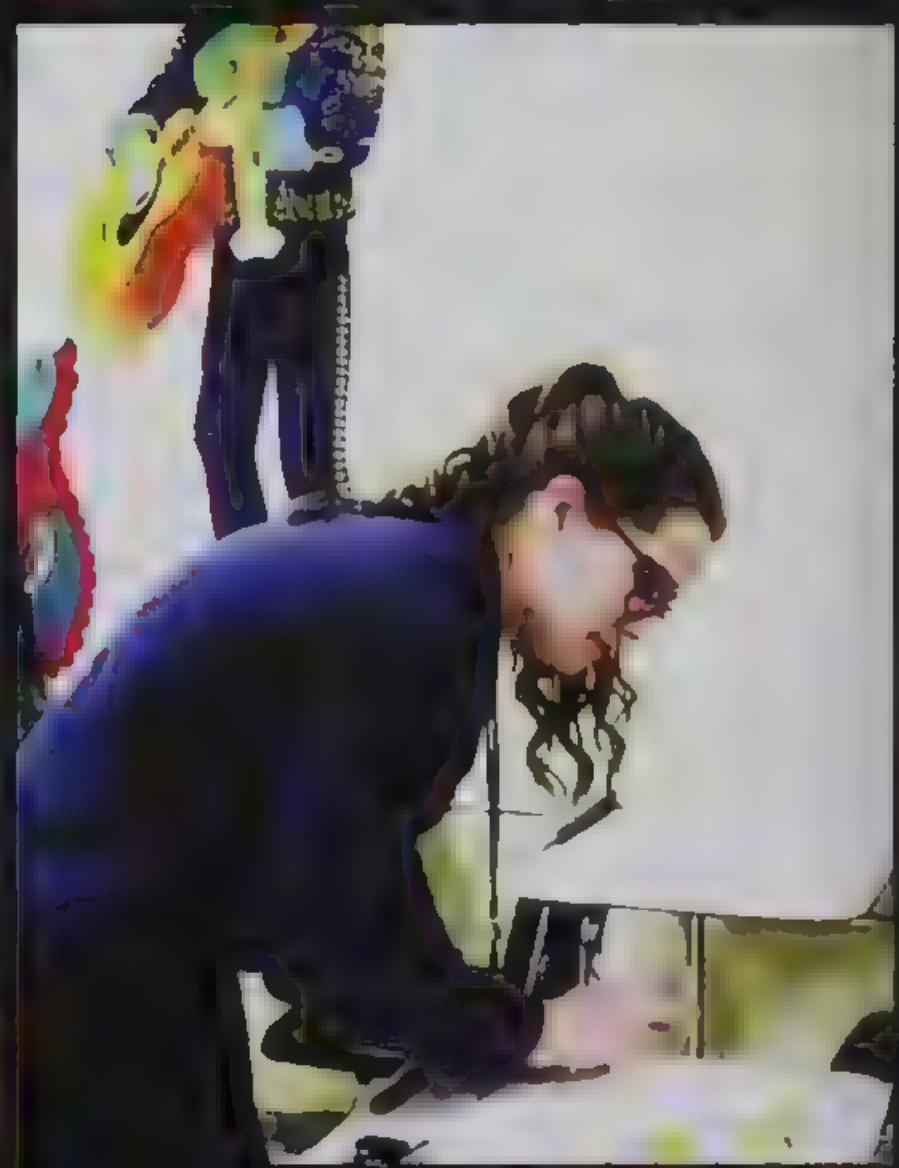

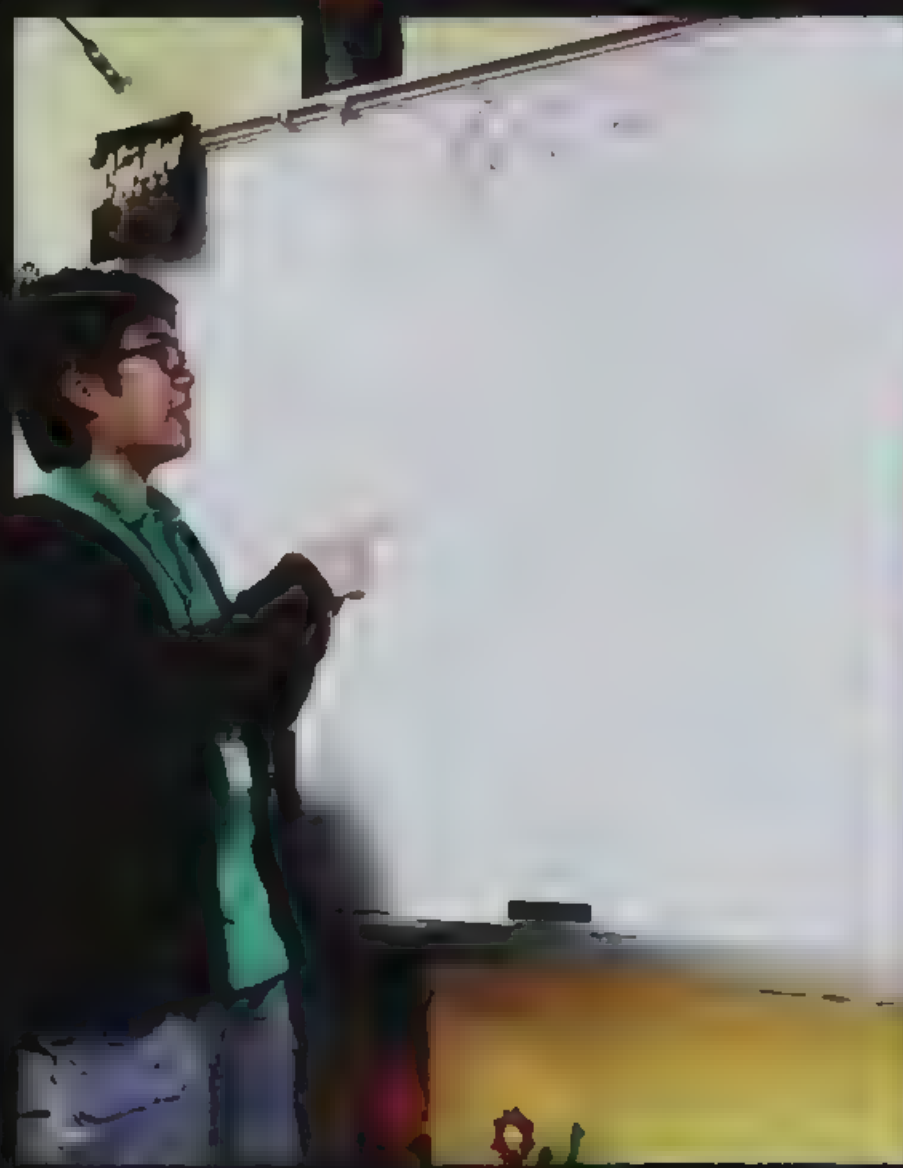

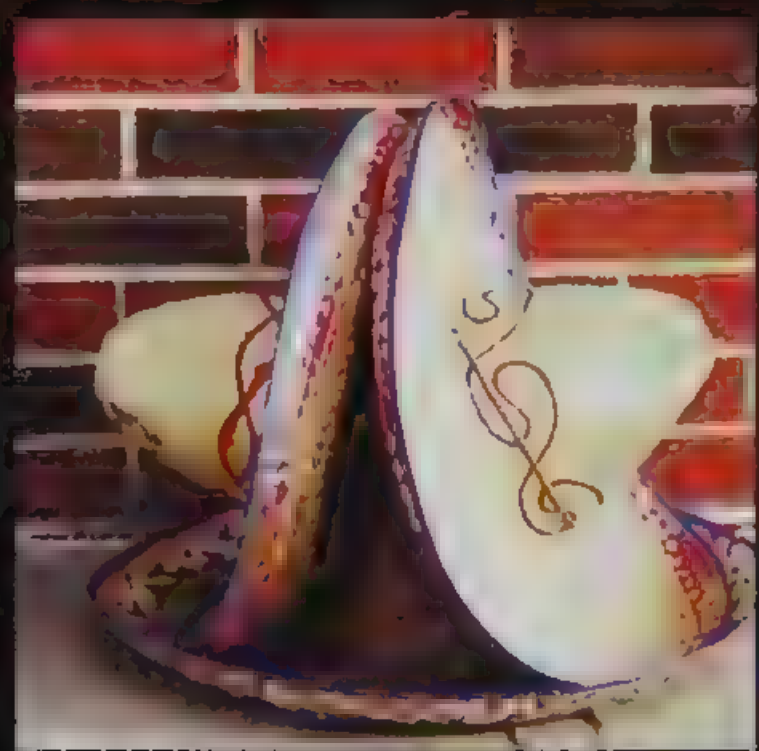

Diversity at its Finest

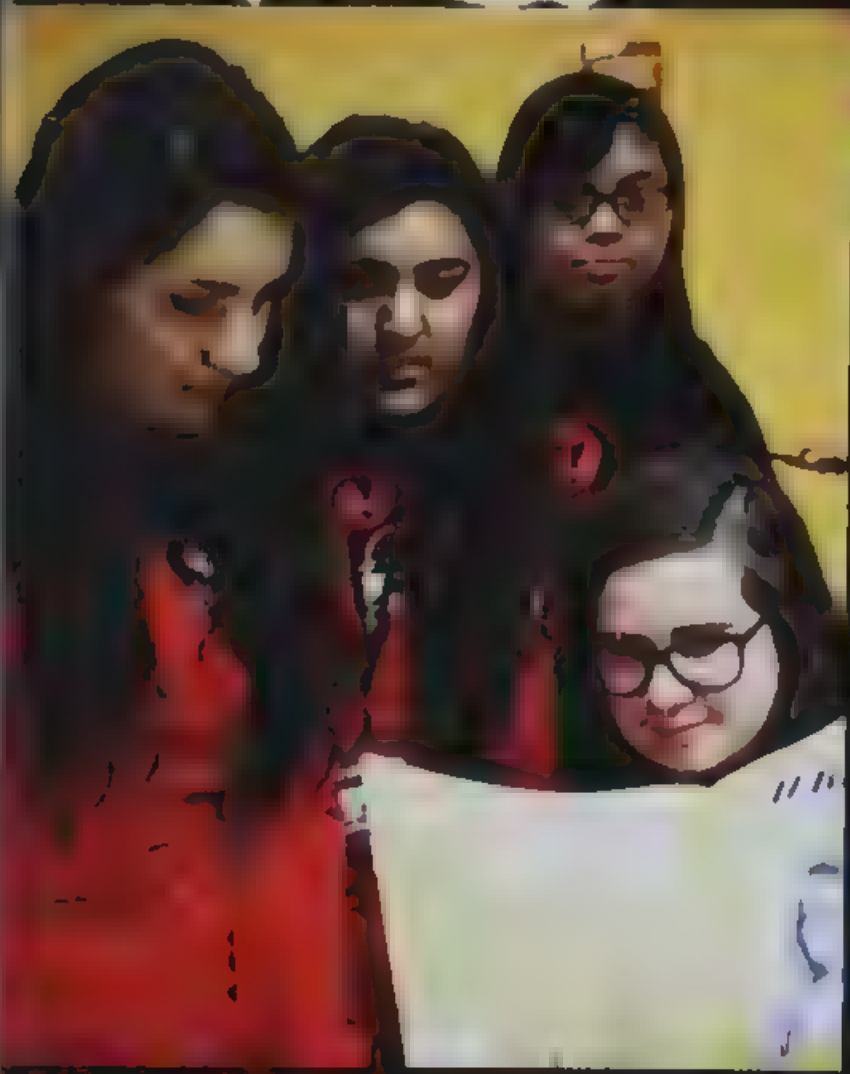

NSHS and Spanish Club

The National Spanish Honor Society is the newest club here at KHS this year. The Sociedad Honoraria Hispanica is an honor society high school students enrolled in Spanish and Portuguese. The purpose of this society is to recognize high achievement and to promote a continuing interest in Hispanic and Portuguese studies. The Palacio Real chapter which is the one here at KHS is all about the enrichment of the culture and helping the local community.

Spanish Club is an interactive organization that strives to serve the local community and enrich its members through various cultural experiences. Some of the activities the Spanish Club does are Thanksgiving donation baskets, selling candy grams, angel tree projects, and a yearly cultural trip. The Spanish Club is sponsored by Maestra Stephens and are led by the following officers: Son Nguyen, Samantha Randolph, Ileana Gamillo Elias Noorzad, Nadeya Patel, and Noet Avila.

Helping and Recycling

Green Club and KAT

Green Club is all about helping and bettering the environment. They recycle, do crafts using items that are good for the earth and so much more. Green Club finds new ways to better our world and the people in it. Green Club is led by Dani Quaye, Alison Villaire, and Shelby Flowers. Green Club is active with the goal of "Ten on Tuesday" which is where ten pieces of trash are picked up each Tuesday in an effort to better the environment one step at a time. If each person were to make an effort to recycle, the world would be a much better place for everyone.

KAT is a group of selected students who spend a couple hours of their day helping and assisting others at different sites around the community such as the schools, administration, and the police station. They are there to do tasks that haven't yet been completed. They recycle, decorate, clean, and just generally get things done. KAT is all about leading by example, assisting and teaching others. This years KAT is a large group of hard-working and enthusiastic students ready to help others and go the extra mile.

Here For You

FOR and Peer Mediation

Friends of Rachel is all about Rachel Scott, who was killed in the 1999 Columbine High School shooting. They work to prevent bullying all along the school campus with programs like Unity Day, Walk In my Shoes and many more. Every Wednesday, they share lunch together like family. Every member of Friends of Rachel is very kind and sweet. They showcase a positive attitude each and every day allowing for positive vibes and happiness to spread to each and every students making every day a great day to be a wildcat.

People think once they get to high school everything they go through they have to handle all by themselves. Here at KHS, that's totally wrong. Peer Mediation is a class that helps out the student body when they have taken part in a conflict or have issues with another student or simply have a problem they are unable to solve. It can be all solved with the help of these thirteen students. They experienced training to be able to help. They care about everyone and only want the best. They are here for you.

Painting in the Heart

FCA and Art Club

FCA, or the Fellowship of Christian Athletes, Academics, or Anybody's is an organization that is very present throughout our campus with the many things that they accomplish. FCA is an encouraging environment where students can experience and learn of fellowship in a friendly setting. An important part of FCA is the uplifting and inspiring sponsors and students that are a part of it making the club the amazing organization that it is and continues to become.

Art is about expressing yourself and letting your emotions and heart soar and that's exactly what Art Club does. Creating art for our school is one of their biggest things each year, each artist manages to put their own unique style in to each of the artistic pieces. Members of the art club are the ones that have made our school as unique as it is. They have decorated halls, walls, ceilings and areas all throughout the school. The art club is the ones responsible for mural that can be seen throughout the 800 hallway this year.

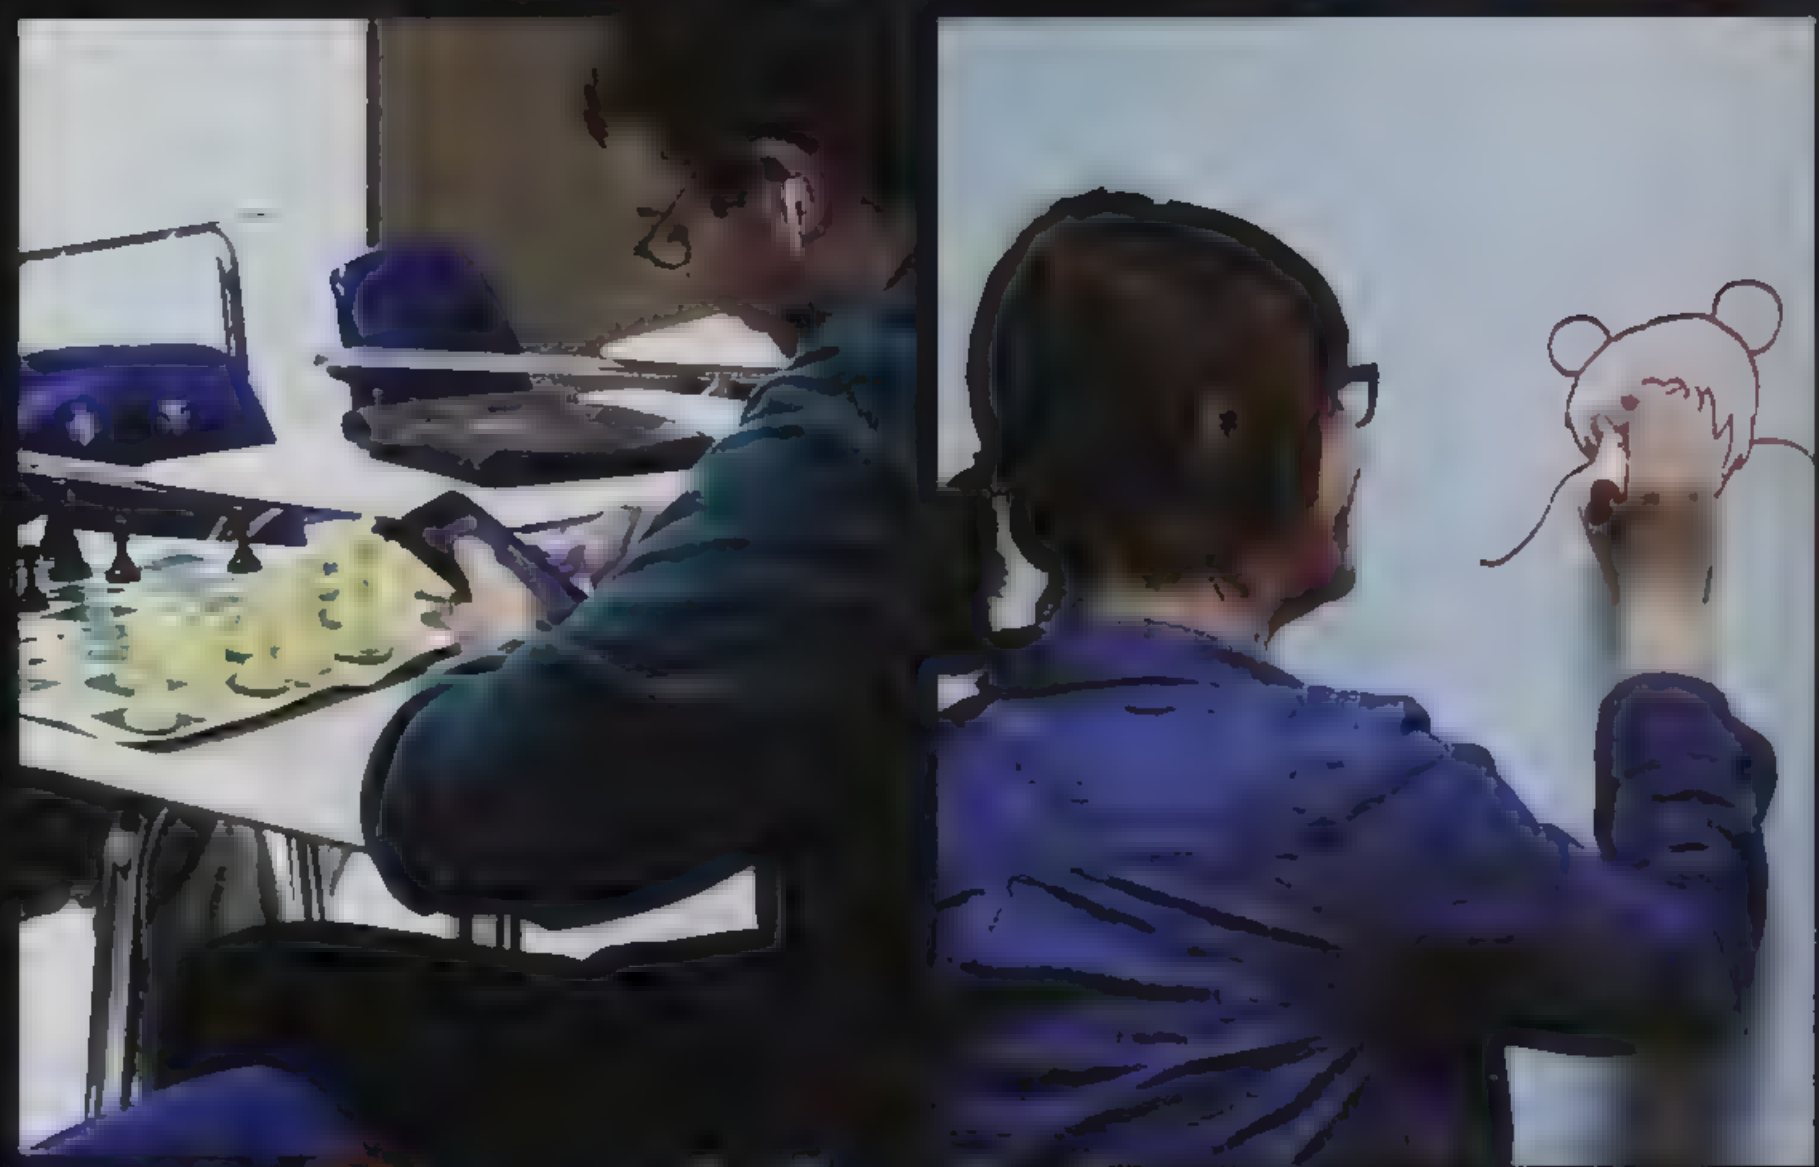

Patience is a Virtue

Anime and Chess Club

Anime Club is a club all about Bleach, Manga, and anything anime. These members of this very interesting club are very focused and interesting in anything and everything anime. They love the subject and exploring in depth situations regarding it. This club meets twice a month to engage and further their knowledge on something they love. They actively participate in cosplay which is when they show their passion for Anime by dressing up and acting out scenes of their favorite graphic novels. Anime is interesting.

Chess Club is one of the smallest clubs this year on campus. It's all about playing a very strategic game and having fun while doing it. Consisting of about 10 members it is not that well known but the members all share a common interest of playing the world's most strategic brain games. Playing chess takes patience and time games can last a long while but some can be very quick as there are many variations of the game. "We are patient, we play chess."

Watching you grow from our cute little girl to a beautiful smart young lady made us proud of who you are. Now that you're only a few steps away from a more matured life, remember that we are always here to celebrate your success and assist you with your challenges. Continue to dream big and when you're there, keep your feet on the ground and don't forget to give thanks for your blessings. It's hard for us to describe how much we love you but always remember that there is nothing that could ever change how much we feel for you. Good luck and God bless for your future endeavor.

-Mom, Dad, and Vyrnie

We are so very proud of you and of all you have accomplished. Only few know about all the hardships and obstacles that you had to face in life to get to where you are today. From being unable to speak any words until the age of 4, to coming to U.S. at the age of 9, and learning a whole new language, you have both succeeded and excelled in life and school. We are proud of the young man that you have become, who is intelligent, out spoken, and full of persona. You have been a great role model for your little sister and helped her throughout all the school years. We will always be here for you, to support you and cheer you on in life. Remember to keep dreaming big and reaching for the stars like there is no sky to limit you. A whole new journey awaits you ahead, so go out into the world and do great things.

With much love,

Your Family.

Emily Beck

From our pretty little princess to a beautiful queen, to say we are proud of you is the understatement of the century. You are, without a doubt, the kindest, happiest, least teenager-y teenager that has ever existed, and we are honored to call you our own.

In the classroom, on the track, with your friends or with your sisters, you never cease to amaze us with your strong work ethic and solid moral compass, and I know both will serve you well as you take on the next chapter. You are a born leader, not by sheer will or force, but because your attitude and energy are so hopelessly contagious. More than anything, it is this joy, that pure enthusiasm for life, no matter the obstacles, no matter the critics, that will bring you the most success.

Don't ever let anyone dull your sparkle, sweet Emily, and you will do great things in no time flat.

We love you, now and forever, with all our hearts
Mom, Dad, Libby & Ellie Kate

Sabrina Allen

Sabrina-

From an early age you approached the world with your own sense of style and on your own terms. We are so proud of the young lady you have become.

We are so excited for the next phase of your life and look forward to watching you continue to take on the world!

Love,
Mom, Dad & Hannah

Taylor Bush

Taylor-

We can't begin to tell you
how proud we are of all your achievements.
Congratulations!

We hope that all of your dreams
become realities.

Blake Bunnell

Blake,

We are so proud of all your accomplishments, both in the classroom and in the pool. You have many great opportunities and the ability to succeed in whatever path you choose to take.

So, dream big and remember that access to success is through the mind.

Love,
Mom and Dad

You are braver than you believe, stronger than you seem, smarter than you think & loved more than you will ever know

We love you Victoria Kay and we are so very proud of you.
The world is yours baby girl, reach for the stars.

P.S. Don't touch me with that glove!

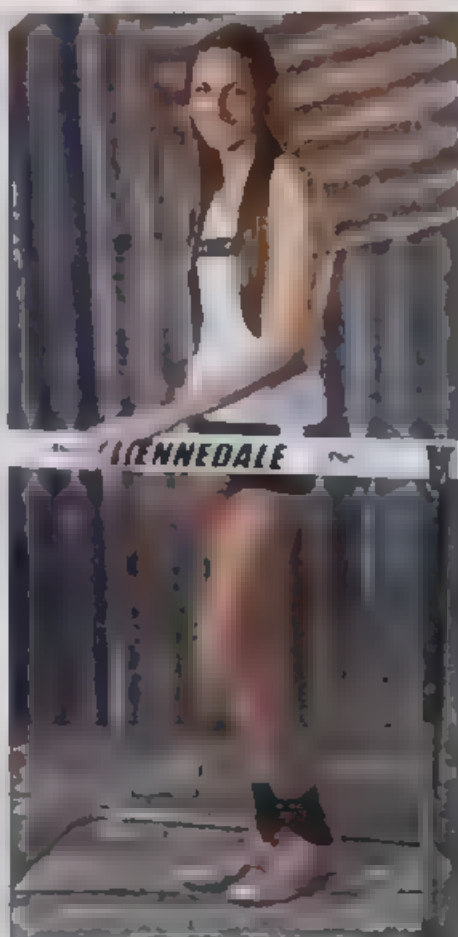

Shelby Flowers

Shelby,
From a little girl to a beautiful young woman, we are so proud of you and all of your achievements.

Your hard work, determination and your high goals that you set for yourself will take you through this journey of life. You are such a loving, caring person.

We love you so much.
Love you always,
Mom and Dad

Ashton & Ashley

Ashton Carol Hill and Ashley Carol Lineberger:

We are so blessed to have two beautiful and intelligent granddaughters. We are so proud of both of you for all you have accomplished and the wonderful young ladies you have become. You both will be going off to college. Ashton to become a vet, and Ashley to become a surgeon. You both have such giving hearts and want to help animals and people in your chosen field. Watching you two grow up, keeping you when you were babies while your moms worked, it was like having twins, but what fun we had. Going to all the school activities, watching you play soccer, baseball and volleyball. You girls kept us on the go. We wish you all the happiness in the world. We love you both so much. You will always be our "babies."

Congratulations! MaMa Carol and PaPa Don

Macee Price

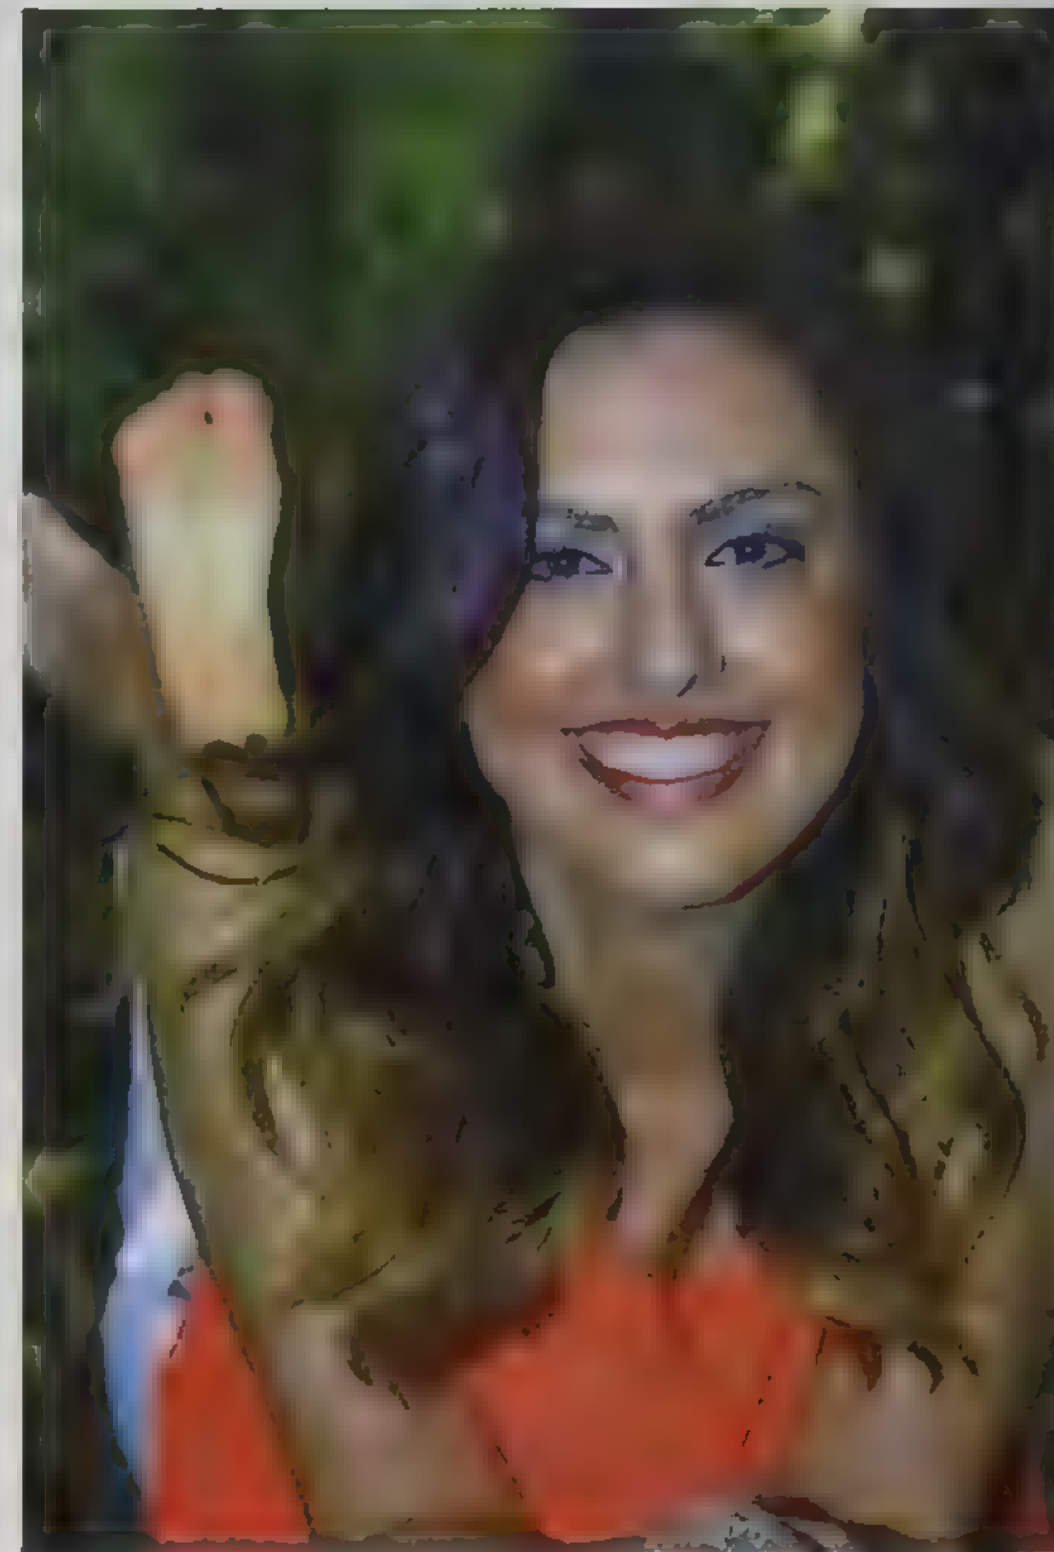

Our dear Macee,
If you could see yourself through our eyes, you would realize how very special you are to us. You are an amazing young lady with a wonderful sense of humor. You light up a room the second you walk in.

We look forward to watching you grow even more and see where life's journey takes you and just know that no matter how hard it gets, you are never alone. We will always be there every step of the way.

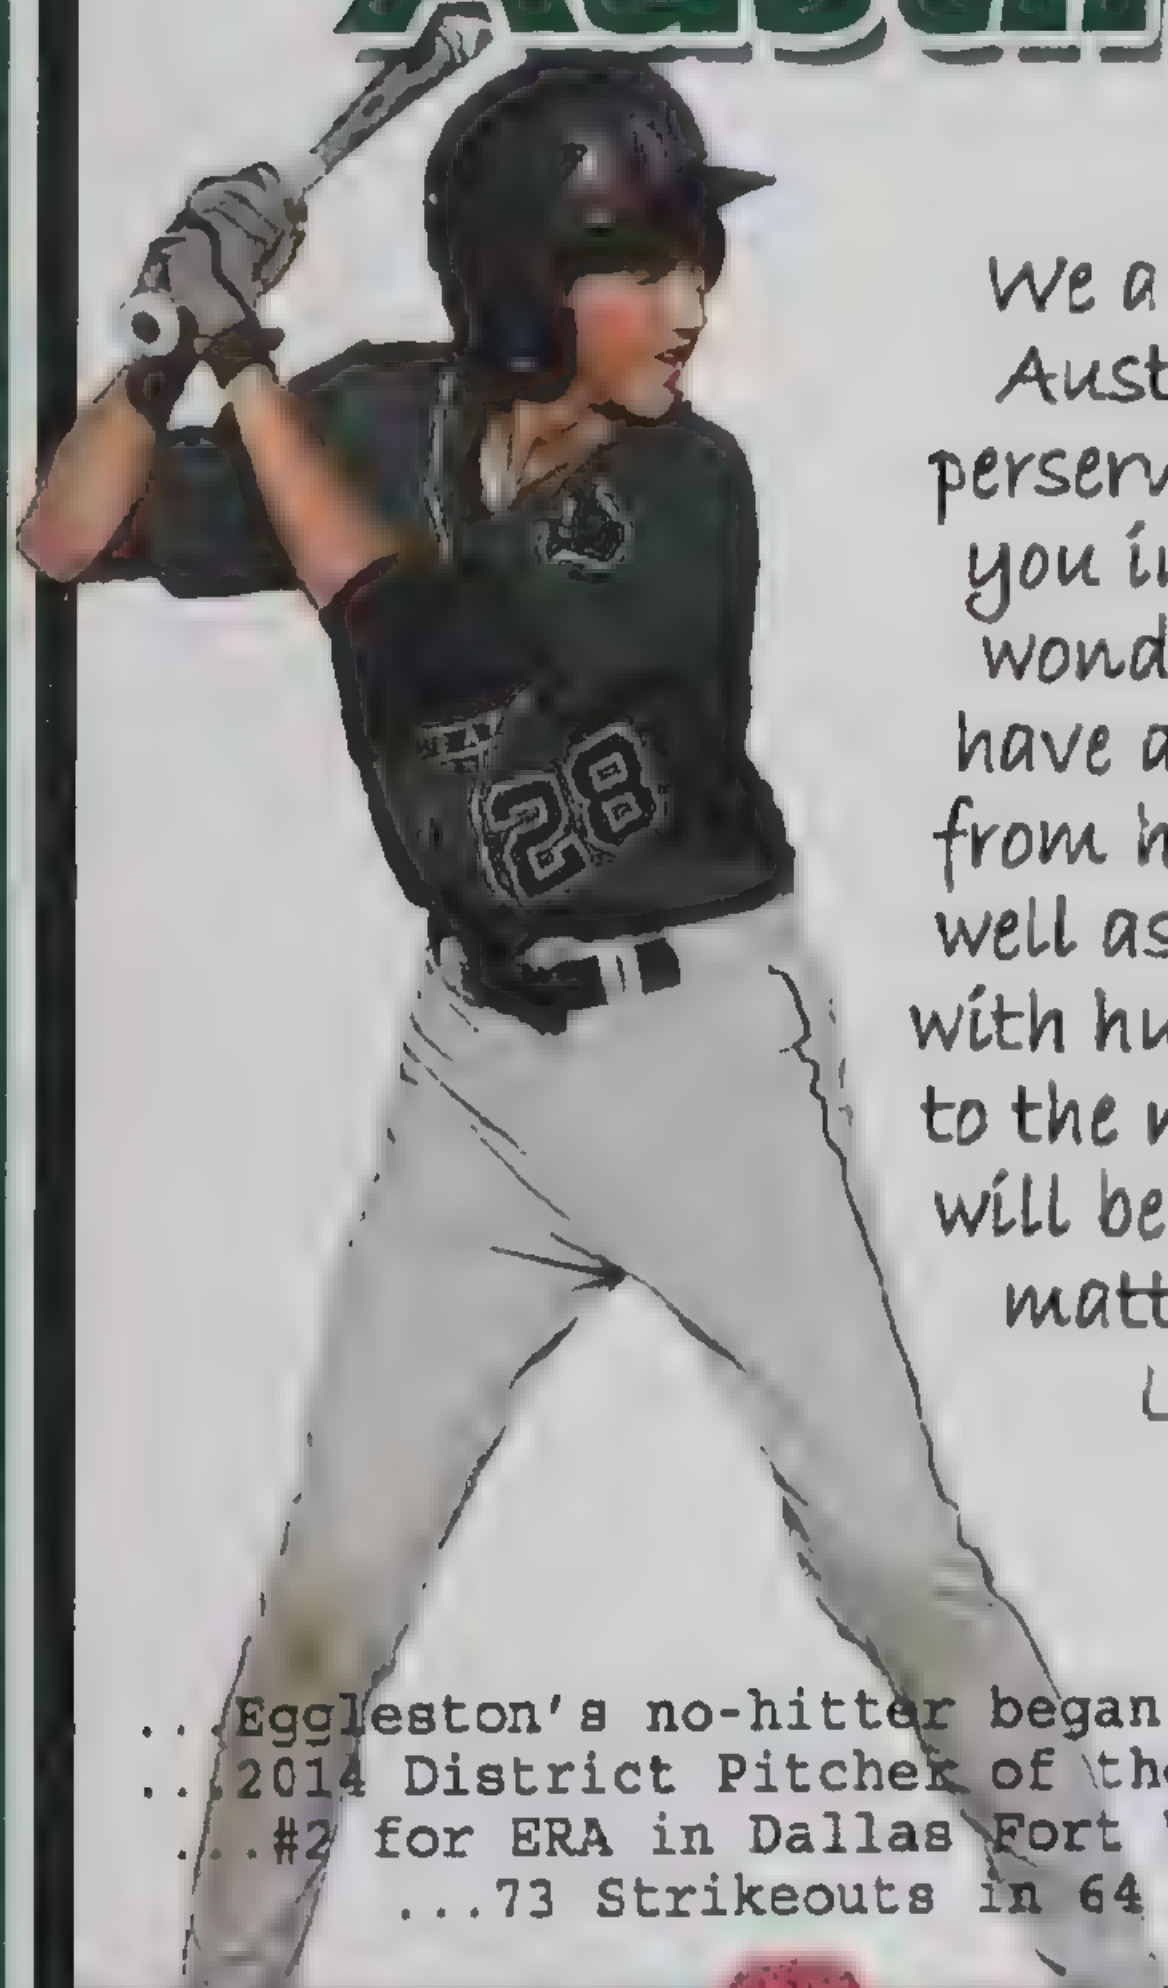

You will never know how many people you have encouraged and inspired, because you made the choice to be who you are. You have been a blessing from the start.... A beautiful young woman with a very big heart. We love you Macee.

We are so very proud of you baby.

Love,
Mom, Rob and Casee

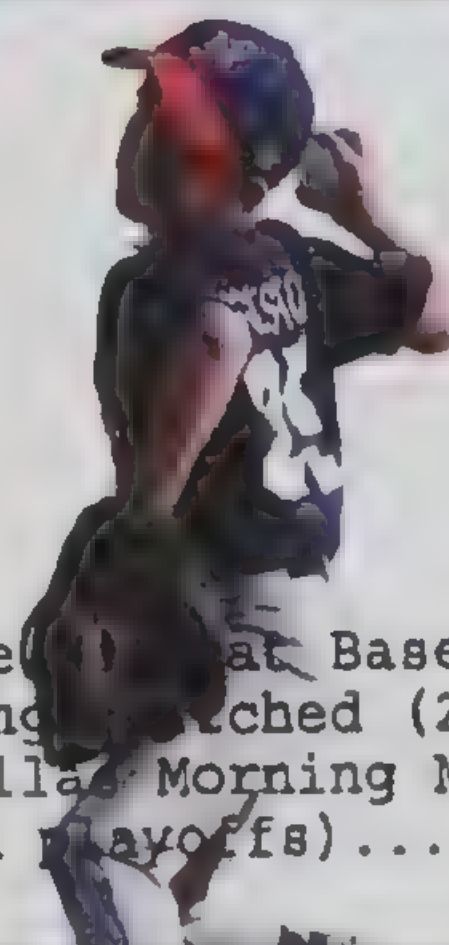

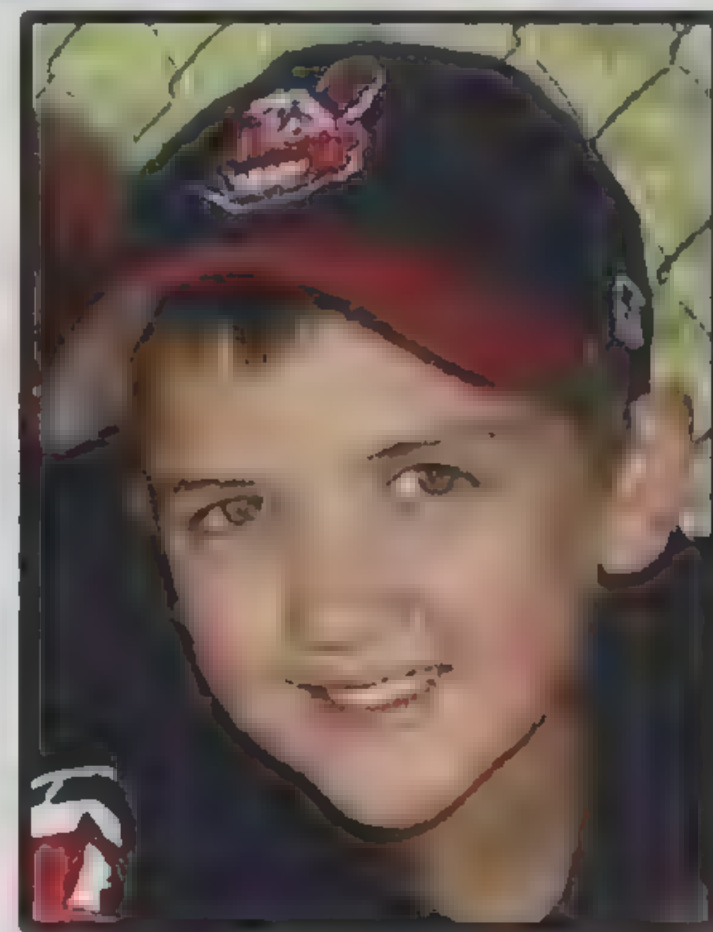

Austin Eggleston

We are so very proud of you, Austin. Your tenacity and perserverance have transformed you into a great player and a wonderful young man. You have adapted well and learned from hardships and failures as well as how to handle successes with humility. We look forward to the next step in your life and will be there to cheer you on, no matter what you are doing.

Chloe Roller

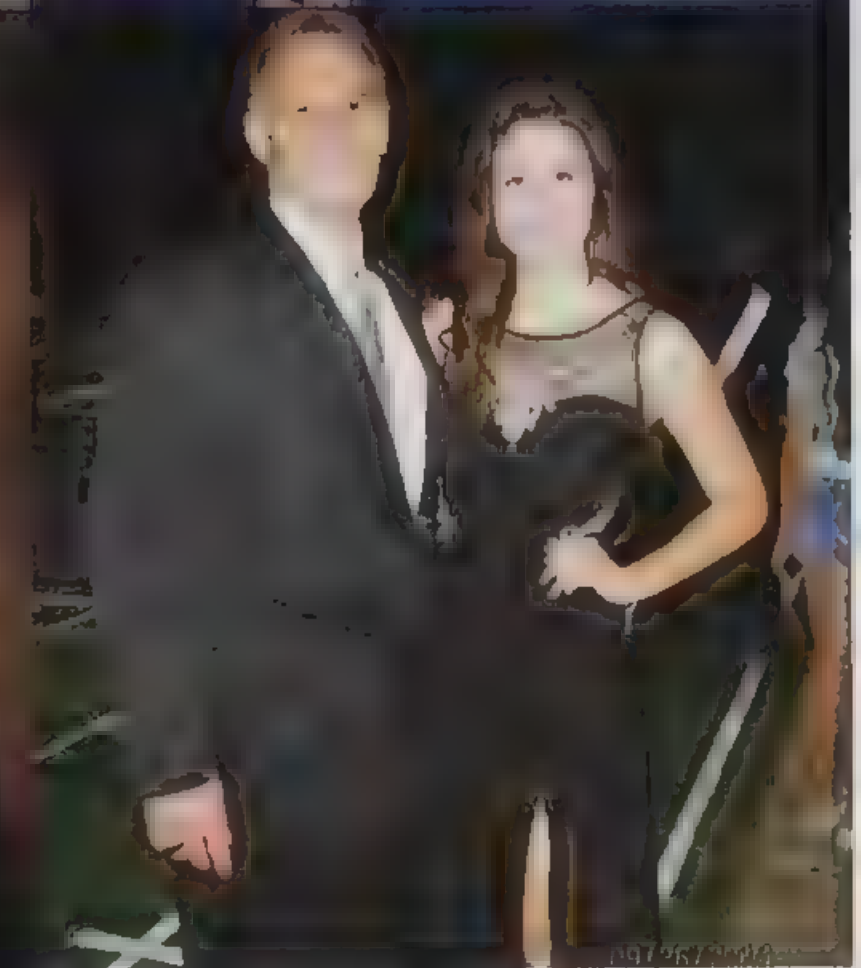

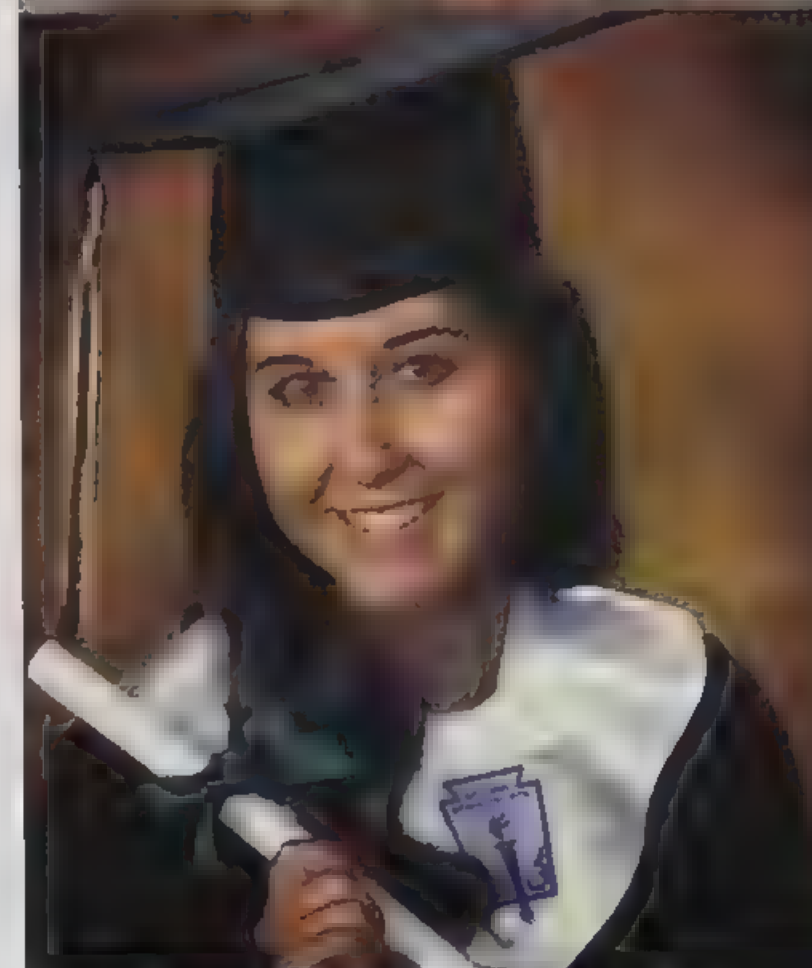

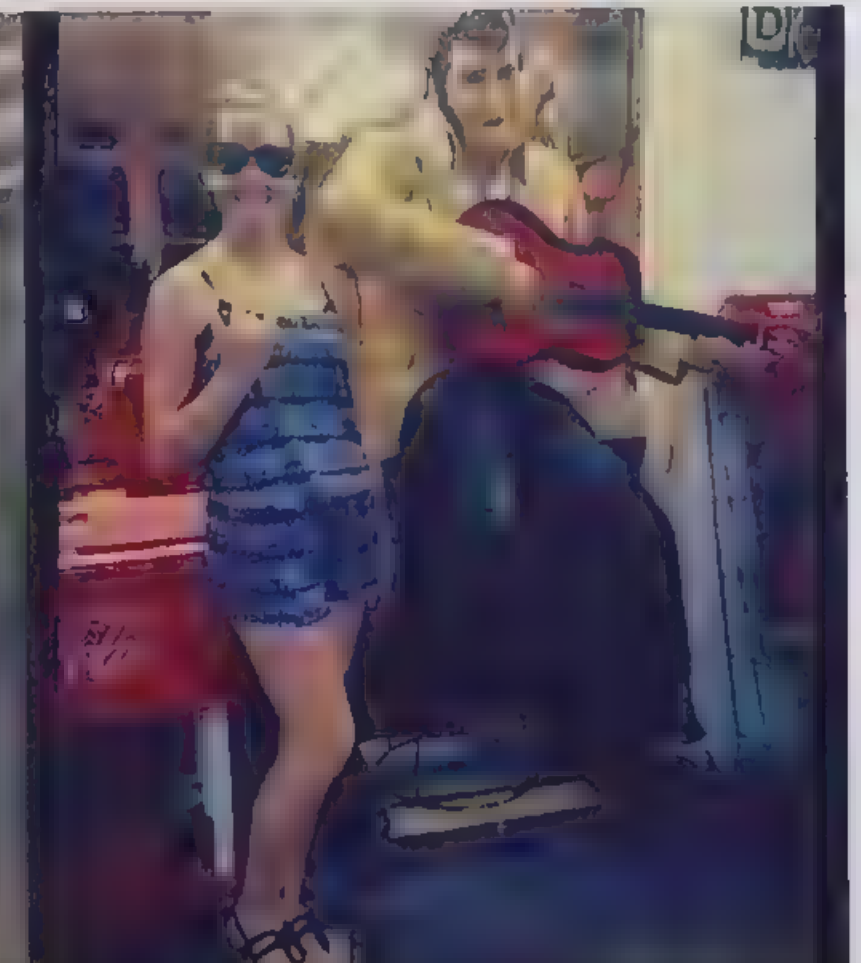

Chloe,

We have seen you blossom from an inquisitive little girl into a responsible, confident, beautiful and intelligent young lady. Your four years at KHS have been fun and adventurous. It has been an honor to watch you excel in all of your high school activities.

We are extremely proud of your accomplishments and know you will succeed in college and beyond!! As you begin the next journey in life, know that we are here to support you every step of the way!!!

Love,

18 Years Have Come and Gone!
Sharing them with you has been
truly amazing! We will miss watching
you cheer on the Wildcats and
seeing that amazing smile every day.

We are so proud of all that you
have accomplished to this point
and cannot wait to see where your
journey leads you. Cherish
each day and always follow
your dreams.

We are so proud of you for becoming the wonderful person that we always hoped you would become. The future is so bright for you and we know that you will find your own way in life. Just remember, we will always be there for you and we feel so blessed to have you as our daughter and sister.

Love you always,
Mom, Dad and Brandon

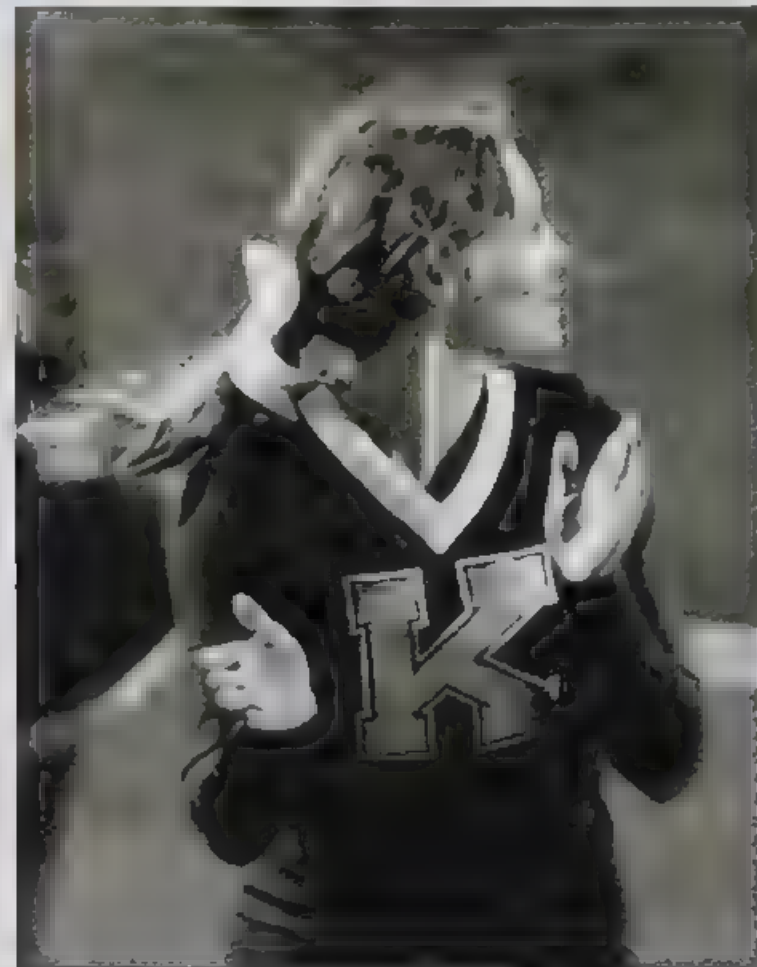

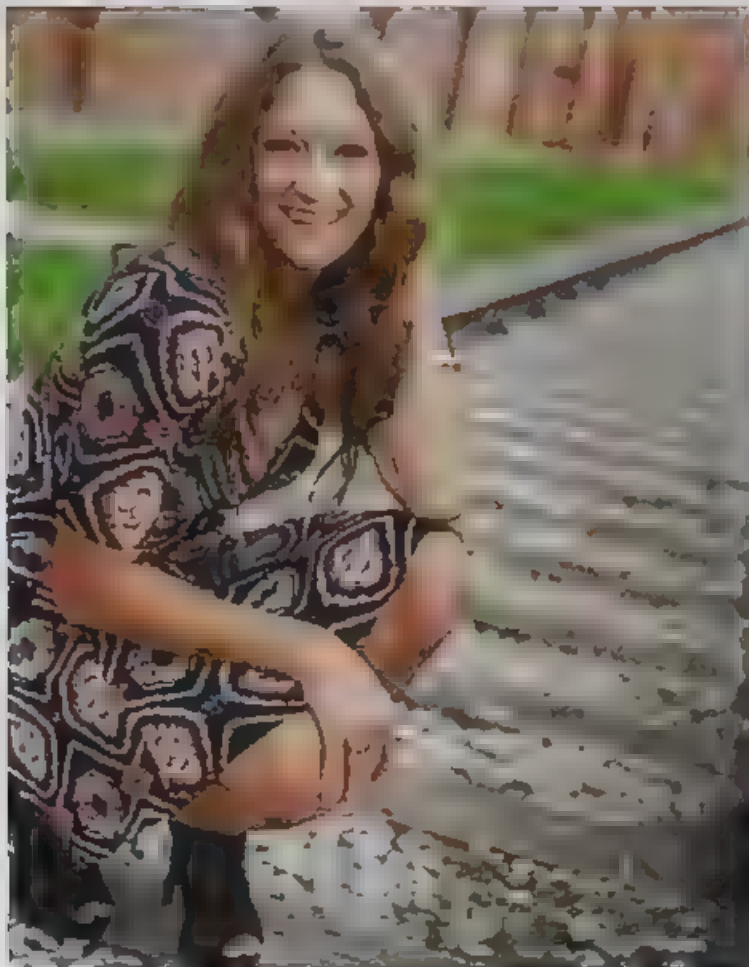

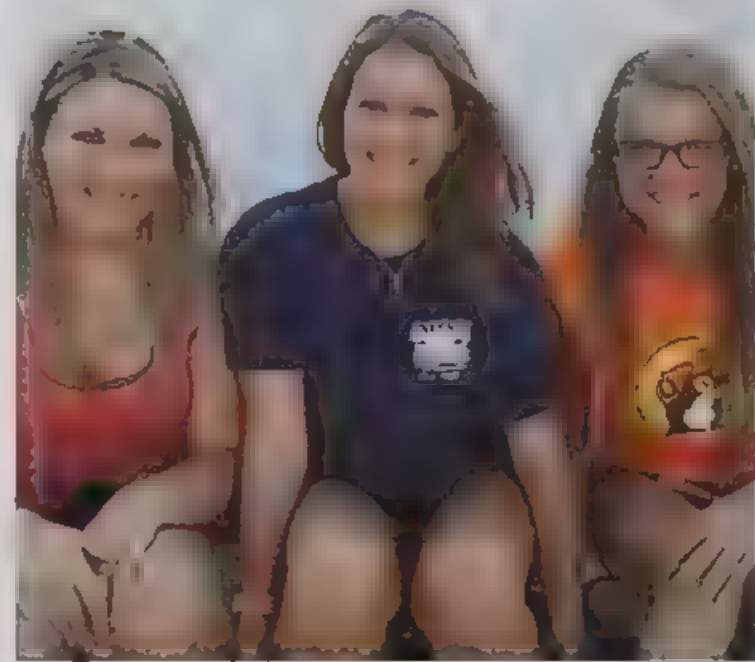

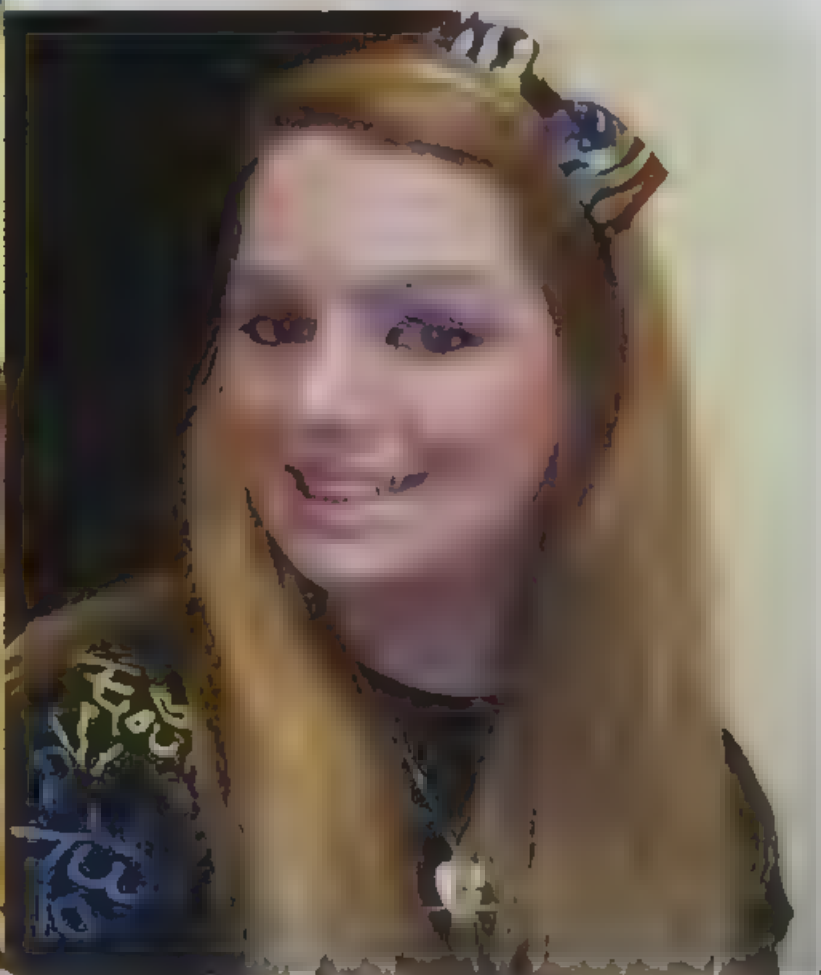

Madison Moss

We still remember your first day of Kindergarten. On that day, we were nervous to send you away from us. It feels like that same day is back again! We are anxious, nervous and excited again as you face the world-- but we are ALWAYS here for you. We are so very proud of you and your accomplishments and always knew you would emerge as a winner. Continue to make us, and more importantly yourself, proud! You know we love you to the moon and back and know you can reach all the goals and dreams you desire. Love you baby girl!

I would give you the ability to see yourself through my eyes.
Only then would you see how very special you are to me.

Young woman, my daughter, my joy and my heart,
You've reached the end, only to find a new start.
The world sees the young woman, with her charm and her
smile,
But behind the woman, I will always see the child.

Ashley Lineberger

Ashley - my sweet baby girl!

It has been such an amazing experience to watch you grow and go through the different stages of your life. I am so proud of the beautiful young woman you have become.

You have everything you need to be successful in life Ashley. Not only are you "beautiful" you're smart, intelligent and you have the ability to express yourself in such a beautiful way.

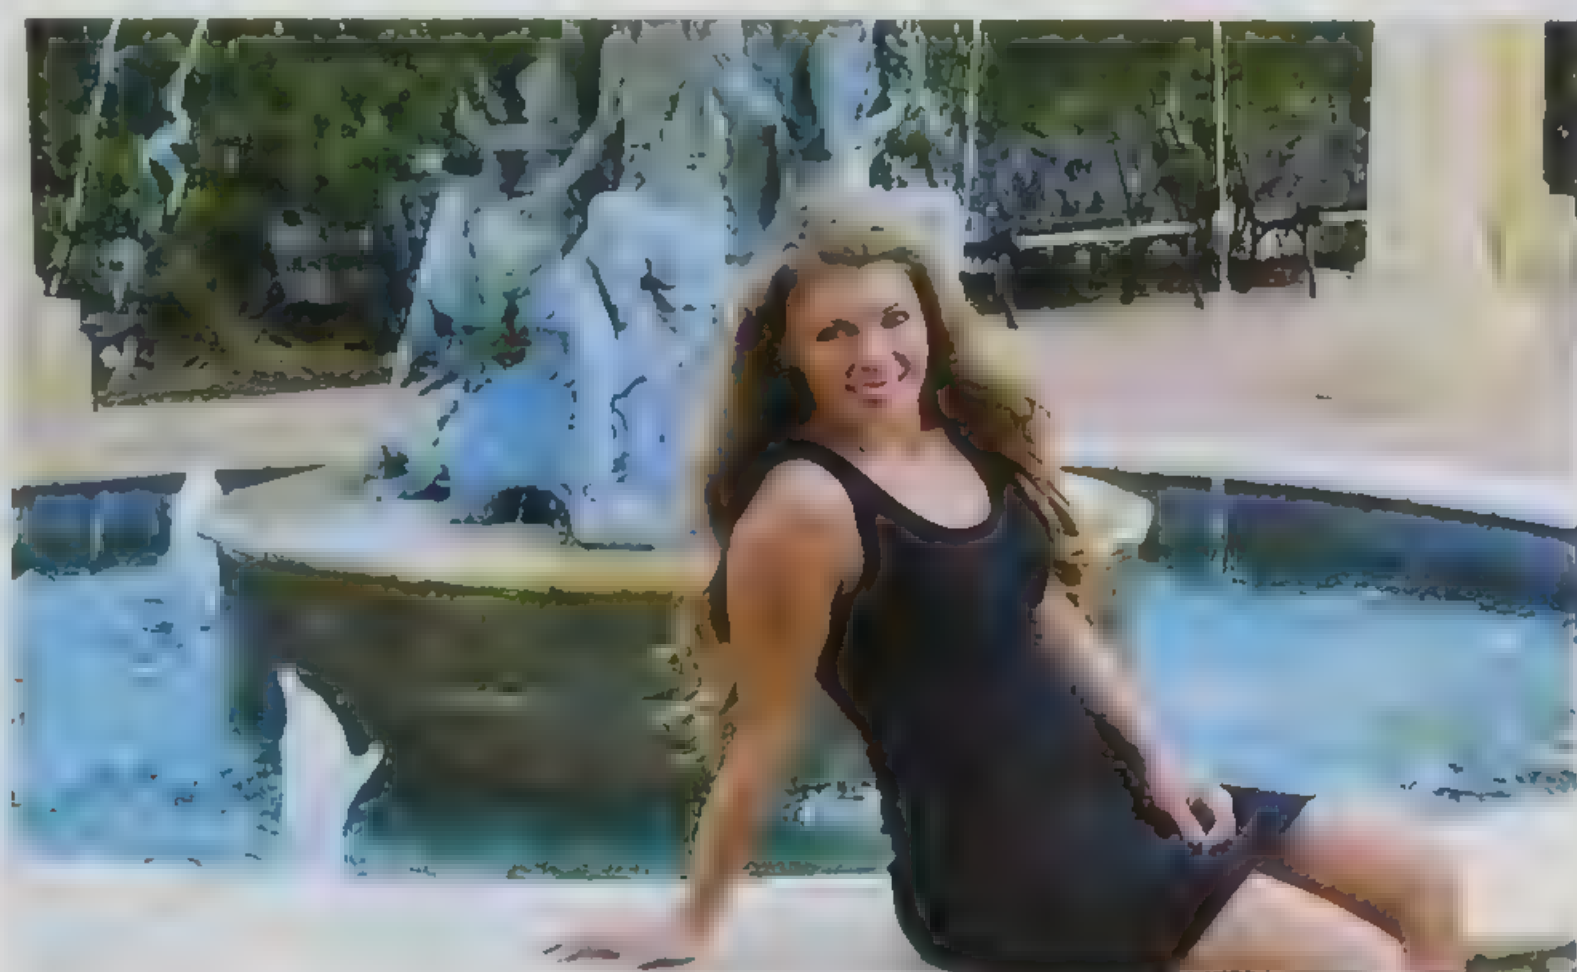

You have been such a gift in my life. Being your mother has been -by far- the best thing that's ever happened to me.

I am looking forward to your next steps of going off to college and starting your career in the medical field. You will always have where you lose faith, don't believe you can do something, and maybe don't want to. Just remember that I believe in you 100+% and I know you are more than capable of doing anything you set your mind to. Never stop believing in yourself. Take a break, but keep going.

I just want you to know how proud I am of you and how much I love you - forever- no matter what. I'm here for you and always will be.

Spread your Wings and Fly, baby girl....the world awaits you!!!!

Love Mother

Kennedi Siphon

Congratulations to our beautiful daughter and sister Miss Kennedi Siphon. You are an amazing young woman and we can't wait to see all of the many things that you will accomplish.

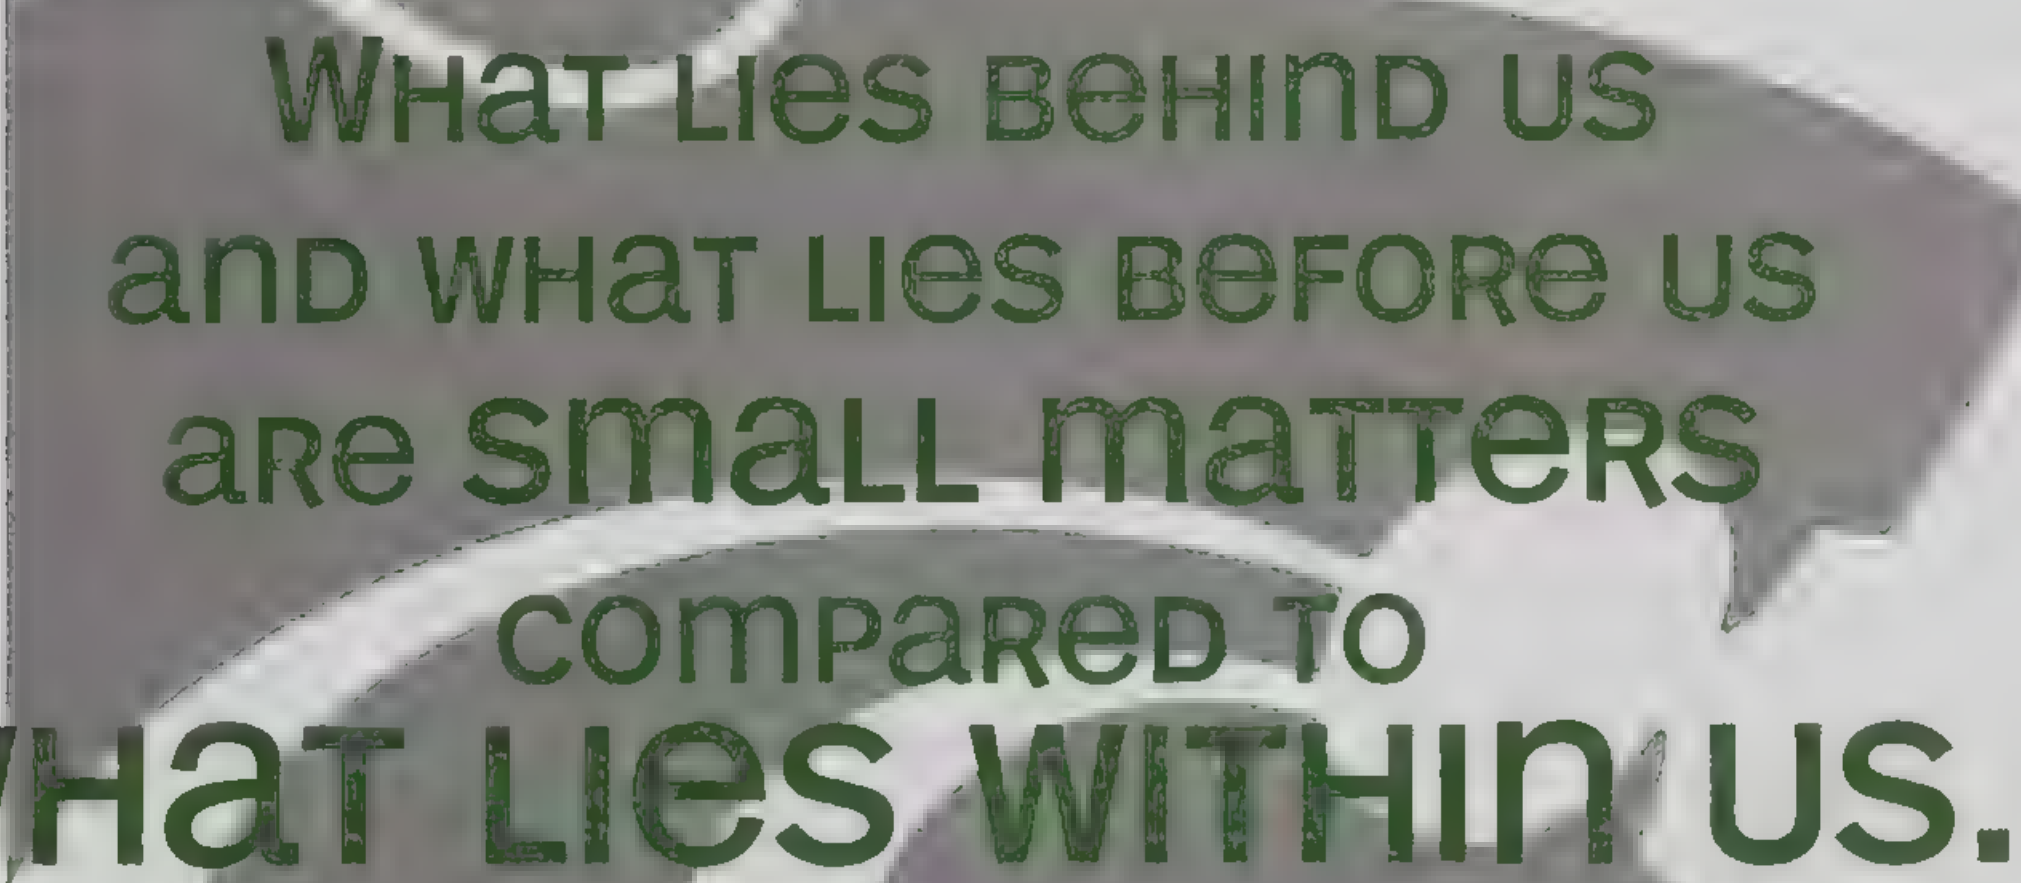

We are so proud of you.
The sky is the limit!

We love you,

Editor-In-Chief's Note

Dear **Mr. Marchel and Administration,**

Thank you for your patience and support throughout this year and not hassling us for being out of class. I promise we were not skipping.

Dear **Coach Beck,**

Thank you for helping us (and for the food). You have been patient with our nagging.

Dear **Kennedale,**

Thank you for cooperating with us every time you heard a knock on the door and a voice asking "can we borrow this person for like two minutes?" (We are sorry two minutes turned into twenty).

Dear **"Yearbook" Parents,**

Thank you Ann Beck, Tonya Langston, and Barbara Johnston for providing additional amazing photos. Mrs. Beck, I can't thank you enough for the countless hours you spent helping and proofing this book.

Dear **Yearbook Staff,**

Thank you for everything. Vynieka, thanks for sticking by me. I couldn't have done it without you.

The 2015 Wildcat Track Yearbook, Volume 65, was printed by Herff Jones located in Fort Worth, Texas. The yearbooks were sold for \$55.
